4. We recommend that the representation of the National F.W.B. Ministries and Regional F.W.B. Ministries be given five minutes each on the State Program to give greetings and report on their work, subject to the following condition.

Each ministry will be advised of this change by a letter, and that the five minute time limit will be strictly monitored. If there is an abuse of the time limit, then this courtesy will be revoked.

5. We recommend that the Committee on Committees be changed from having one from each conference/association, to a five member committee.

They shall be elected a term with each conference/association position being opened for election each year. The phrase, of having six men on the board would be deleted.

**APPENDIX V**  
**CHILDREN'S HOME REPORT**

We look back over the past year and see that God has blessed our ministry in many ways, despite having some unusual trying times. We average having 18 children per day through out the year and we have attempted to share Christ's love with them and you have been very important part of this ministry.

I would like to thank every church, every person and firm who have supported our ministry with your prayers, gifts, and donations and we want all to know they are very important to this ministry. May God bless you as you labor for HIM.

We were receiving donations at a record pace until HUGO hit, and we feel that this caused donations to fall of about \$6000 during the last three months, causing us to fall below about \$4000 from last years income. Also expenses were up some over last year and again was due to HUGO, as we spent about \$4000 above what insurance company paid to get everything fixed back, such as shingles on all the buildings and new sign.

We had a lot of rain during the summer, which caused our grounds and new shrubbery to be green and beautiful during the entire summer. We hope you will visit us and see our grounds this coming year.

The home is presently being operated by James B. Rice, Jr., Jo Anne Rice, Linda Presson and our cook, Sadie Hampton, and is located on 83 acres, where a main building, two dormitories, a nursery, a recreational building, and two storage houses are located. Other physical things used is large sign in front, a 1969 Bus, 1983 pickup, a 1980 van, and two tractors. Property valued at \$625,000.00.

Goals are to spend more time with children counseling and attending to spiritual matters, improve property even more and maintain same, to become better known by businesses and people in area in order to gain support, whereby we will be better able to serve needy children for the glory of God.

Pastor Earl Hanna

January 3, 1990

This past year has been both an exciting year, and to some degree a sad. Exciting in seeing what the Lord has done, sad in that we have had a couple of good families to move away. One of the families was our very first family, Timmy and Jawand Larimore.

Bernice and I have knocked on 852 doors this does not count the many homes that we have visited in and the doors some of our members have knocked on. We have sent out 260 letters, had 20 first time decisions for Christ, baptised 25, had 67 rededications, 2 funerals, and 2 weddings.

I think the sweetest wedding that I have ever seen was when Danny and Tammy Hammond were reunited in holy matrimony. As a very young couple they were married and had two children, but because of sin they separated and finally divorced. Both became alcoholics and lived a very sinful life. DSS had taken their children and their lives were in a mess. Then they met Jesus and that changed all of that. To make it short they both have been living for the Lord now, their lives are straight, they have their children back, have bought a home and they are happy and now are remarried.

We have averaged 40 in Sunday School, 53 in Morning preaching, 42 in the Sunday night service, and 41 in our prayer meeting. We have purchased 4.06 acres of land and it is paid for. We now have our sewage permit, have our foundation laid out and are ready to start building. To God be the glory.

We have faced more problems this past year than I have ever faced in all of my ministry put together, but by the help of the Lord we continue until this day. Our hope and prayer is that we will soon have our building built and paid for and in not to distant future we will be a self-supporting Free Will Baptist Church.

One other thing that I failed to mention was that we have given \$3,300.00 to other Free Will Baptist ministries this past year.

God bless each of you.

Because of Calvary,

Bro. Earl and Sister Bernice

P.S. We passed out over 2000 tracts and wrote 50 articles for the newspaper.

"JESUS, THE DOOR TO HEAVEN"

Dear State brothers and sisters in Christ:

~~After reading this from Earl and Bernice to make MY report we just could not do as good a job as they have. Folks, we ARE blessed to have them. Bro. Kirby.~~

The Home Mission Board shall be authorized to purchase, hold title to, and dispose of all real property of the mission work with the approval of the State Association in session or its Executive Committee, until such time that the mission is officially organized into a local church.

**APPENDIX V111****RETIREMENT HOME REPORT**

The Retirement Home Committee met on Thursday, January 25, 1990 and approved the following report and recommendation.

Two survey questionnaires were mailed to our churches. The first one dealt with two questions: 1) Do you think there is a need for a retirement home ministry among our people and if so do you think we should establish such a ministry? The vast majority of those who responded said, yes to both questions. 2) If we establish a retirement home ministry do you feel that Turbeville, SC would be the place for it? Again, the majority responded with a yes. Some, however, thought we should look at other locations.

The second survey dealt with two basic questions: 1) How many prospective residents do you have now and how many additional ones would you have over the next five years? The total number of prospective residents for the next five years totaled 310, however we detected an overlap in the counting and this number would not be correct. We do feel, however, that there is a sufficient number of our people who need this ministry that it be given further consideration. 2) The second question dealt with the type housing; apartments or dormitory facilities? 31 stated a preference for apartment facility, 8 for the dormitory facility and 26 gave no preference.

**RECOMMENDATION**

Based on the results of the two surveys the committee feels that we should continue the study on the feasibility of establishing such a ministry and recommends to the state association that the committee be given permission to do so with study be given to the following three areas.

1. Buildings: Type, construction, cost, etc.
2. Resident Cost: Services rendered, etc.
3. Location: Available medical service and other needed services for retired people.

If this study is approved a report on the findings will be given at the 1991 State Association.

**PUBLIC MORALS REPORT**

"For he that will love life and see good days, let him refrain his tongue from evil, and his lips that they speak no guile; let him eschew evil, and do good; let him seek peace, and ensue it. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers; but the face of the Lord is against them that do evil." (I Peter 3:10-12)

God hates evil and is against it and we ought to hate evil and be against it, wherever it appears. We recognize these areas for Christians to fight against in regards to public morals:

1. Pornography - in print or picture
2. Immoral, immodest and inappropriate television
3. Rock 'n Roll Music
4. County and Western Music
5. Alcoholic beverages
6. Illegal drugs

Public morals will improve only as God's people fight against these evils, and the Gospel changes the lives of those who receive it.

"Let love be without dissimulation. Abhor that which is evil; cleave to that which is good." (Romans 12:9)

We recommend these materials for help and guidance in the area of public morals.

1. "AFA JOURNAL" (AMERICAN FAMILY ASSOCIATION)  
P.O. Drawer 2440  
Tupelo, Mississippi 38803  
Dr. Donald Wildmon
2. CLEAR-TV (CHRISTIAN LEADERS FOR RESPONSIBLE TELEVISION)  
Dr. Billy Melvin
3. FOCUS ON THE FAMILY  
"CITIZEN" MAGAZINE  
Pomona, CA 91799  
Dr. James Dobson
4. THE VOICE IN THE WILDERNESS  
Rev. J. Royce Thomason  
Box 210098  
Dallas, Texas 75211

We also recommend that concerned Christians join the boycotts of stores, products, businesses, TV stations and any others who continue to support these awful vices that are helping to destroy our society.

Respectfully submitted, 1/10/90
