EXECUTIVE BOARD REPORT

We have enjoyed another good year and express our appreciation for the faithfulness of the churches in Oklahoma to the programs of our denomination.

Actions of the Executive Board for the year are as follows:

1. Approved an All Board Appreciation meal for the State Meeting
2. Purchased a fax machine for the State Office
3. Recommended that the State buy 1 acre of land in the amount of \$3,400.00 for FWBBC
4. Secured a loan in the amount of \$175,000.00 for the State Missions Project in El Reno
5. At the request of the Hillsdale Board of Trustees, called a special State Meeting for March 16, 1996
6. Borrowed \$150,000.00 for Hillsdale budget needs as voted by special called State Meeting. The loan is for 5 years at 7.5% interest. Payments began August 1, 1996 in the amount of \$3012.49 per month.

The Executive Board has three recommendations:

1. The cooperative budget for 1997-1998 remain at \$380,000.00 and that the allocations for state and national ministries be as follows:

Hillsdale	33%	\$ 125,400.00
State Missions	15%	57,000.00
C.E. Board	6%	22,800.00
State Executive Office	22%	83,600.00
National Coop	<u>24%</u>	<u>91,200.00</u>
	100%	\$ 380,000.00

2. We recommend that the State Executive Board be authorized to pursue the restructuring and relocation of the Book Store operations to the State Office and to make long range plans for this ministry.

3. We recommend that the funds for the loan payments on the \$150,000.00 note come from the following sources. The State Mission Board - 12 payments, State C.E. Board - 2 payments, and Hillsdale be responsible for the balance of the note.

EXECUTIVE SECRETARY REPORT

I have had the privilege to be in many of our churches and associations this year. Oklahoma Free Will Baptists have permitted me to share the needs of all our denominational ministries and have responded to those needs.

I sponsored a bus trip to the Leadership Conference in Nashville in December and planned a Minister's Retreat in March. It proved to be a real blessing to those who were able to attend.

Because of your faithfulness, I am happy to report another record year in cooperative giving. The amount this year was \$388,581. To God be the glory!

STATE ASSOCIATION OF FREE WILL BAPTISTS
Financial Statements
June 30, 1995 and 1996
Together With Auditor's Report Thereon

July 10, 1996

To the Executive Board:

We have audited the accompanying statement of financial position of the Oklahoma State Association of Free Will Baptists as of June 30, 1996 and 1995, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the State Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed on Note (7) to the financial statements, during the year ended June 30, 1996, the State Association changed its method of accounting for contributions and its method of financial reporting and financial statement presentation.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Oklahoma State Association of Free Will Baptist as of June 30, 1996 and 1995, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles.

STATE ASSOCIATION OF FREE WILL BAPTISTS NOTES TO FINANCIAL STATEMENTS JUNE 30, 1996 AND 1995

(1) - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The State Association of Free Will Baptists is a non-profit organization designed to provide central leadership and representation for the Free Will Baptists of Oklahoma and to handle certain receipts and disbursements of the Free Will Baptist Churches. The standards require that we plan and perform the audit to obtain reasonable assurance about whether Association uses fund accounting, whereby the net assets represents the equity the Association has in its assets.

The State Association governs the following auxiliary functions, the Oklahoma Free Will Baptist Bookstore, the Board of Church Extension, Missions and Evangelism,

and the Christian Education Board. Combined financial statements are not prepared for these functions because meaningful information would not result from presenting combined financial statements.

Property and Equipment - Property and equipment are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Expenditures for repairs and maintenance are charged to operations when incurred while major betterments and renewals are capitalized.

