SEXTON MISSION PROJECT REPORT

On September 19, 2009 folks from area churches met at Harmony FWB in Hampton, TN. for the Sexton Mission Project Rally. A welcome from Pastor Brandon Young. Bro. Brandon gave a wonderful presentation on our missionaries and the work they are doing. Bro. Brandon also showed us FWB International Missions web site and we viewed Church building and other great works that are going on around the world through our missionary efforts. Congregation stood and was led in song and rejoicing. Prayer request received and a time of prayer for our missionaries and others followed upon the altar. An offering was received for Sexton Mission Project, { see below for amounts received }. Lunch was served in the fellowship hall. Following lunch we viewed a film "End Of The Spear", a film about the life of a family reaching out to the lost and the trials and blessing that they had. We encourage each Church to be working year around in supporting our missionaries.
