THIRD QUARTERLY SESSION:

BOARD OF CHRISTIAN EDUCATION

FIRST QUARTERLY SESSION:

Things have not been going well with the youth rallies during the last year, attendance has been down at the rallies and attendance was so poor at the skating socials that the skating had to be canceled.

We will not have a rally during the month of January because no one wanted to host the rally.

We need someone to host the rally for the coming year for the months of March, May, July, September and November. If no one will host the rallies we will have to cancel them also. It is our prayer that this does not happen.

It is not too early to start thinking about the district competition, the competition will be held in April at the Corinth Church so you need to start putting your competition together now so that we can have everything in order by then.

It is the sincere desire of this board that we all join together as an Association and as churches to insure that this year be the best year ever but this can't happen unless we unite our efforts. We ask each church and each pastor to support our rallies. The success of the rallies depend on these two factors.

Respectfully submitted,
Rev. Larry Dykes
Rev. Richard Dilling
Rev. John Meredith

SECOND QUARTERLY SESSION:

The attendance at the last rally was fair but still needs improvement. We again ask each church to support the rallies with their attendance.

The district competition will be held at Corinth Church April 21st at 7:00 with several of our youth taking part. We strongly urge that each one attend this service and show a strong support for the youth of our Association and their talents.

The next rally will be held at Harvest Church May 19th. Please mark this on your calendar and make plans to attend this rally.

Respectfully submitted,
Rev. Larry Dykes
Rev. John Meredith
Rev. Richard Dilling

THIRD QUARTERLY SESSION:

The State Line Association competition was held on April 21st at Corinth. Only three churches participated: Eastside, Corinth and First Church Dothan. All three churches had participants who were eligible for the State Competition.

Youth rallies are scheduled for the 3rd Saturday of July, September and November but we have no churches to host these rallies. Because of the date of our National Convention, the July rally can be postponed until the 4th Saturday if necessary. Springfield will sponsor the September rally.

Respectfully submitted,
Rev. Larry Dykes
Rev. John Meredith
Rev. Richard Dilling

ANNUAL SESSION:

Attendance is still poor at our fellowship rallies and fewer churches are taking part in the rallies.

It is the prayer of the board that the attendance for the rallies will increase and more churches will take part in the new church year. Lets all work together to make this the best year ever for the rallies.

We will go to New Hope Church on November 17th for the rally so lets all plan to attend.

We also need to start now on the list of churches to host the rallies for next year.

Respectfully submitted,
Rev. Larry Dykes
Rev. Richard Dilling
Rev. John Meredith

YOUTH CAMP BOARD

SECOND QUARTERLY SESSION:

We have made arrangements with Progressive Association to send our teens to their camp. This will be the last week of June. Transportation will be provided. We will get registration forms and cost to each church as soon as they send them to us.

We are also working on a pre-teen week and will get that information out as soon as we get the dates.

Respectfully submitted,
Bro. Larry Jones
Bro. David Miller
Rev. Mike Beckon
Bro. Andy Arrington

THIRD QUARTERLY SESSION

We had 15 campers go to the Junior week of camp, and 18 teens to go. The number is very low but the results are great. Out of the 18 teens there were 5 decisions for salvation. Also about that many answered the call into full time Christian service. When we consider this, their camp was a real success. We only wish all the youth from here could have been there.

Respectfully submitted,
Bro. Larry Jones
Bro. David Miller
Rev. Mike Beckon
Bro. Andy Arrington

ANNUAL SESSION:

We are planning, as of this time, to join with Progressive Association again next year for camp. They have invited us again, and the results from this year show it a very good camp. So, unless there are some objections we will once more go to camp Trinity. As soon as they let us know the dates, we will pass it along to you.

CHILDREN'S HOME TRUSTEE

FIRST QUARTERLY SESSION:

The Children's Home Board met October 28, 1989 with 15 members present.

The home has 29 children with 21 private children. Eight State Children are still there. The home has accepted another child to be arriving soon which will put them at capacity of 30. They have more older children than ever before. They have six that are driving age. They now have kids from several states.

The home had donated to it a ton truck, a mini bus and a large Trailways bus. These have been a real blessing and asset to the home.

The state has not bothered the home in the past few months. They have contacted the home and want to continue the relationship. The home now has a good reputation with the State Welfare Director.

They have received special gifts toward renovating the office wing into a kids department. They will continue to seek mobile and manufactured units for offices.

They now have 5 calves and 6 live turkeys and they present a problem because they have become pets.

They are still traveling but try to stay close and be back Sunday nights. Extended travel is mostly restricted to summer months.

Junior Capleton was a visitor to the meeting. He had spent 9 years at the home. He represented a group of former residents of the home who will endeavor to contact and support the others who once lived there. This group now desires to help the home with the reunion they hold each odd year at Thanksgiving plus other projects.

Respectfully submitted,
Bro. Braxton Click

THIRD QUARTERLY SESSION:

The Children's Home Board met April 28, 1990 with 16 members present.

April was our best month ever financially, we received \$89,000. The home is still at capacity of children. The home is continuing to repair and renovate to make room for more children. The home continues to influence the lives of our children and enjoys a good reputation over many states. A special contribution of \$2,500.00 is available to the home if they can raise the matching money. This could be applied toward a mobile home to be used for additional children. The employees was given a 5% raise in salaries. Each board member was asked to raise \$150.00 toward the \$2,500.00 goal of the matching gift toward the mobile unit.