The following useful lives were used to calculate depreciation:

Buildings	15 years
Building Improvements	10 to 15 years
Furniture, Fixtures & Equipment	5 years

(2) - NOTE RECEIVABLE

The State Association loaned the Oklahoma Free Will Baptist Bookstore \$35,000 in May 1994. The note receivable bears an interest rate of 6.5% and is unsecured. Monthly principal and interest payments of \$500 are received. The loan is expected to be repaid in May 1999. The following represents a summary of the principal maturities over the next three years:

<u>Year ending June 30,</u>	
1997	6,306
1998	11,021
1999	<u>9,031</u>
	<u>\$26,358</u>

(3) - DESIGNATED CONTRIBUTIONS PAYABLE

To provide timely payment of designated contributions to recipients, receipts through the 20th of each month are disbursed to recipients by the end of each month. The designated contributions payable consists of the total of designated contributions received between June 20 and June 30.

(4) - COOPERATIVE CONTRIBUTIONS AND EXPENDITURES

The State Association receives contributions to be cooperatively allocated among board approved organizations. The percentage allocation of Cooperative Contributions for the year ended June 30, 1996 and 1995 was as follows:

	<u>June 30,</u>	
	<u>1996</u>	<u>1995</u>
State Association	22%	22%
Hillsdale College	33%	33%
State Mission Board	15%	15%
Christian Education Board	6%	6%
National Association of Free Will Baptists	<u>24%</u>	<u>24%</u>
	100%	100%

(5) - CONTINGENT LIABILITIES

The State Association has signed noted agreements as guarantor for several developing churches. Historically, none of these churches have defaulted on these note agreements and the State Association believes it is unlikely any of these will default on these loans in the future. However, should these churches become unable to meet their debt service, the State Association will be liable for payment of the debt. A complete listing of outstanding loans for Free Will Baptist Churches for which the Oklahoma State Association of Free Will Baptist has guaranteed is not available.

(6) - LONG-TERM DEBT

The State Association is obligated as primary borrower on a promissory note to an individual in the amount of \$150,000. This debt is secured by a mortgage on the real estate and payable in monthly installments of \$3,012 including interest accruing at 7.5% beginning August, 1996. Principal payment maturities for the years ending June 30th are as follows:

1997	\$ 23,523
1998	27,574
1999	29,715
2000	32,022
2001	34,507
Thereafter	<u>2,659</u>
	<u>\$ 150,000</u>

(7) - CHANGE IN ACCOUNTING PRINCIPLES

The State Association elected to adopt Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions and SFAS No. 117, Financial Statements for Not-for-Profit Organizations as of June 30, 1996. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Under SFAS No. 116, such contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon fulfillment of the donor's specifications. Under SFAS No. 117, the State Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the State Association is required to present a Statement of Cash Flows. As permitted by this new Statement, the State Association has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required.

(8) - RECLASSIFICATIONS

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTES TO FINANCIAL STATEMENTS

General - The financial statements of the Bookstore have been prepared on the accrual basis of accounting, wherein income and expense are recorded as they are earned or incurred. STATE MISSION BOARD REPORT

EL RENO: Major efforts this year have been directed toward the new building that was completed in April, 1996. This 7,420 sq. ft. building will seat over 200 in the sanctuary; has a kitchen and dining area; an upstairs over the educational facilities; classrooms and a pastor's office; baptistry; steeple; and concrete parking lot. The Mission Board made a 20 year loan for \$175,000 from Broadhurst Foundation for this building.

We are so grateful to the many individuals who worked on the building. A number of people from "Helping Hands Crew" came to help during hot days last summer. Special thanks to Garry Depperschmidt, Don Allen, and Pascal Bevans for their contributions in completing the plumbing, electrical, and heat & air conditioning. Our gratitude, also, to Gene and Danny Hawkins who spent many days doing tractor work on parking, landscaping, etc. A special thanks to Charles (Chuck) Wood for the months of hard labor he contributed in so many different areas.

A number of El Reno folks gave many days of labor and were so delightful to work with. Ladies from the church provided some wonderful meals for workers at different times. Pastor Homer Young put in more time than anyone else, often starting before daylight and working into the night. Mission Director Berton Perry, acted as builder and superintendent.

Brother Young reported that their Sunday morning worship average for the year was 46 and the highest attendance for any Sunday was 192. He hopes to reach an average of 100 as soon as possible. He feels that this number will give enough financial base to support all expenses, building payments, and pastor's salary.

