Executive Director's Report

Let me begin this report by expressing thanks first to the State Association for giving me this opportunity to serve Christ and our Oklahoma Free Will Baptist churches, and secondly to Brother Ernest and Sister Brenda Harrison for their ministry among us for the past nine years. They along with the many directors and assistants before them have helped move the cause of Christ forward among us. Brother Ernest was steadfast in reminding us all that "Together Everyone Achieves More".

I am praying that God will allow this office to be instrumental in helping our churches across the state of Oklahoma to see their potential in fulfilling the Great Commission of our Lord. As we keep our focus on Biblical authority, Biblical unity and Biblical direction for our programs, may our vision of what can be achieved be so great that when realized all will recognize it was God's doing.

Our Co-op giving for last year was approximately \$654,000. Total income channeled through the state office was once again over 2 million dollars. Thank you for your faithful giving to the various aspects of denominational work.

The Arms of Compassion ministry continues to progress under the direction of Bro. John Hewett. Bro. John not only channels money to various worthy projects, he is personally doing compassion ministry throughout the year whether it is in the form of promoting the work of ACM, counseling, giving direction to potential foster and adoptive parents or in directing disaster relief work efforts. He is active throughout the state and would be delighted to come and present the work of ACM to your local church.

Sheri Jenson has been hired as the executive assistant and she along with Rusty and myself are here to serve our state work. Do not hesitate to drop by the office, call or email when we can be of assistance.

Thank you for all you do for Christ and His Kingdom.

Arms of Compassion Report

Dear Compassionate Oklahomans:

Thank you so much for your kind compassion over the past year. Due to your care and giving, the hearts and lives of hurting children and families from around the world have been touched with the compassion of Christ. ACM has continued its efforts in the recruitment and support of foster and adoptive families, issuing compassion grants as well as sending out numerous Journey Packs, Care Kits, and Bibles. We responded with hundreds of volunteer hours and funding during the recent Oklahoma ices storms, flooding, and various other natural disasters. We have also continued our support of various worldwide hunger relief ministries, compassion ministries, and orphanages. We are constantly looking for opportunities to give and to serve *"the least of these"*, and God continues to open doors for us to do so. We look forward to another year of compassionate giving and hope you, your church, and your association will consider joining us in our obedience to His second greatest commandment, *"Love your neighbor."* Remember - *"Every dollar (and every minute) truly does make a difference!"*
Thank you for caring!!!

In Christ,

John M. Hewett

INDEPENDENT AUDITORS' REPORT

To the Executive Board
Oklahoma State Association of Free Will Baptists

We have audited the accompanying statement of financial position of the Oklahoma State Association of Free Will Baptists as of June 30, 2007 and 2006 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the State Association's management. Our responsibility is to express an opinion on these financial statements based on our audits. The financial statements of the Oklahoma State Association of Free Will Baptists as of June 30, 2006, were audited by other auditors whose report dated September 8, 2006, expressed an unqualified opinion on those statements.

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Oklahoma State Association of Free Will Baptists as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

OKLAHOMA STATE ASSOCIATION OF FREE WILL BAPTISTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2007 AND 2006

(1) ORGANIZATIONAL AND SIGNIFICANT ACCOUNTING POLICIES

Organization – The Oklahoma State Association of Free Will Baptists (the State Association) provides central leadership and representation for the Free Will Baptists of Oklahoma and processes certain receipts and disbursements of the Free Will Baptists Churches. The Oklahoma State Association of Free Will Baptists also governs the following auxiliary functions: the Literature Center; the Board of Church Extension, Missions and Evangelism; and the Christian Education Board. Combined financial statements are not prepared for these functions because meaningful information would not result from presenting combined financial statements.

Arms of Compassion Ministry – During the year ending June 30, 2006, the Executive Board adopted the Arms of Compassion Ministry as an official ministry of the Oklahoma State Association of Free Will Baptists. The purpose of the ministry is to equip the local church for, and to serve as its extension ministering to the physical, emotional, and spiritual needs of hurting children and families around the world. This Ministry remains an integral component of the State Association.