Respectfully submitted,
Bro. Braxton Click

ANNUAL SESSION:

Here are a few more items of interest to you as we serve the Lord together in this great ministry.

1. We now have a Mobile Home, 14 x 70, with 8' ceilings. This height ceiling is most unusual in a Mobile Home. This is a 1986 model that was owned by the Pepsi dealership manager in Jasper. It is exceptionally clean. Already we have 3 of our older teen boys, along with Rodney, our single staff member, living in the Home.

2. Five of our children have gone home to live with their parents. After all, this is our ultimate goal, for them to be able to be with their parents once again. However, five new ones have already come in to take their places. So, we are right back where we started - over crowded. Four of them live with my wife and I. There are still others who want to come. I was hoping to get through the summer without

carrying this heavy load of kids - but it was not to be so.

3. One of our new girls got sick shortly after being here. We had to carry her to the hospital before her insurance took effect. She stayed 3 days. After being home four days, she stepped off the bottom step of the mobile home (she was helping get it set up) and broke her ankle. So back to the hospital. Thus, the expenses for her have been enormous. But, this is one of the many things we must face and bear, when we accept private children from our churches.

4. One of our staff members had a ruptured disc in her neck and had to have surgery - Ronda Ensor. She is doing well and is back on the job full time, taking up where she left off.

5. We had our annual fire and safety inspection. Our old inspector had been replaced permanently by one of Montgomery's top men. Alabama is under several law suits at the present time because of fires in group care facilities - some resulting in fatalities. This had brought about many changes in fire-safety requirements. I was already aware of this and knew they would be tightening down quite a bit. I had been notified by mail of some upcoming changes.

However, I was not prepared for everything this man wanted done. We have worked hard and completed every change he required except one. We had to put a back door in the wash house - that place has been there for years without one. We put up more exit signs, moved all paint and gasoline completely off the property, we're putting up conduit in places that have been inspected and passed for years, replacing lights, light fixtures - and on and on. The one thing we have not done as of yet - is to rewire this entire facility. We're talking about several thousand dollars to do that job. He even took paint samples to see if we would have to use fire-proof paint. He wanted the bars off the windows out front - they've been there for many, many years. We're talking major expense here! All of these same things have passed inspection for many years and were perfectly acceptable to the other inspector.

6. A water line down by Wyers Road has sprang a leak. This was used when they had hogs. We did not even know it was still operable. We could not have detected the leak had we looked for it. The water company noticed our bill was super high (over \$800) and come out to join up in the search. It took their equipment to detect the leak. He said these are things we can expect where we have lines that are as old as these.

7. We killed a 5 foot rattlesnake down by the lower barn. I guess he had come up looking for water during all this intense heat.

8. One of our associations has replaced the swing set that was destroyed when the tree fell. We are now putting it together.

9. Here's our financial picture for the month. It's not too bad considering all this extra expense, plus all this many kids here for all meals.

Our income for the month of June was \$25,558.86. Our expenses were \$17,509.89.

Bro. Braxton Click

TEMPERANCE COMMITTEE

I Corinthians 9:24 - 27

The Christian life is a life of self-discipline. Denying the flesh that the Spirit can be strong, feeding the inter man and serving our Lord Jesus with all our heart, soul, and strength. (I Corinthians 10:31).

Kind of like involvement in sports, those who are the best trained, are careful of what they eat and drink and the rest they get. (I Corinthians 9:27).

If we are to be a successful Christian we must learn the lesson of being temperate in all things. (Romans 13:14).

CHURCH COVENANT

Having given ourselves to God, by faith in Christ, and adopted the Word of God as our rule of faith and practice, we now give ourselves to one another by the will of God in this solemn covenant. We promise, by His grace, to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages, and to "provide things honest in the sight of all men."

We agree faithfully to discharge our obligations in reference to the study of the Scriptures, secret prayer, family devotions, and social worship, and by self-denial, faith, and good works endeavor to "grow in grace and the knowledge of our Lord and Savior Jesus Christ."

We will not forsake the assembling of ourselves together for church conferences, public worship, and the observance of the ordinances of the Gospel; nor fail to pay according to our ability for the support of the church, or its poor, and all its benevolent work.

We agree to accept Christian admonition and reproof with meekness, and to watch over one another in love, endeavoring to "keep the unity of the Spirit" in the bonds of peace. To be careful of one another's happiness and reputation, and seek to strengthen the weak, encourage the afflicted, admonish the erring, and as far as we are able, promote the success of the church and of the Gospel. We will everywhere hold Christian principles sacred and Christian obligations and enterprises supreme; counting it our chief business in life to extend the influence of Christ in society, constantly praying and toiling that the Kingdom of God may come, and His will be done on earth as it is in Heaven.

To this end, we agree to labor for the promotion of educational and denominational enterprises, the support of missions, the success of Sunday Schools, and evangelistic efforts for the salvation of the world. And may the God of peace sanctify us wholly, and preserve us blameless unto the coming of our Lord Jesus Christ.
