all sanction of the use and sale of intoxicating beverages, and "provide things honest in the sight of all men."

We agree faithfully to discharge our obligations in reference to the study of the Scriptures, secret prayer, family devotions, and social worship; and by self-denial, faith, and good works endeavor to "grow in grace and the knowledge of our Lord and Saviour, Jesus Christ." We will not forget the assembling of ourselves together for church conferences, public worship, and the observance of the ordinances of the Gospel, nor fail to pay according to our ability for the support of the church, of its poor, and all its benevolent work. We agree to accept Christian admonition and reproof with meekness, and to watch over one another in love, endeavoring to "keep the unity of the Spirit" in the bond of peace, to be careful of one another's happiness and reputation, and seek to strengthen the weak, encourage the afflicted, admonish the erring, and as far as we are able promote the success of the church and of the Gospel. We will everywhere hold Christian principle sacred and Christian obligations and enterprises supreme: counting it our chief business in life to extend the influence of Christ in society; constantly praying and toiling that the Kingdom of God may come, and his will be done on earth as it is in heaven.

To this end we agree to labor for the promotion of educational and denominational enterprises, the support of missions, the success of Sabbath Schools, and evangelistic efforts for the salvation of souls and the conversion of the world. And may the God of peace sanctify us wholly, and preserve us blameless unto the coming of our Lord Jesus Christ.

MINISTER'S COVENANT

Having given ourselves to the Lord through Jesus Christ, we agree to adopt the following Articles:

Article 1. We solemnly covenant before God that we will adopt the doctrine of the Toe River Freewill Baptist faith and defend the same.

Article 2. We agree that by the help of God we will not preach or advocate any doctrine that Free-will Baptist will not adopt.

Article 3. We also promise by the help of God to endeavor to evangelize all people in whom we come in contact with as far as possible that by so doing we might add many to our churches.

Article 4. We agree faithfully to discharge our obligations in reference to the study of the Scripture, secret prayer, family devotions and social worship, and by self-denial, faith and good works, endeavor to grow in grace and the knowledge of our Lord Jesus Christ, and encourage the churches in our charge to stand loyal to the faith and not be carried about by every wind of doctrine.

Article 5. We also agree that any minister failing to keep the above articles with sufficient evidence to convince the minister's conference, is automatically dismissed and to turn in his credentials without any argument.