Basis of Accounting – The financial statements of the State Association have been prepared on the accrual basis of accounting, where income and expenses are recorded as they are earned or incurred.

Cash and Cash Equivalents – For purposes of the statement of cash flows, cash includes cash on hand and cash in checking and savings accounts of the unrestricted and temporarily restricted funds. Cash equivalents include all highly liquid investments with maturity of three months or less.

Property and Equipment – Property and equipment are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Expenditures for repairs and maintenance are charged to operations when incurred while major improvements and renewals are capitalized.

The following useful lives were used to calculate depreciation:

Building	15 years
Building Improvements	10 to 15 years
Furniture, Fixtures & Equipment	7 years

Donations of property and/or equipment would be recorded as support by the State Association at its estimated fair value, when a voluntary and unconditional transfer of the asset has occurred.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2007 AND 2006

(1) ORGANIZATIONAL AND SIGNIFICANT ACCOUNTING POLICIES (con't)

Income Taxes – The State Association is a not-for-profit organization associated with the Free Will Baptist religious denomination and is exempt from federal and state income taxation. Therefore, no provision has been made for income taxes in the accompanying financial statements.

Estimates – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Basis of Presentation – Net assets and revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Board pursuant to those stipulations or that expire by the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Board. Generally, the donors of such assets permit the Board to use all or part of the income earned on the assets.

(2) – COOPERATIVE CONTRIBUTIONS AND EXPENDITURES

(3) - CONTINGENT LIABILITIES

The State Association has signed note agreements as guarantor for several developing churches. Historically, none of these churches have defaulted on these note agreements and the State Association believes it is unlikely that any of these churches will default on their loans in the future. However, if these churches become unable to meet their debt service, the State Association will be liable for payment of the debt. Following is a complete list of the obligations that the State Association has guaranteed and remain outstanding as of June 30, 2007:

State Missions Board Annual Report for 2006

The Oklahoma State Mission Board has now completed nine years with the Total Support Program in place. Total missions giving, including TSP and designated to missionary accounts was \$663,739.02 of which \$30,000 was a gift from the HIS Foundation. In the beginning of TSP one of our major goals was to get all missionary accounts out of the red. In January, 1998, the beginning of TSP there was a cumulative deficit in missionary accounts that exceeded \$44,000. For the past few years, no missionary accounts have continued in the red and as of this meeting no missionary accounts have deficit balances.

The State Mission Board chose Bro. Brad Ransom as the new Mission Director. His organizational skills, creative ideas and energy level led the board to select him to continue the vision and work of TSP. If you would like to have Bro. Brad in your church for a service, please feel free to contact him at the State Mission office at (405) 912-9036.

Communication continues with South Grand River Association to plant a FWB church in Grove, Oklahoma. Discussions are underway with potential candidates to serve as church planter and we hope to have this work underway in the very near future. Communication also continues with First Oklahoma Association about the possibility of partnering together to plant a FWB church in Piedmont, Oklahoma.

Heartland FWB Church and Dennis and Leanne Cariker have gone self supporting as of October, 2006. Plaques and recognition were given last year at the State meeting for a job well done. Heartland continues to do well and we appreciate the labor and sacrifice of all who made this church successful.

Many of our TSP projects continue to do well. The Hispanic work in Bartlesville with Bro. Alfredo Botello continues to see people saved and attendance continues to climb. Internationally, the works in Panama, France and the Hanna Project continues to give good reports and many churches are being established and souls won to the kingdom. Nationally, our TSP works across the U.S. and Mexico are exciting and we constantly hear of people being saved in these works.