ENID: During the year, six new families have been added to the church, seven were saved, and a number were rededicated. The average Sunday School attendance for the year was 37 and worship average was 57.

Pastor Bill Adcock and his wife Betty, have faced many health difficulties in their family since accepting the Enid Church. Both he and his wife are having health problems and each have learned recently that both of their fathers are seriously ill. Betty's father has been diagnosed with pancreatic cancer and Bill's father recently suffered a heart attack and was told he has congestive heart failure.

Please remember the Adcock family and the Enid Church during these trying times.

MISSION BOARD NEWS: The Mission Board was notified in June that State Mission Director Berton Perry resigned to accept a church in Arkansas.

Berton began serving in this position November 1, 1983. He has served as interim pastor of five missions during these years including: Bartlesville, Crystal Hills in Lawton, Fort Gibson, Hugo, and Enid, for a combined total of 29 months. He acted as builder and superintendent in constructing new buildings at Glenpool, Hugo, and El Reno. Carpentry repairs and additions were also conducted at Elk

City, Vinita, Weatherford, Enid and East Latimer in Tulsa, totaling 33 months.

Other ways he served included: scheduling itinerary services for Foreign, Home, and State Missionaries; serving as Board treasurer and bookkeeper, office secretary, promotional director (promoted in 246 Oklahoma churches during those years), fund raiser, and State Missionary advisor and counselor.

The Board plans to fill this position sometime in the future.

During our June Board meeting, we were told that in compliance with the called State Association meeting in March, the State Executive Board borrowed \$150, 000 for Hillsdale. Our Board voted that beginning August 1, 1996, we will make the \$3012.49 monthly payments on this money borrowed for Hillsdale for a period of up to one year or until a new Mission Director is secured.

OKLAHOMA STATE ASSOCIATION OF
FREE WILL BAPTISTS
BOARD OF CHURCH EXTENSION, MISSIONS
AND EVANGELISM

July 11, 1996

TO THE STATE ASSOCIATION OF FREE WILL BAPTISTS
INDEPENDENT AUDITOR'S REPORT

We have audited accompanying statement of assets, liabilities, and net assets - cash basis of the Oklahoma State Association of Free Will Baptists Board of Church Extension, Missions and Evangelism (the Board) as of June 30, 1996 and 1995, and the related statement of revenues, expenses, and other changes in net assets - cash basis for the years then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

As further discussed in Note 1 to the financial statements, during the year ended June 30, 1996 the Board changed its method of accounting for contributions and its method of financial reporting and financial statement presentation.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Oklahoma State Association of Free Will Baptists Board of Church Extension, Missions and Evangelism as of June 30, 1996 and 1995, and the revenues, and expenses and other changes in net assets for the years then ended, on the basis of accounting described in Note 1.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1996 AND 1995

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Oklahoma State Association of Free Will Baptists Board of Church Extension, Missions and Evangelism (the Mission Board) is an auxiliary function of the State Association of Free Will Baptists created to assist in the establishment

of Free Will Baptist churches in the state of Oklahoma. The Mission Board does not combine their financial statements with those of the State Association of Free Will Baptist.

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts are maintained in accordance with the principles of fund accounting. Net assets, representing resources to be utilized for various purposes, are classified for accounting and reporting purposes in accordance with the nature of the donors' restrictions, when applicable.

The Board's policy is to prepare its financial statements on the cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. There are no material receivables/payables at year end.

The Board is exempt from federal and state income taxation under Section 501© (3) of the Internal Revenue Code.

Salaries and benefits represent amounts paid to Mission Church ministers.

Restricted cash represents unexpended restricted donations.

As of June 30, 1995, the Board elected to adopt Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Board is required to report information regarding its assets and liabilities and support, revenue and expenses according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Board has reclassified its financial statements to present the three classes of net assets required. This reclassification had no effect on net assets for the year ended June 30, 1996.

