### Executive Committee Report

We met April 13, 1987 at Fellowship FWB Church. The following is information on this meeting. Conference or Association moderators also met with us. 1-5 were done at this meeting.

1. We planned the 1988 State Program.
2. We discussed how the State Treasurer could pay for the printing of the Informer. The Conference and/or Association moderators were to share this with their churches.
3. We agreed for the State Treasurer to pay for the moderators dinner that day.
4. We agreed for the Promotional Director to check with other printers to see if the printing of the Informer could be done any cheaper.
5. Rev. Joe McKnight shared with us about the Ministers Retirement Fund.
6. We agreed to send Rev. Raymond Coffey a note informing him that he would not be speaking at the State since he was no longer with Southeastern College. His invitation was based on him being with the college.
7. We agreed to get Rev. Randy Sawyer from Southeastern College to bring the message Thursday night.
8. We agreed for the Promotional Director to talk with the Women's Auxiliary and the CTS leaders about them meeting at the same time as the State Association, if the State started to meet at a central location, in future years.
9. We agreed for the clerk to send reminders to the Board of Directors and Moderators about the meeting with them, the day before the State Association.
10. The Promotional Director shared with us his work with the Children's Home.
11. We agreed for folks outside of our State Association to set up booths at the State Meeting. They would be encouraged to give a donation to the host church.
- Items 6-11 were done at the November 16, 1987 meeting.
1. We recommend that each local conference/association represent to the State Association with an annual fee of \$75.00 per church in its membership. The increase of \$32.00 will be designated toward the printing cost of the state media, The Informer. This way the State Association will be assuming the responsibility of paying for the printing of The Informer.
2. We recommend that the current policy of allowing two National Offices to represent at the State Association be changed to the following policy. The moderator will recognize each departmental representative and will give him a few minutes to convey greetings from the floor.

3. We recommend that the State Association authorize the current State Executive Committee to study the feasibility of implementing a General Board form of government, and a board budget system to the State Association and to present a plan for this structure at the 1989 session. This addition to the State Office would give an opportunity for greater input to state affairs by the conferences/associations. The general idea is that the board would consist of a member from each conference/association, possibly the moderator.

We met the day before the State Association. From this meeting, we recommend the following.

4. We recommend that the Promotional Directors housing allowance be raised from \$75.00 weekly to \$100.00, and that it be retroactive Jan. 1, 1988.
5. We recommend that we send our Promotional Director to Washington, D.C. to represent the State Association at the meeting of the American Association of Christian Schools. This will be the week following the State Association.
6. We recommend that the 1988 Pop Willey Missions Offering be as follows:
  - 45% to National Foreign Missions
  - 5% to National Foreign Missions General Fund
  - 20% to State Home Missions
  - 20% to Local Conference/Association Missions
  - 10% to National Home Missions General Fund

## APPENDIX V

### SPECIAL STUDY COMMITTEE

This committee wishes to report to the S. C. State Association the findings of a feasibility study concerning retirement living facilities for our ministers and laymen.

After examining the issues involved, we made the following recommendations:

1. We recommend that this body vote in favor of establishing a "retirement village", which will be located in Turbeville, South Carolina.
2. This complex will be located on land presently owned by the State Association. This land is part of the property associated with the "Children's Home".
3. The State Association, or the moderator, appoint a Board of Trustees, and an Administrator. This Board will carry out the following functions during the year of 1988:
  - a. Determine suitable construction plans for one duplex housing unit.
  - b. Research all applicable state and local building ordinances.
  - c. Determine necessary insurance coverages, and the cost of obtaining these coverages.
  - d. Accept applications and select the first resident(s).
  - e. Present the plans and needs of this ministry before local churches and conferences.
  - f. Seek out resources and assistance which could be used during actual construction to help reduce costs.
  - g. Make a full report of their activities and findings at the 1989 State Association.
  - h. The Administrator, along with the Board of Trustees, will oversee the construction and future operation of the "Retirement Village".
4. The first duplex will be financed by a \$50,000 Capital Fund Campaign. The State Moderator will meet with the Conference or Association Executive Committees to determine individual Conference goals for this Campaign. The Campaign goal is to raise \$50,000 by the 1989 State Meeting. If the goal is met, construction on the first unit should begin as soon as possible, with a target completion date of June 1, 1989.
5. Once the first unit is occupied, the income generated will be used to construct a second unit, when the need arises.

Respectfully Submitted,  
 Rev. Talmadge Brown—Chairman  
 Rev. Joe McKnight—Secretary  
 Rev. Bobby Bowers  
 Mr. A.C. Allen  
 Mr. Robert Rabon

### HOME MISSIONS REPORT

Dear Brothers and Sisters in Christ:

This has been a busy year in our labors in Orangeburg, S.C. Brother Earl and Bernice have done a tremendous work for our Lord in their efforts to establish a new church for our dear Master and Free Will Baptist of S.C.

They have averaged 24 for Sunday School; 28 for Worship; 23 for Sunday night; 20 for prayer meeting for this year or ten months.