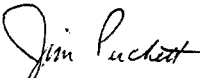

Since the inception of TSP, the following works have gone self supporting and are now full time works:

- Chris Clay, Indianapolis, IN
- Jeff Sloan, Ft. Wayne, IN
- Ron Parker, LA
- David Arteaga, Hispanic Oklahoma City
- Darrell Smith, Portland, OR
- Bill Phillips, Salt Lake City, UT
- Ricky Morris, Chandler, AZ
- George Harvey, Gilbert, AZ
- Brad Hanna, Oak Hills, Edmond, OK
- Dennis Cariker, Heartland, Norman, OK

Bro. Jeff Sloan gives credit to TSP stating that in Indiana, there were only six FWB churches and they were unable to support a mission work. With the support of Oklahoma FWB and TSP, both Chris Clay and Jeff Sloan were able to establish self supporting churches and Indiana now has two additional Free Will Baptist Churches and the state now is able to support fully their own missionaries.

Our commission as Christians is to go into all the world. There are no boundaries in the eyes of God. TSP gives us an opportunity to carry out God's command as we join together in witnessing, praying and giving that His name might be preached among all nations. Please continue your support of TSP as we endeavor to preach Christ to a lost and dying world.

That all may hear,

Bro. Jim Puckett, Chairman

INDEPENDENT AUDITORS' REPORT

To the Executive Board
Oklahoma State Association of Free Will Baptists
Board of Church Extension, Missions and Evangelism

We have audited the accompanying statement of assets, liabilities and net assets - cash basis of the Oklahoma State Association of Free Will Baptists' Board of Church Extension, Missions and Evangelism as of December 31, 2006 and 2005, and the related statements of support, expenditures, and other changes in net assets - cash basis for the years then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits. The financial statements of the Oklahoma State Association of Free Will Baptists' Board of Church Extension, Missions and Evangelism as of December 31, 2005, were audited by other auditors whose report dated September 6, 2006, expressed an unqualified opinion on those statements.

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Oklahoma State Association of Free Will Baptists' Board of Church Extension, Missions and Evangelism as of December 31, 2006 and 2005, and the support, expenditures, and other changes in net assets for the years then ended, on the basis of accounting described in Note 1.

OKLAHOMA STATE ASSOCIATION OF FREE WILL BAPTISTS'
BOARD OF CHURCH EXTENSION, MISSIONS, AND EVANGELISM
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005

(1) ORGANIZATIONAL AND SIGNIFICANT ACCOUNTING POLICIES

Organization – The Oklahoma State Association of Free Will Baptists Board of Church Extension, Missions and Evangelism (the Mission Board) is an auxiliary function of the Oklahoma State Association of Free Will Baptists. This Board was created to assist in the establishment of Free Will Baptist churches in the State of Oklahoma and provide mission work around the world from donations received in Oklahoma. The Mission Board does not combine their financial statements with those of the Oklahoma State Association of Free Will Baptists, due to the opinion that meaningful information would not result from presenting combined financial statements.

The Mission Board receives a percentage of the cooperative giving program sponsored by the Oklahoma State Association of Free Will Baptists.

Basis of Accounting – The financial statements of the Mission Board have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Modifications to the cash basis of accounting included recording depreciation on property and equipment and presenting investments at fair value. Revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when the obligation is incurred.

Investments – The Mission Board carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of assets, liabilities and net assets. Unrealized gains and losses are included in the change in net assets in the accompanying statements of receipts, expenditures and other changes in net assets.

Property and Equipment – Property and equipment are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Expenditures for repairs and maintenance are charged to operations when incurred while major improvements and renewals are capitalized.

The following useful lives were used to calculate depreciation:

Automobiles	5 years
Furniture, Fixtures & Equipment	5 years

Income Taxes – The Mission Board is a not-for-profit organization associated with the Free Will Baptist religious denomination and is exempt from federal and state income taxation. Therefore, no provision has been made for income taxes in the accompanying financial statements.

Oklahoma FWB Christian Education Board

Fall Breakaway '06 was held October 20-21, 2006 at **Hillsdale Free Will Baptist College**. Two hundred twenty-five students and Youth Workers gathered for fellowship, worship and fun. The Justin Mann Band led worship and Mike Keahbone challenged our students from God's Word. Many students were encouraged in their walk with Christ that weekend. Due to lack of participation, we will not continue this event. This Spring we will be partnering with Hillsdale College in their On-Campus Days.

