REPORT ON BUSINESS

We, your committee on Business find it necessary that our council in examining ministers for ordination, make a special examination as to how they stand on Temperance; if they find a

man who claims it not wrong to take a drink of whiskey, just leave such characters alone, for we dont need these no-harm-dram-drinkers.

We also believe if any minister is found violating the rules of this association by drinking, that we call in his credentials for at least one year. We also recommend that this body of christians get that bunch of Orphan children in the Free Will Baptist Orphan Home on their heart and mind and care for them.

Respectfully submitted by committee,

E. J. BILLINGS,
W. M. BEAM.