Their average offerings for these last ten months were \$1113.58 per month. The outside giving was \$1132.84 and have, as of this letter, \$1200.00 in a building fund. Brother Earl has knocked on 1580 doors, had 26 saved and 31 rededications. My, this was a busy 1987 and the results also show in their attendance record. Brother Earl's account is in the BLACK and for this we all praise God and for the blessed Free Will Baptist who have been so generous and prayerful. Thank you Free Will Baptist and do let us continue to pray and keep our eyes on our dear Lord and the field of S.C.

The church pays their rent, utilities, literature, and general expenses; also, they are now giving to Foreign, National Missions, children's home, promotional office, and State Missions. We do trust that when the Orangeburg church becomes totally on her own that they will be supporters of all our denominational ministries.

The two-story building is great for a Mission Church and is in a nice neighborhood so the people who attend should not be afraid that it may hinder their labors. Earl and her wife have done a tremendous job in washing, painting, scrubbing, hammering, etc. It takes a lot of work to turn a drinking joint into a nice place to worship. Right, Earl and Bernice?

Please do pray for this choice servant and wife that God will continue to use them for His glory.

Yours for Souls,  
Fred Kirby, Director

### APPENDIX VIII CHILDREN'S HOME REPORT

#### ANNUAL REPORT OF THE FREE WILL BAPTIST HOME FOR CHILDREN, TURBEVILLE, S.C. FOR THE YEAR 1987.

The Children's Home experienced a profitable year financially, having an income higher than the expenses, or \$15,028.59 increase; however, the expenses also increased \$9,082.55 over the previous year. Commodities and other gifts increased.

We want to thank each church, each person or firm who contributed to the operation of the home, both in S.C. and friends in other states. We served an average of 24 children per day, with low of 22 in Jan. and high of 26 in Oct.

The home is operated by the superintendent, Mrs. Rice, Miss Meeks and Mrs. Hampton, and also by another couple for about 5½ months. Our goal is to employ a couple for the boys dormitory shortly.

In Dec., the home began to take on a new look, with our Chairman, Brother A.C. Allen, obtaining free labor and equipment, using same to cut down some trees in front, taking up all shrubbery around the buildings, tearing down rail fence in front. Three hundred and ten pieces of shrubbery were set out around the buildings and in front. The boys dormitory was painted during the year with many other repairs made.

Money has been raised to replace all furniture in the 6 rooms in the boys dormitory and also matching curtains and bedspreads have been donated to the home. Our goal is to get the curtains over the windows in the boys and girls dorms, as well as, the new furniture in the early part of 1988. Also, our goals are to put more new furniture in both dorms, tear down some old buildings in the back, cut more trees down, move playground equipment to the back and beautify the front.

Our children participated in Tie-Tac-Toe and Bible drills at local churches as well as singing when we visited churches in S.C. and N.C. Our goal is to spend more time in teaching Christian principles to the children and in counseling.

Several were baptized after being saved during the year. Seventeen of the children attended Youth Camp during the summer.

The home is located on 83 acres, using a main building and contents, two dorm buildings and contents, two recreational buildings and contents, one barn, an outdoor sign, 1980 van, 1969 bus, 1982 pickup and two tractors. Land, buildings, and contents valued at \$615,000.00.

#### RESOLUTIONS COMMITTEE REPORT

##### 1. Whereas:

There is much talk of a State Lottery for South Carolina, and plans are being made for para-mutual betting on horse races. Because we believe gambling to be morally wrong and sinful and because we fear the involvement of organized criminal elements and because we do not believe this is the proper way to raise state revenues;

Be it resolved:

That the State Association of Free Will Baptist go on record as opposing any form of legalized gambling for any purpose whatsoever.

Be it resolved:

That we strongly urge each pastor to contact his local representatives to state this opinion.

Be it resolved:

That our clerk also inform the proper governmental leaders of this resolution.

##### 2. Whereas:

The S.C. Legislature is being pressured to pass a bill enacting criminal penalties for "marital rape";

Whereas:

While we are definitely opposed to a husband physically or emotionally abusing his wife, we are concerned that such a bill could create legislative impairment of the order of marriage as taught in the Bible. (1 Cor. 7:3-5)

Be it resolved:

That we urge our legislators to tread carefully on these grounds and enact no bill which would violate God's Word.

Be it resolved:

That we urge them to resist pressure from feminist and liberal groups.

Be it resolved:

That our clerk express this to the proper governmental leaders.

Be it resolved:  
That we urge our ministers to contact their local representatives concerning this.

### PUBLIC MORALS COMMITTEE REPORT

#### *The Salt of the Earth*

Ye are the salt of the earth; but if the salt has lost his savour, wherewith shall it be salted? It is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men.

Ye are the light of the world. A city that is set on a hill cannot be hid.

Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

Let you light so shine before men, that they may see your good works, and glorify your Father which is in heaven. Matt. 5:13-15

Jesus said in these verses, that we as Christians are the salt of the earth, and the light of the world. Hence, we have the responsibility to expose and eliminate corruption in order to preserve our society as a decent environment for our families, raising our children, and most of all for godliness and righteousness.

For the grace of God that bringeth salvation hath appeared to all men.

Teaching us that denying ungodliness and worldly lust, we should live soberly, and righteously and godly, in this present world. Titus 2:11-12

Rev. Phil Ange, Chairman
