This was a very opportune time for father Barton, who has been excused from reporting because of his superannuation. Daddy's message was one of inspiration and encouragement to those who were idle. Though excused from reporting, his verbal report showed that he had preached more than many of the active pastors and had witnessed more than 200 professions during the past fiscal year. Let us all be ashamed when we find ourselves idle.

SUPERVISOR'S REPORT

Brethren:

In submitting this, my seventh annual report, I am reminded that another Conference Year has come to a close.

The battles of the past year have been hard, but by the help of the Spirit we have met and conquered them. Now we feel grateful to God for His divine assistance and blessings.

I have visited all of the churches except four, and find them loyal to the cause. I have also been in all of the Quarterly Meetings of the year and find them doing an excellent work in a progressive way. It is gratifying to note that the churches of all of the Quarterly Meetings report a net gain of approximately 300 members for the year. All but a few of the pastors have been regular in their work in their churches and most of them have received a reasonable salary for their services.

Some of the churches have made fine repairs and additions to their churches. Forest Grove has built a nice annex for class rooms, and Elizabethton is planning extensive repairs immediately.

Two new churches have been organized and two new churches are in course of construction now; one at Morning Star in Hawkins county, and the other at Blake's Chapel in Greene county.

For no fault of our own we did not accomplish all that we had hoped for during the past year, but under the conditions we feel that we did our best.

I wish to make the following recommendations for the coming year:

First, that all pastors more effectively organize their people to carry out the denominational program.

Second, that we have a more definite plan for advancing our work.

Third, that all our pastors encourage the work of our Young People which is under the direction of the very efficient leadership of Brother Paul Woolsey. The future of our work lies in the success of this work.

Thanking each of you for the prayers, sympathy and co-operation of the past years,

I am, your servant in Christ,

J. S. BURGESS, Supervisor.

Rev. Burgess was then re-elected for the eighth year as Supervisor.

A report from the Secretary of Young Peoples' Work was read and adopted as follows:

14- Leagues have been organized or re-organized under our direction at the following churches:

New Home, Forest Grove, Mt. Moriah, Falls Gap, Bridge's Chapel, Midway, Elizabethton, Liberty, Fairview, Greeneville, Erwin, New Prospect, Valley View, Christian's Bend.

Wooddale has had an active League for several years. (At least two Leagues are not active at present.)

More than \$80.00 has been spent by the Leagues for literature during the year.

We have held two rallies during the year with considerable success and another was conducted by Brother Harlow Crosswhite, president of the District Convention of Young People of the Eastern Quarterly Meeting.

I have received from various sources during the year \$25.00.

I paid to the funds of the General Conference \$5.00.

My expenses for the year have been \$48.00.

Respectfully submitted,

P. H. WOOLSEY, Secretary.

Woolsey was unanimously re-elected as Secretary of Young Peoples' Work.

Ten dollars paid as dues by P. H. Woolsey to the General Conference was refunded.

COMMITTEE REPORTS

The committee on Sabbath Schools reported as follows:

We earnestly urge our Ministers and other officials to put forth a greater effort to encourage the work of the Sabbath Schools.

This may best be done by using the best of leaders. Select a wide awake Superintendent and the best teachers available who have the cause at heart.

A well conducted Sabbath School prepares the hearts of its students for the good seed of truth and life. When properly taught of Jesus and His love it will live on and on in their hearts. Go to the penal institutions of our country and ask the inmates how many of them have ever been in attendance at the Sunday Schools.

May God help us all to see the great need of our interest in the work.

H. D. BAILEY, Chairman

J. D. BRIGHT

E. J. KILGORE.

The committee on Literature reported:

We observe with much interest that our people are beginning to realize the worth of our Denominational Literature, for which they are to be commended.

We make the following recommendations:

First: We recommend that all our churches use our own literature in S. S. League and Ladies' Aid work.

Second: We recommend that our people subscribe for and read our own Denominational papers.

Third: We recommend that our people secure and read the treatise of our faith and practice.

S. D. HAMMER, Chairman

E. M. FRENCH

P. H. WOOLSEY.

Report of the Committee on Finances:

We recommend the readoption of the 1933 plan with the recommendation that 50% of all money paid into the treasury be used to pay for supervision, the remainder to be used for Missions, printing, clerk's fees and miscellaneous expenses.

H. D. BAILEY, Chairman

C. L. LONG

J. N. CARROLL

Adjourned for Morning Worship.

At 11:15 Rev. Burgess presented Father Barton, eighty-four years old and forty-seven years a minister. He was himself again in the administration of the Gospel. He reconciled two Scriptures for a text, John 14:18, "Show us the Father and it sufficeth us," and Job 22:21, "Acquaint now thyself with Him and be at peace, and thereby good shall come to thee." A great message filled with fatherly admonition for the young.

SATURDAY AFTERNOON

Called into executive session by the Moderator.

Rev. B. W. Powell, a young minister of the Beaver Creek Association of North and South Carolina, was seated as Advisory Council.

Report of the Resolution Committee:

Resolved, that no Moderator can succeed himself until after two years.

P. A. PAXTON, Chairman
MINNIS BIBLE
G. F. CANNON.

Resolutions adopted:

REPORT OF COMMITTEE ON EDUCATION

We recommend the adoption of last year's report.

We, your committee on Education, are basing our recommendation on the fact that the greatest hindrance to the advancement of our denomination is the lack of preparation among our ministers and other leaders for the tasks assigned them. There are two primary things necessary for the work a Christian leader is supposed to do. First—an intelligent understanding of the Holy Bible, and Second—A literary training as a means for interpreting the Scriptures. There is a woeful lack of both of these qualifications among our people. The responsibility for this condition rests first, with the individual and second, on the denomination. Inasmuch as the church cannot rise above the leaders, we therefore recommend:

First. That we not only urge but insist that our leaders use all possible means and opportunities afforded them to prepare themselves for their labors. We especially urge the careful and constant study of the Scriptures. Every Christian leader should know his Bible. We also urge that our ministers learn to use the English language correctly when speaking in public.

Second. That we provide Church Schools to be held regularly at different places for the benefit of our workers.

Third. That we co-operate with our General Conference in its efforts to establish a centralized educational institution for our church.

Fourth. That we assist our worthy ministerial students who wish to attend school or take a Bible correspondence course.

Fifth. That we include the Dunn-Butler Theology in our course for young ministers.

PROF. FRANK STROUP, Chairman
J. N. CARDOLL
GEO. D. DUNBAR.

REPORT OF COMMITTEE ON NEXT SESSION

We recommend that the next session of the Association be held with the two churches of Knoxville jointly—New Prospect and the new Knoxville church.

BENNET STANTON, Chairman
J. D. BRIGHT
LEE McLAIN.

TEMPERANCE COMMITTEE REPORT

Seeing the effects of intemperance on our church and social life, let us resolve that we will work, pray and preach against this great evil until we see its defeat.

We recommend that any church member or members found aiding or abetting this unlawful and sinful work shall be excluded from the church immediately.