NOTE 2 - ENDOWMENT TRUST

Funds of \$1,000 are on deposit with the National Free Will Baptist Association as a permanent endowment trust for future use of the Board.

**HILLSDALE FREE WILL BAPTIST COLLEGE
REPORT TO THE
OKLAHOMA STATE ASSOCIATION OF FREE WILL BAPTISTS**

Hillsdale Free Will Baptist College stands as a testimony of the vision of Oklahoma Free Will Baptists and the abundant blessings of the God they serve. People who have seen the need for Christian higher education-training men and women for effective life and service for Jesus Christ-have provided faithful and sacrificial support for the advancement of the kingdom of God and our youth.

Hillsdale Free Will Baptist College is, and always has been, a work of faith. In committing to a worthy cause, the college's supporters believed that God would provide the resources that were needed for success. Through the years, God has honored us by calling qualified people to serve, by sending students with ready minds and hearts, and by leading people to responsible stewardship in supporting the college.

In 1996, Hillsdale faced circumstances that had that potential of altering the college's future in ways that could not be predicted. The ongoing difficulties in maintaining accreditation by the Oklahoma State Regents for Higher Education had seemingly come to an unfortunate end; but the enactment of HB 2466 provided an unexpected, un hoped for opportunity for Hillsdale. The new law provides for the recognition of Hillsdale's accreditation status with the Transnational Association of Christian Colleges and Schools (TRACS). TRACS is authorized by the United States Secretary of Education to accredit colleges that meet acceptable accreditation standards. Hillsdale was granted reaccreditation status (candidacy) by TRACS in 1995.

The Board of Trustees and the administration are resolved to pursue the improvement and advancement of the college, thus fulfilling the vision of our founders and serving our church and youth. With the resolution of the accreditation crisis, the college's leadership can now devote its undivided attention to the business of interpreting and enacting the mission of Hillsdale Free Will Baptist College. Wise planning, fiscal responsibility, and diligent work-these are the commitments that the college makes to Oklahoma Free Will Baptists. But, caution cannot exclude the willingness to dream and to take the risks that will lead Hillsdale into its most glorious days.

The partnership between Hillsdale Free Will Baptists has produced an impact on our world that far exceeds what might be expected of a small college. The question, "Is it worth it?", is a worthy consideration, and the answer is "Yes!" Nearly forty years ago, Oklahoma Free Will Baptists decided that they could not afford to neglect the training of our youth for life and service in God's kingdom, and God has blessed that decision. May we continue in partnership for the cause of Christ and Christian higher education.

HILLSDALE FREE WILL BAPTIST COLLEGE
AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE
BASED ON AN AUDIT OF THE BASIC
FINANCIAL STATEMENTS

August 15, 1996

To the Board of Directors,

We have audited basic financial statements of Hillsdale Free Will Baptist College as of and for the year ended June 30, 1996 and have issued our report thereon dated August 15, 1996.

We conducted our audit in accordance with generally auditing standards; *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

The management of Hillsdale Free Will Baptist College is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors, irregularities, or instances of noncompliance may nevertheless occur and not be detected. Also, projection of any evaluation of the structure of future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the basic financial statements of Hillsdale Free Will Baptist College for the year ended June 30, 1996, we obtained an understanding of the College's internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the basic financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses.

We also noted other matters involving the internal control structure and its operation that we have reported to the management of Hillsdale Free Will Baptist College, in a separate letter dated August 16, 1996.

This report is intended solely for the use of management and the U.S. Department of Education. However, this report is a matter of public record, and its distribution is not limited.

HILLSDALE FREE WILL BAPTIST COLLEGE
AUDITOR'S REPORT ON COMPLIANCE BASED ON
AN AUDIT OF THE BASIC FINANCIAL STATEMENTS

August 15, 1996

To the Board of Directors

We have audited the basic financial statements of Hillsdale Free Will Baptist College as of and for the year ended June 30, 1996, and have issued our report thereon dated August 15, 1996.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the June 1996 Audit Guide, *Compliance Audits of Federal Student Financial Assistance Programs at Participating Institutions*, issued by the U.S. Department of Education, Office of Inspector General. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws, regulations, contracts, and grants applicable to Hillsdale Free Will Baptist College is the responsibility of the College's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatements, we performed tests of the College's compliance with certain provisions of laws, regulations, contracts, and grants. However, the objective of our audit of the basic statements was not to provide and opinion on overall compliance with such provisions. Accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance that are required to be reported herein under *Government Auditing Standards*.