The **Senior Adult Retreat** was held **March 12-14, 2007**, at the Western Hills Guest Lodge. One hundred fifty-one people attended. The Oklahoma Minister's Quartet blessed the hearts of attendees as they sang and preached.

The **2008 Senior Adult Retreat** will be **March 10-12, 2008**. As the Minister's Quartet will no longer be able to serve at our retreat, plans are being made to revamp the retreat. New speakers and musicians will be used this coming year. We encourage all pastors to help us promote this event to their senior adults. All pastors are invited, even if they don't qualify as "senior adults".

State CTS Competition was held **May 5, 2007**, on the campus of Hillsdale Free Will Baptist College. The numbers were up from the past few years with 58 entries from OK churches. The winners represented our State Association well at the National Youth Conference in Birmingham, AL, in July. The **2008 State Competition** will be **May 3, 2008**, at Hillsdale Free Will Baptist College.

Our State Camps continue to grow! We set a new record at **Teen Camp** with 1170 campers and sponsors from 40 churches. **Junior Camp** had 613 campers and sponsors. That's a **total of 1,712**. God was definitely at work during each week as evidenced by **numerous salvation decisions and rededications**. We are grateful for the many volunteer workers from our churches. We also greatly appreciate the work of the Hillsdale Recreation Team under the direction of Andrea Douglas and Ryan Akers.

State Teen Camp 08 will be **June 18-13, 2008**. (Note that we will start Teen Camp on a Sunday again.) **Junior Camp** will be **June 23-27, 2008**. Our camp committees are in the process of planning and organizing these events.

The **ChurchTogether Event** was held **September 28-29, 2007**, at Hillsdale College. Two hundred eighty-nine attendees met for a full day of training for all church workers (nursery--adults). Pastor Rob Morgan from The Donelson Fellowship Church was the keynote speaker. He is an incredible communicator! Our next **ChurchTogether Event** will be **September 14-15, 2008**.

We count it an honor to serve Oklahoma Free Will Baptists in this capacity. Thank you for your confidence in us. We ask for your continued prayers for the ministry of the State CE Board..

REPORT OF HISTORICAL COMMISSION

TO: OKLAHOMA STATE ASSOCIATION OF FREE WILL BAPTISTS
MEETING IN ITS 99TH SESSION AT HILLSDALE FWB COLLEGE,
OCTOBER 15-17, 2007

- The Commission members met three times in the past year on February 9, May 9, and August 14. All the meetings were held at the State Office. Travel expense for these meetings totaled \$160.00.
- The Archives Room at Hillsdale FWB College was dedicated during the 2006 session held at Hillsdale on October 9. Room 103 with its special air control system will continue to be updated and reserved for all the historical documents donated and collected by the Association. The commission wishes to thank the Paul Kennedy Family again for its valuable contribution to this project. A lack of funds has delayed the completion of the project but work will continue as funds are available. Nancy Draper, Learning Center Director and member of this commission, deserves much credit for her directions and assistance she has supplied. Thanks to Hillsdale College for its willingness to allow the Archives Room to be housed on its campus in Moore. Thanks also to the individuals, churches, and associations that continue to send articles, minutes, and pictures to be stored here for use by future generations of Free Will Baptists.
- The \$1000.00 contribution received last year which was earmarked for a program to preserve on DVD a biographical and pictorial record of ministers who have served in the State Association remains reserved for its designated purpose. No requests for participation have been received.
- Our major efforts in the past year have been focused on the publication of a 100 year history of Oklahoma Free Will Baptists which will be concluded at the 100th session to be held at Ada, Oklahoma, in October 2008. The commission is making the following recommendation to be considered by the body in this 99th session:
- WHEREAS, there is need for a 100 years history of events and happenings among the churches and associations of the Oklahoma FWB State Association, and WHEREAS, the Historical Commission has been given responsibility for this project, BE IT THEREFORE RESOLVED that the Executive Board of the State Association be authorized to enter into a contractual agreement with the Donning Company Publishers to print and publish 1000 copies of "A Pictorial History of Oklahoma State Free Will Baptist Association" at a cost of \$25,180.00 with a 25% deposit of \$6294.14 to be made at the signing of the contract with the balance due upon receipt of the publication at the State Office in April 2009 or before. We further recommend that the National Association convention fee of \$25.00 for financing the National Association in its session in 2010 at Oklahoma City be extended for one year which will be used to purchase a copy of the pictorial directory for every church participating (approximately 250). A sample book and a copy of proposed contract will be available to study at the State Office booth.
- A \$500 request for this Commission's 2007-08 budget is requested from the General Fund

