### Report of Committee On Ministerial Support.

We, your Committee on Ministerial Support, beg to submit the following:

After hearing the reports from our ministers, we are embarrassed to see the decline in supporting the Gospel Ministry. Therefore we recommend that each church belonging to this Association pay twenty-five cents per month for each member they have in supporting the Gospel Ministry, and if in any church there should be members found who are not able to pay such amount, we ask the church as a whole to make provision for such member as they see best.

We also earnestly request all pastors to ask their congregations

to study and practice the art of giving as God in His power has prospered them.

A. S. CORNIE,  
ROY LUSTER,  
I. N. WILSON,  
Committee.

Magnolia—F. L. Gladstone, John Thurman, W. A. Miller.

Van Hill—Grady Tunnell, Charles Burns.

On motion the time for the convening this Association be changed until Thursday before the third Sunday in August.

### Report of Committee on Education.

Realizing that education is one of the prime needs of our people we recommend that our people give their vote and influence to the constant support of our free public school system, because in no other way than by the public school system can education be placed in the grasp of the poor people of our land.

Realizing further, that the character of the instructor is in a great degree reflected in the lives of the pupils, we further recommend that our people use their influence to have teachers placed in our schools as instructors who are 100 per cent Christian, American men and women, because the time has come when the cause of Christianity is being endangered and crippled, due to the fact that ungodly men and women, infidels, agnostic, and evolutionists are training the young minds of our land.

Let us not forget our part in this education of the young, realizing that we are largely responsible for the training of our children; let us endeavor to give to our children that technical training that will best fit them to be the servants of mankind, not forgetting to

give them that spiritual training that will fit them for the Kingdom of God.

Respectfully submitted,

J. R. DUNBAR, Ch'm.

C. M. BURGESS,

J. E. MOFFITT,

Committee.

#### Report of Committee on Temperance.

We, your Committee on Temperance, submit our report: Believing, as we do, that intemperance is a very great evil and also dangerous, not only to our nation, but to society as well, a menace to civilization, an enemy to everything that is good and noble, we, therefore, earnestly insist that we, as a church, preach, pray and vote against this monster evil.

W. S. BARTON,

P. A. PAXTON,

WM. STROUPE,

Committee.

#### Report of Committee on Literature.

We, the Committee on Literature, report that we find a great need for better literature in our homes and we ask that our people subscribe to the Free Will Baptist at Ayden, N. C., and we also endorse the Sunday School supplies of the Free Will Baptist Printing Co., and ask that our churches use the same.

J. S. BURGESS,

J. L. CAGLE,

J. E. ELLENBURG,

Committee.

#### Report of Committee on Necrology.

### Report of Committee on Sunday Schools.

We, your Committee on Sunday Schools, regard our Sunday School to be a hot bed of Christianity and we strongly urge each pastor to do his best in organizing and building up the Sunday school, for in so doing it will be elevating and uplifting to the church because a good Sunday school is the life of the church. The Sunday

school is the church at work. We earnestly our poople to select good officers and teachers and get behind them in carrying on the work. We strongly urge all our ministers, whether a pastor or not, who know of any church within the bounds of our Association without a Sunday school to do his best to organize and build an evergreen Sunday school. We also urge the right training of the child at home and in the Sunday school. We earnestly urge the attendance of all our people in the Sunday school.
