## SUNDAY SCHOOLS

We, the committee on Sunday Schools make the following requests:

That all the churches who do not already have Sunday Schools in their church go all out to organize one. Also, that all churches that have Sunday Schools do all they can to improve them.

We suggest that if there are persons in the community who do not attend Sunday School the Sunday School concerned make an effort to enroll them in their Sunday School; and if those persons do not have transportation to and from Sunday School, the Sunday School put forth an effort to furnish transportation. By doing this many can be brought to know Christ.

We urge that more Sunday Schools take an active part in the Sunday School convention thus improving their Sunday Schools by associating with other Sunday Schools.

Respectfully submitted,  
Salem Church

We, the Committee on Leagues submit the following report:

We see by the reading of the letters that most of the churches have no League and those that have are not as progressive as they should be.

We recommend that each church strive to improve their League and help those who don't have one to organize one.

We further recommend that this association body appoint a committee to organize a League Convention in this association.

Marvin Chapel Church

## COMMITTEE ON SUGGESTIONS

We suggest that the pastor of each church preach at least one sermon on tithing in the year.

One on Foreign Mission, and that each church observe the week of prayer before Easter and Thanksgiving.

That each pastor take up at least 2 offerings during the year for the Youth Camp.

Blountstown Church

### COMMITTEE ON EDUCATION

We the Committee on Education beg to submit the following:

Much has been said and done in the past on literal education in contrast to the little that has been done about religious education.

We beg that each pastor urge every family of his church to subscribe to our church papers. To those who take daily news papers take one that does not advertise whiskey and beer if possible.

We urge full cooperation and support to our Youth Camp located 4½ miles S. of Cottondale, Fla. on the Panama City and Dothan highway. Further we plead that each church do their duty toward the support of our own Bible College in Nashville, Tennessee.

Respectfully,  
Cedar Grove Church

### TEMPERANCE

There has been much said about Temperance and the first thought that comes to our minds when we think of Temperance is strong drinks but there is many ways that a Christian can be Intemperance even in our speech which we think probably is the most besetting sin of Intemperance.

The Bible teaches us that the tongue is an unruly member of the body and even we should try by the help of God to speak only the things that becometh a Christian, and most shurely abstain from any kind of alcohol.
