Resolutions Committee Report

Be it resolved that we support through prayer and other efforts the right of our military chaplains to pray in the name of our Lord Jesus Christ.

Be it resolved that we encourage all of our churches to remain faithful in support and prayer for all of our military personnel.

Be it resolved, that due to the continuing degrading of this world, of God's Holy Word, that we renew our firm stand on the inerrancy of God's Holy Word.

Be it resolved, that in this present world where deception, lying and all manner of untruths are accepted, that we renew our stand to be truthful in all things.

Respectfully Submitted:

GUIDELINES FOR LICENSED MINISTERS IN THE SALEM ASSOCIATION

I. RULES PERTAINING TO THE LICENSED MINISTER

A. Qualification of the Licensee:

1. He must be a member of a church which belongs to the Salem Association.
2. He must give evidence to his church that he is divinely called to preach, whereupon the local church is authorized to examine him for license. This examination should include the areas of the candidate's life, doctrine, reputation, and his convictions and abilities regarding the work of the ministry. His present and prospective educational and professional qualifications should also be considered. Upon completion of such an examination, the local church shall determine whether or not to grant license. Their ministerial license shall be valid for a period of one year but is renewable annually.

3. He must have his license renewed by said church and kept in force until ordination.

B. The activities of the Licensee:

1. According to the general practices of Free Will Baptists, a licensed minister is urged to afford himself of every opportunity to preach the word. He is free to exercise all the privileges and responsibilities of an ordained minister with the exception of pastoring a church and officiating at the observances of the ordinances and weddings.
2. The licensee should consider the years between his receiving license and being ordained as years of study and training in preparation for his calling.

C. His Relationship to the Presbytery:

1. The clerk of the church should report the names of licensed ministers to the clerk of the Presbytery who will forward a copy of these guidelines to each licensee.
2. Licensed ministers will be eligible to hold associate membership in the Presbytery.

II. SUGGESTIONS FOR PREPARATION FOR ORDINATION

- A. Attend a Free Will Baptist Bible College if possible.
- B. Seek counsel of an experienced pastor or pastors.
- C. Make as thorough a study as possible of the following:
 1. The Holy Bible
 2. Systematic Theology
 3. Homiletics
 4. Pastoral Theology and Church Administration
 5. Evangelism
 6. Church History (especially FWB history).

III. A SUGGESTED SCHEDULE OF WORK LEADING TO ORDINATION

- A. As soon as licensee feels that he is qualified to become a candidate for ordination, he should request a list of study questions from the Examining Committee of the Presbytery. We would strongly encourage him to proceed with his examination before entertaining a call to a church.
- B. At least two months before the Examining Committee meets, he should secure the examination. He should make three (3) copies of the completed examination (One for each member of the Committee), and send them to the Examining Committee no later than two weeks before its meeting.
- C. The Candidate is required to pass an oral examination administered by the Committee.
- D. The Committee will report to the candidate on whether he passed or what areas he may need additional study in.
- E. When the approved candidate has passed the examination and has received a call to a church or is engaged in some other form of Christian service that would justify his being ordained, the Committee will recommend his ordination to the Presbytery. This recommendation will usually be made only after the candidate has been licensed for one full year.