This report is intended for the information of the audit committee, management, and the U.S. Department of Education. However, this report is a matter of public record and its distribution is not limited.

HILLSDALE FREE WILL BAPTIST COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1996 AND 1995

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The significant accounting policies followed by the Hillsdale Free Will Baptist College (the College) are described below to enhance the usefulness of the financial statements to the reader.

Accrual Basis - The financial statements of the Hillsdale Free Will Baptist College have been prepared on the accrual basis of accounting. The statement of current funds revenues, expenditures, and other changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

Fund Accounting - To ensure observation of limitations and restrictions placed on the use of the available resources, the accounts of the College are maintained in accordance with principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each funds. However, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Investment in plant - Investments recorded in the plant are recorded at cost. Depreciation is calculated using the straight-line method over estimated useful lives of assets as summarized below:

Buildings	20 to 50 years
Land Improvements	20 years
Equipment	3 - 15 years
Library Books	10 years

Tax Exempt Status - The College is exempt from income taxation under Internal Revenue Code Section 501 © (3).

Cash - For purposes of the statement of cash flows, cash includes cash on hand and cash in checking and savings accounts of the current unrestricted and temporarily restricted funds.

Implementation of FAS #116 and #117 - The College has implemented FAS #116 which among other things distinguishes between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. The College has also implemented FAS #117, which requires the three basic financial statements presented and the schedule of functional expenses. The College has classified gifts where the donor has imposed restrictions as either permanently restricted or temporarily restricted net assets of the current fund. Endowment funds by nature are permanently restricted. Loan funds and grant funds are not classified into the three classes.

NOTE 2 - INVESTMENTS

Investments are recorded at cost. As of June 30, 1996 and 1995, investments of the current permanently restricted funds were composed of the following:

	<u>1996</u>	<u>1995</u>
Bond Unit Investment Trust	\$ 10,728	\$ 2,934
Certificates of Deposit	<u>-</u>	<u>149,328</u>
Total Investments	<u>\$ 10,728</u>	<u>\$152,262</u>

NOTE 3 - PERKINS LOAN FUND

The loan fund reflects activity with respect to the Perkins Student Loan program which is funded primarily by the Department of Education. The College provides matching funds equal to one-ninth of the federal funds received.

NOTE 4 - ENDOWMENT FUND

During the fiscal year ended June 30, 1983, the governing board of the College determined that certain funds were to be retained and invested as an endowment. The board stipulated that the principal is to remain invested and the interest income is to be placed in the current unrestricted fund. Gifts to the Endowment Fund totaled \$1,095 and \$1,752 for fiscal year ending June 30, 1996 and 1995, respectively.

The following is a schedule of the book values and market values of investment in the Endowment Fund:

	<u>June 30, 1996</u>		<u>June 30, 1995</u>

As of June 30, 1996, all funds borrowed from the Current Restricted Fund had been fully repaid from Current Unrestricted Fund, however, the Current Unrestricted Fund was indebted to the Endowment Fund for \$137,500.

NOTE 7 - TAX SHELTERED ANNUITY PROGRAM

The College offers a tax sheltered annuity program to its permanent employees under Internal Revenue Code Section 403 (b). Employees can make elected contributions and the College matches up to 5% of the employees salary. For the year ending June 30, 1996 and 1995, the College made matching contributions of \$21,600 and \$15,872, respectively to the participants accounts.

NOTE 8 - LOANS TO STUDENTS

During fiscal years ended June 30, 1996 and 1995, the College made loans to students from temporarily restricted donations. Proceeds from the repayment of these loans will be used for future student loans.

