## BUSINESS COMMITTEE

We, the Business Committee, recommend:

1. Whereas the separation of church and state has always been a Baptist principle, and whereas the Catholic Church has always taken a position to the opposite extreme, and whereas the Catholic Church demands the complete loyalty of its members and whereas the Pope is not only the supreme ruler over the Catholic Church and its membership, but also rules over foreign power, we recommend that Free Will Baptists everywhere and especially those in the Southeast Missouri Yearly Meeting prayerfully consider the person for whom they cast their ballot for presidency this fall.

We have no ill feeling toward the candidate of the Democratic Party, but since he is a Roman Catholic, we fear that his allegiance to the Roman Catholic Church will take precedence over this position as President. Knowing this fact, Free Will Baptists ought to carefully screen all of the other candidates and select their man from them.

2. We recommend we pay the Assistant Clerk \$10.00.

3. We recommend we give \$30.00 to Rev. Elliston for the mission work in Nogales, Arizona.

4. We recommend we given \$50.00 to Rev. and Mrs. Mark Vandivort for the mission work in New Hampshire.

5. We recommend this Yearly Association give the St. Louis Quarterly Meeting and the Faith Free Will Baptist Church a standing vote of thanks for the splendid way in which they have entertained this Association.

Signed:

Rev. Elro Driggers  
Rev. R. B. Spurgeon  
Rev. Harry Asher  
Rev. Clarence Burton  
Rev. Willard Darnell

### DENOMINATIONAL ENTERPRISE COMMITTEE

We, the Committee on Denominational Enterprise, recommend:

1. We recommend that each church in the Yearly Association carefully examine its program of financial support to the Co-op Program, Foreign and Home Missions and the Free Will Baptist Bible College, and endeavor to increase their financial support during the coming year.

2. We recommend our churches and their pastors urge our Free Will Baptist young people to attend the Free Will Baptist Bible College in preference to secular schools.

3. Realizing the need to increase Sunday School and League attendance, we recommend that churches endeavor to improve their program, using teacher training and an active enlistment program.

Signed:

Clifford McGraw  
Floyd Hesselmeier  
James Barker

Signed:

Hazel Scott  
Emma Bebout

### TEMPERANCE COMMITTEE

We, the Temperance Committee, submit the following recommendations:

1. That we seek to live our personal lives as set forth in Romans 12:1-2 "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

When our lives are conformed to Christ we will abstain from the questionable things of life, such as the use of tobacco, immodest dress, alcoholic drink, or anything that would destroy our Christian testimony.

2. Furthermore, we urge that our churches continue to co-operate with the Christian Civic Foundation in fighting the use and sale of liquor.
