They shall then be examined by the Executive Board to determine whether they are in compliance with Section 1 of this Article. Upon the recommendation of the Executive Board, they shall be received by a majority vote of this Association.

ARTICLE IV MEETINGS

This Association shall hold regular meetings quarterly in the various member-churches. These meetings shall be held on the first Friday nights of February, May, August, and November, respectively, with the May meeting being designated as the Annual Meeting.

This Board shall have responsibility for the program of each session of this Association, and the planning of special joint services and/or Bible conferences for the edification of our people.

Section 2. The Board of Ministerial Standing shall consist of five members elected for terms of five years, the term of one expiring each year. The Board of Ministerial Standing shall examine any licensed or ordained minister who, as a member of one of the several churches of the Randall Association, is presented by said church as a candidate for acceptance as a minister in good standing with the Association. In the case of a licensed minister, this examination shall include a written examination as prescribed by this Association (see Appendix I). In the case of a newly ordained mini-

ster, this examination shall include a written examination (see Appendix II), and an oral examination in which the candidate must satisfy the Board concerning: any errors or weaknesses revealed in the written examination, personal salvation, assurance of a call from God to preach, doctrinal purity, agreement with the beliefs of the Free Will Baptist denomination, purity of testimony and holiness of life, knowledge of the Scriptures, and a willingness to accept the guidance and supervision of the Board in remedying any deficiencies.

In the case of a minister, either licensed or ordained, who has already completed the written examination required by the Association, this procedure shall be waived if his church will provide the Board with his examination or a copy thereof. Such procedure is to be encouraged as being beneficial to the minister, the church, and the Association.

In some instances, a church may wish to petition this Board for its assistance and supervision in the matter of licensing and/or ordaining a minister. This petition shall be given to the Board in writing. In some instances, the Board will undertake such assistance and supervision using the procedures which are described above, as being those for determining a minister's good standing in the Association. Unless otherwise stipulated, in such instances, this Board and the Pastor of the church involved will be designated as an Ordaining Council if the minister involved seeks ordination. When this procedure is followed, a second examination by this Board shall be waived.

Should the Board of Ministerial Standing determine that a minister presented to it by a member church as a candidate for Ministerial Standing within the Association is unacceptable to them and that the basis for this situation is not likely to be removed by counsel, admonition, or study, they shall inform the church that presented the minister in writing of their decision.

Section 3. The Youth Activities Board shall consist of five members selected for terms of five years, the term of one expiring each year.

The Youth Activities Board shall promote and coordinate all associational youth activities within the Randall Association. It is understood that participation by the various churches in the enterprises endorsed by the Board shall be voluntary, but such participation is wholeheartedly encouraged.

rally services and other related activities which they deem prudent; and conduct a yearly camp.

Said appeal shall be submitted in writing to the clerk of the Association, being properly signed. Such appeals shall be submitted to the Executive Board and, at their discretion, they shall hear the appeal and make recommendation to the Association as to the course of action they deem best. If the Executive Board does not hear an appeal, or makes no recommendation, such appeal may be brought before the Association itself.

Section 2. Any action which the Association may take cannot reverse the action of any member church, although it may act in a hortatory and advisory capacity toward that end. Actual disciplinary action upon a member church or minister can deal only with their rights as a member of the Association. In this vein the Association may refuse to seat delegates from a

member church for a session of the Association or may ultimately withdraw fellowship from the church.

ARTICLE IX

This Association lays no claim whatever to the property, real or personal, of any of the several churches which comprise the Association. It shall report its accomplishments and financial operations annually to the Association.