OKLAHOMA FREE WILL BAPTIST CHRISTIAN EDUCATION BOARD REPORT

The Christian Education Board ministered to the needs of Oklahoma Free Will Baptist through seven different events this past year. There were over 2,300 in attendance with several saved and a number of rededications and decisions.

Our 2nd Great Youth Escape was held in two cities on September 9, 1995. The First Free Will Baptist Church of McAlester hosted 127 teens and juniors with Randall Ray and Greg Cleveland speaking to these young people. The New Home Free Will Baptist Church of Tulsa was the site of 230 young people who heard Bro. Toby Youngblood speak to the teens while the juniors heard Bro. Danny Phillips. Three "escapes" are planned, at press time, for September 14, 1996.

Fountainhead Resort, on Lake Eufaula, was the site of the State Youth Conference. It was held on December 28-29, 1995 with Roy Dale Smith, Brad Ransom, Russell Payne and Joey Wilson speaking at the four different sessions. There were 315 in attendance this year.

Our seventh Teen Leadership Conference was held at the Rejoice Free Will Baptist Church in Owasso. Jerry Kasse, Joe Grizzle and Scot Bullman spoke to the teens on the different topics of leadership. There were 43 teens in attendance. The conference was held March 8-9, 1996.

The Senior Adult Retreat continues to be one of our most exciting events of the year. This year it also showed the greatest increase in attendance. Bill Jones and J.C. Morgan preached and the Oklahoma Minister's Quartet sang to 200 senior adults. The retreat was held at Western Hills Lodge, near Wagoner, on March 18-20, 1996.

The 1996 State C.T.S. competition was held on the campus of O.B.U. on May 11, 1996. Over 600 people competed or observed 202 entries compete. Oklahoma was represented by 82 entries at the National Youth Conference held in Fort Worth, TX on July 21-24, 1996. Katie Beam, from the Bethany Free Will Baptist Church, was selected for the National Youth Evangelistic Team. Katie was also selected as the female young person of the year. The youth group from Norman First Free Will Baptist Church was selected as Youth Group of the Year at the National. Bro. Joey Wilson is their Youth Pastor. Congratulations to both Katie and this Youth Group.

State Youth Camp was held June 17-21, 1996 at the Kiamichi Baptist Association Campgrounds. Once again we were able to combine the juniors and teens into one week. A total of 667 campers and sponsors attended camp this year. Bruce Bennett preached for the Junior camp while Collision Ministries (Kevin Riggs, Evangelist; Mike Hollifield, Music) conducted the teen services. Thirty-nine young people were saved and made other decisions for Christ.

The Oklahoma Land Run is still underway. Many of our young people are raising and saving money for this important mission project. We made our first disbursement of those funds this year:

\$5,000 going to the orphanage in Brazil

\$2,500 going to the land fund in Overland Park, KS

\$2,500 going to the El Reno Mission Church

We challenge all of our young people to get involved in this mission project.

Paul Allen is no longer serving the board as promotional secretary or as a technical advisor. We appreciate all that Paul did for our board during the years he served on the board and was employed by the board.

We are thankful for all the Lord's blessings on our ministry this past year. We desire your prayers and your input.

Roy Dale Smith, Chairman

OKLAHOMA FREE WILL BAPTIST
CHRISTIAN EDUCATION BOARD OF DIRECTORS
INDEPENDENT AUDITOR'S REPORT

August 26, 1996

We have audited the accompanying statement of assets, liabilities, and net assets - cash basis of the Oklahoma State Association of Free Will Baptists Christian Education Board (the Board) as of June 30, 1996 and 1995, and the related statements of revenues, expenses, and other changes in net assets - cash basis for the years then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

As further discussed in Note 4 to the financial statements, during the year ended June 30, 1996 the Board changed its method of accounting for contributions and its method of financial reporting and financial statement presentation.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the Oklahoma State Association Christian Education Board as of June 30, 1996 and 1995, and the revenues, expenses and other changes in net assets for the years then ended, on the basis of accounting described in Note 1.