Hillsdale Free Will Baptist College
Report of the President
To the Oklahoma State Association of FWB 2007

Hillsdale finished last year with an unduplicated headcount of 340 students, which is equivalent to the previous year. The initial census of students for the 2007-2008 college year shows an increase in both first-time and returning undergraduates. The preliminary enrollment shows an increase of 13% overall. One student has returned home after our Deans explained the rules, but in general this student body has been very cooperative. The academic accomplishments of the incoming freshmen make it one of the best prepared groups in the history of the College.

The most dramatic changes are in Dorm occupancy and freshmen enrollment. The dorm counts are up 35% over last year. The on-campus population is approximately 76% of our maximum configuration (130 students in the Dorms and Apartments that could be fitted for 172 beds). An extensive remodeling of Friends Hall was completed this summer and Hillsdale is in the process of adding a number of security features to the residence halls.

With the help of our Oklahoma Women Active for Christ the lighting has been improved on the front Quad and central parking lot. The Moore Police and Fire Departments conducted a series of 4 drills on the campus during the summer. One event included the Norman Fire Department in preparation for a variety of possible emergencies. Also, in light of the recent shootings on campuses around the country the Moore SWAT Team mapped, planned, and drilled in every building on the Hillsdale Campus. Our goal is to provide a secure environment in which our students can thrive.

Thank you to the Arms of Compassion effort that brought supplies to our students that helped them get settled into the Dorms. These gifts allowed the students to save money and feel welcome to the campus. Thanks to John specifically and thanks to all who shared with our students.

Freshmen enrollment is up 42% to 117 students out of which 84 are first-time college students. The general Christian Ministry population is 80. Many of these students start out in Youth Ministry, but will later transition into Pastoral Ministry. The Youth Ministry major has been enhanced with additional courses (i.e., Bible and Homiletics) to better prepare these individuals for broader ministry in the future.

Our Missionaries in Residence at Hillsdale for the 2007-2008 college year are Jeff and Sherri Sloan. These Hillsdale alumni are known most recently for their great work in establishing a church in Ft. Wayne, Indiana. In addition to enriching missions awareness on the campus the Sloans will fill two critical tasks. Sherri will be serving as the Executive Assistant to the President. (Since she is retired

Nadine Followwill has stopped coming to work every day). Jeff is charged with the responsibility of being our Campus Pastor and leading Chapel services. Hillsdale is blessed to have this team on campus, pray for spiritual fruit from their ministry.

Dr. Mark Braisher has served previously as a Board member, adjunct faculty, and intern Director of the Graduate Program. He is now the Hillsdale Vice President of Administration. This position will encompass two major responsibilities. First, he will function as the Chief Financial Officer (CFO) replacing Dan Arnold who retired last year. Second, Mark will replace Steve Ashby as the Graduate Dean. Dr. Ashby, the founding Dean of the Graduate School, requested reassignment from his administrative duties in order to concentrate on teaching his graduate courses. Both tasks are vital to the future of the College. Hillsdale is one of the few evangelical institutions in Oklahoma that offers graduate training for ministry. The stewardship of our finances allows Hillsdale to fulfill her mission into the future.