OKLAHOMA FREE WILL BAPTIST
CHRISTIAN EDUCATION BOARD NOTES
TO FINANCIAL STATEMENTS
JUNE 30, 1996 AND 1996

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Oklahoma State Association of Free Will Baptists Christian Education Board is an auxiliary function of the State Association of Free Will Baptists created to assist in the establishment of Free Will Baptist churches in the state of Oklahoma. The Christian Education Board does not combine their financial statements with those of the State Association of Free Will Baptists because meaningful information would not result from presenting combined financial statements.

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts are maintained in accordance with the principles of fund accounting. Net assets, representing resources to be utilized for various purposes, are classified for accounting and reporting purposes in accordance with the nature of the donors' restrictions, when applicable.

The Board's policy is to prepare its financial statements on the cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when cash is paid rather than when the obligation is incurred. There were no material receivables or payables at year end.

Equipment items are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which is 3 years. Expenditures for repairs and maintenance are charged to operations when incurred while major betterments and renewals are capitalized.

The Board is exempt from federal and state income taxation under Section 501 (c)(3) of the Internal Revenue Code.

The Board receives a percentage of the cooperative giving program sponsored by the State Association of Free Will Baptists.

Restricted cash represents unexpended restricted donations.

(2) RESTRICTED FUNDS

The Board sponsored a fund raising program and received \$7,772 of restricted contributions. The purpose of the contributions is for missions.

(3) RECLASSIFICATIONS

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

(4) CHANGE IN ACCOUNTING PRINCIPLES

The State Association elected to adopt Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions and SFAS No. 117, Financial Statements of Not-for-Profit Organizations as of June 30, 1996. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Under SFAS No. 116, such contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon fulfillment of the donor's specifications. Under SFAS No. 117, the State Association is required to report information regarding its financial position activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. This reclassification had no effect on net assets for the year ended June 30, 1996. In addition, the State Association to present a Statement of Cash Flows. As permitted by this new Statement, the State Association has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required.

HISTORICAL COMMISSION REPORT

The primary purpose of the Historical Commission is to collect and preserve important historical information about Free Will Baptists, and particularly about Free Will Baptists in Oklahoma. The Commission also seeks to encourage research and writing in Free Will Baptist history.

The Historical Commission had one official meeting this year to review our progress and make plans for next year. During this past year we continued collecting past and present copies of national, state, and district minutes. We have also collected copies of Contact, Heartbeat, The Promoter, and other Free Will Baptist publications. We also obtained a rack which can be used for storing cassette tapes of historical interest. During the past year, the secretary has

responded to requests for information from several individuals. Generally these requests come from people who want to know what information the Historical Commission has on a particular subject.

During 1996-97 we plan to work on the following projects.

1. We plan to work with Mrs. Nancy Draper, Director of the Hillsdale Learning Resource Center, to develop written guidelines for collecting, preserving, and using the historical materials in the historical collection.

2. We plan to continue expanding our collection of state and district minutes from Oklahoma. We have a list of minutes which are lacking in the collection, and we invited Free Will Baptists to donate any of these minutes which they may have to the collection.

3. We plan to continue collecting historical information about Oklahoma Free Will Baptists, local churches, and district associations to be included in the vertical file. Free Will Baptists are encouraged to donate any type of written historical information which can be included in the file.

4. We plan to write every district clerk in Oklahoma encouraging him or her to send a copy of the district minutes to the historical commission each year.

5. We plan to encourage local churches and associations to prepare histories. We will certainly make any information we have available to them. We would like to have a copy of the written history to be included in the historical collections.

6. We need some help from Free Will Baptists in arranging and organizing the historical collection. If you have some time you would like to donate to this project, please contact the secretary.

We have not spent any funds this past year, but we will need some funds to complete the projects we are planning for next year. We request a budget of \$500.00 again this year. These funds are to come through the state office budget.