Hillsdale has secured the services of a Financial Aid Service (Weber & Associates) to handle the increasing work load associated with Federal Student Financial Aid and to ensure that the College is in compliance with the current regulations. In relation to this, the audit included with this report is for the 2006 fiscal year. In order to complete this audit the College had to employ a second audit firm. The new firm is Knutte & Assoc. who have completed and updated our audit documents for submission to the Department of Education. The Department has chosen to review Hillsdale for compliance and some repayment of moneys will be required. The audit firm will complete the audit for the current year after the conclusion of the federal review. The plan is to work through these issues and get the audit cycle back in line with that of the other state agencies.

I was amazed at the response to my appeal letter during April, May, and June. There were three large gifts received by Hillsdale between \$40,000 and \$64,000. These came from an estate disbursement, an anonymous gift, and one of our long time supporting churches. There have been numerous first time donors who contributed during this period and many of our regular contributors have given beyond their normal contribution level. Through all of these efforts what looked like a disaster has turned into a demonstration of God's care for Hillsdale through His people. This response gives me hope that the \$10,000 per day needed to fund Hillsdale will one day be underwritten.

We continue to improve student services, enhance campus life and stimulate greater academic achievement.

Respectfully Submitted,

Timothy W. Eaton
President

P.S. I want to express my gratitude for the outpouring of concern and prayers for Martha during her cancer treatment. The doctors report good progress in her fight.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Hillsdale Free Will Baptist College

We have audited the accompanying statement of financial position of Hillsdale Free Will Baptist College (an Oklahoma Not-for-Profit Corporation) as of June 30, 2006, and the related statement of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of Hillsdale Free Will Baptist College's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hillsdale Free Will Baptist College as of June 30, 2006, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Hillsdale Free Will Baptist College taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. The accompanying footnote 10 on related party transactions is required by the U.S. Department of Education and is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 7, 2007 on our consideration of Hillsdale Free Will Baptist College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreement and other matters. The purpose of that report is to describe the scope of our testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2006**

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Hillsdale Free Will Baptist College (the "Institution") is a non-profit organization which operates a Christian College in Moore, Oklahoma.

A) Method of Accounting

The Institution's accounts are maintained on the accrual basis of accounting. Grants and other contributions are reported as temporarily restricted support if they are received with stipulations that limit the use of the funding. When the restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Expenses are recorded when incurred.

The Organization follows the requirements of the Financial Accounting Standards Board (FASB) Statement of Financial Accounting Standards Nos. 116 and 117, "Accounting for Contributions Received and Contributions Made" (SFAS 116) and "Financial Statements of Not-for-Profit Organizations" (SFAS 117). Under SFAS 116, the Institution is required to distinguish between contributions received that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. SFAS 117 establishes standards for the financial statements of Not-for-Profit organizations and requires a statement of financial position, a statement of activities and a statement of cash flows.

B) Cash and Cash Equivalents

For purposes of reporting cash flows, cash is defined as cash on hand, amounts held at financial institutions, and short-term highly liquid investments that are readily convertible to known amounts of cash. Investments with an original maturity of three months or less are considered short-term for these purposes.

C) Allowance for Doubtful Accounts

The Institution carries its accounts receivable at cost less an allowance for doubtful accounts. On a periodic basis, the Institution evaluates its accounts receivable and establishes the amount of its allowance for doubtful accounts based on a history of past write-offs and collections and current credit conditions. The allowance for doubtful accounts amounts to \$0.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2006

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D) Fixed Assets

Fixed assets are recorded at cost when purchased and at fair value when contributed. Expenditures for maintenance and repairs are charged to expense as incurred, whereas renewals and betterments that extend the lives of furniture and equipment are capitalized. Depreciation is computed using accelerated methods over varying useful lives. Depreciation expense is \$320,567.

E) Deferred Loan Costs

During the year ended June 30, 2006, the Institution paid \$37,100 in deferred loan costs for its note payable to Quail Creek Bank. The cost is amortized on the straight line basis over the life of the loan, two years. Amortization expense is \$7,629.

F) Deferred Tuition

The Institution and its students enter into a contract for the Institution to provide its education program for a fee. The Institution earns tuition revenue as it provides education and training to the student measured in months attended. **REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees
Hillsdale Free Will Baptist College

We have audited the financial statements of Hillsdale Free Will Baptist College as of and for the year ended June 30, 2006 and have issued our report thereon dated February 7, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Hillsdale Free Will Baptist College's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of internal control over financial reporting would not necessarily disclose all matters in internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hillsdale Free Will Baptist College's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, and the U.S. Department of Education, and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors
Hillsdale Free Will Baptist College

Compliance

We have audited the compliance of Hillsdale Free Will Baptist College with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2006. Hillsdale Free Will Baptist College's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Hillsdale Free Will Baptist College's management. Our responsibility is to express an opinion on Hillsdale Free Will Baptist College's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Hillsdale Free Will Baptist College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Hillsdale Free Will Baptist College's compliance with those requirements.

In our opinion, Hillsdale Free Will Baptist College complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2006.

Internal Control Over Compliance

The management of Hillsdale Free Will Baptist College is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Hillsdale Free Will Baptist College's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be a material weakness. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the of Hillsdale Free Will Baptist College as of and for the year ended June 30, 2006, and have issued our report thereon dated February 7, 2007. Our audit was performed for the purpose of forming an opinion on Hillsdale Free Will Baptist College's financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

1. Repentance or sincere sorrow for sin and the hearty renunciations of it.
2. Faith or the unreserved committal of one's self to Christ as Savior and Lord, with purpose to love and obey Him in all things. In the exercise of saving faith the soul is renewed by the Holy Spirit; freed from the dominion of sin and becomes a child of God.
3. Continuance in faith and obedience until death.

9. **ELECTION** - God determined from the beginning to save all who should comply with the conditions of salvation. Hence by faith in Christ, men become His elect.

10. **FREEDOM OF WILL** - The Human will is free and self controlled, having power to yield to the influence of the truth and the Spirit and live, or to resist them and perish.

11. **SALVATION FREE** - God desires the salvation of all, the Gospel invites all, the Holy Spirit strives with all, and whosoever will may come and take the water of life freely.

12. **PERSEVERANCE** - All believers in Christ, who through grace preserve in holiness to the end of life, have the promise of eternal salvation.

13. **BACKSLIDING AND APOSTASY** - A person who has been regenerated or born again and is living in unconfessed, unforgiven sin, is rebellious to the principles of the

Kingdom of God and His righteousness, and therefore is a backslider in a lost condition who must repent and be restored to the right relationship with God or be eternally lost. We recognize, according to Hebrews 6:4-6, that it is possible for a person to get in the condition that he could never return to Christ. This, we believe, is Apostasy; however, we also recognize that a regenerate person can fall into sin, be in a lost condition and still not be an Apostate. This person, through repentance, can be reconciled to God.

14. GOSPEL ORDINANCES - Baptism, or the immersion of believers in water, and the Lord's Supper, are ordinances to be perpetuated under the Gospel; Feet Washing, an ordinance teaching humility, of universal obligation, and be administered to all true believers.

15. TITHING - God commanded tithes and offerings in the Old Testament; Jesus Christ endorsed in the Gospel (Matt. 23:23), and the Apostle Paul said, "Upon the first day of the week let every one of you lay by him in store as God hath prospered him." I Cor. 16:2.

16. THE CHRISTIAN SABBATH - The divine law requires that one day in seven be set apart from the secular employment and amusements for rest, worship, holy works and activities, and for personal communion with God.

17. RESURRECTION, JUDGMENT, AND FINAL RETRIBUTION - The Scriptures teach the resurrection of all men at the last day. They that have done good will come forth to the resurrection of life, and they that have done evil unto the resurrection of damnation: then the wicked shall "Go away into eternal punishment but the righteous into eternal life."