Thank you for your support of the commission and its work. If we can do anything to be of service to you, please let us know. The address is:

ARTICLES OF FAITH OF STATE ASSOCIATION

1. THE BIBLE - The Scriptures of the Old and New Testament were given by the inspiration of God, and are our infallible rules of faith and practice.

2. GOD - There is one living and true God, revealed in nature as the Creator, Preserver and Righteous Governor of the Universe, and in the Scriptures as the Father, Son and Holy Ghost, yet as one God, infinitely wise and good, whom all intelligent creatures are supremely to love, adore and obey.

3. CHRIST - Christ is God manifest in the flesh: in His divine nature truly God, in His human nature truly man. The mediator between God and man, once crucified, He is now risen and glorified as our ever-present Savior and Lord.

4. THE HOLY SPIRIT - The Scriptures assigns to the Holy Spirit all the attributes of God. He is the Reprover, Comforter, Guide and Sanctifier of all men.

5. THE GOVERNMENT OF GOD - God exercises a wise and benevolent providence over all beings and all things by maintaining the constitution and laws of nature. He also performs special acts of Grace, not otherwise provided for as highest welfare of man requires.

6. THE SINFULNESS OF MAN - Man was created innocent, but by disobedience fell into a state of sin and condemnation. His posterity, therefore inherited a fallen nature of such tendencies that all who come to years of accountability, sin and become guilty before God.

7. THE WORK OF CHRIST - The Son of God, by His incarnation, life, suffering, death, and resurrection effected for all a redemption from sin that is full and free and is the ground of salvation by faith.

8. THE WORK OF SALVATION - The conditions of salvation are:

1. Repentance or sincere sorrow for sin and the hearty renunciations of it.
2. Faith or the unreserved committal of one's self to Christ as Savior and Lord, with purpose to love and obey Him in all things. In the exercise of saving faith the soul is renewed by the Holy Spirit; freed from the dominion of sin and becomes a child of God.
3. Continuance in faith and obedience until death.

9. ELECTION - God determined from the beginning to save all who should comply with the conditions of salvation. Hence by faith in Christ, men become His elect.

10. FREEDOM OF WILL - The Human will is free and self controlled, having power to yield to the influence of the truth and the Spirit and live, or to resist them and perish.

11. SALVATION FREE - God desires the salvation of all, the Gospel invites all, the Holy Spirit strives with all, and whosoever will may come and take the water of life freely.

12. PERSEVERANCE - All believers in Christ, who through grace preserve in holiness to the end of life, have the promise of eternal salvation.

13. BACKSLIDING AND APOSTASY - A person who has been regenerated or born again and is living in unconfessed, unforgiven sin, is rebellious to the principles of the Kingdom of God and His righteousness, and therefore is a backslider in a lost condition who must repent and be restored to the right relationship with God or be eternally lost. We recognize, according to Hebrews 6:4-6, that it is possible for a person to get in the condition that he could never return to Christ. This, we believe, is Apostasy; however, we also recognize that a regenerate person can fall into sin, be in a lost condition and still not be an Apostate. This person, through repentance, can be reconciled to God.

14. GOSPEL ORDINANCES - Baptism, or the immersion of believers in water, and the Lord's Supper, are ordinances to be perpetuated under the Gospel; Feet Washing, an ordinance teaching humility, of universal obligation, and be administered to all true believers.

15. TITHING - God commanded tithes and offerings in the Old Testament; Jesus Christ endorsed in the Gospel (Matt. 23:23), and the Apostle Paul said, "Upon the first day of the week let every one of you lay by him in store as God hat prospered him." I Cor. 16:2.

16. THE CHRISTIAN SABBATH - The divine law requires that one day in seven be set apart from the secular employment and amusements for rest, worship, holy works and activities, and for personal communion with God.

17. RESURRECTION, JUDGMENT, AND FINAL RETRIBUTION - The Scriptures teach the resurrection of all men at the last day. They that have done good will come forth to the resurrection of life, and they that have done evil unto the resurrection of damnation: then the wicked shall "Go away into eternal punishment but the righteous into eternal life."
