ASSOCIATIONAL PROCEEDINGS

The strains of the old hymn, "Leaning On the Everlasting Arms," opened the Ninety-first Annual Session of the Union Association of Free Will Baptists. Mr. I. L. Stanley directed the singing with Mrs. Stanley at the piano and Miss Karen Brown at the organ.

After several hymns were sung, Rev. Jerry Presley brought devotional thoughts from Psalm 19:1-14.

The registered ministers, deacons, and delegates were recognized by the Moderator and seated, by motion, as the voting power.

The Moderator appointed the Committee on Committees as follows: Reverends Dewey C. Bernard, E. H. Brock, J. J. Kelley, E. C. Jennings, and Jesse Laws.

The meeting was then adjourned for the organization of the Ministers' Conference.

Mr. Stanley again directed the singing for the evening worship. Rev. Bobby Greene led in prayer.

The Moderator presented the keynote speaker, Rev. Lloyd Light, who quoted Matthew 6:33 as a text for his message, "God First in Our Lives." Using many of his own experiences, he exhorted the people to completely dedicate themselves to Christ. Everyone enjoyed the time of fellowship that followed. The closing prayer was by Rev. Harold A. Pitts.

Wednesday Morning

Registration began promptly at 9:00 o'clock at the registration booth.

The Stanleys were in charge of the music as the morning session opened. Rev. Talmadge Brown read Acts 4:20-31 as a basis for his devotional comments. He emphasized the need for boldness in putting God first in our lives. Rev. George Dunbar led the devotional prayer.

After a sincere welcome by the Assistant Moderator, Rev. Winston Sweeney, the program planned by the General Board was adopted with permission given the Moderator to alter it if necessary.

Registered ministers, deacons, and delegates were seated as the voting power; visitors were recognized and seated as advisory council. Rev. Sweeney then presented the Moderator, Rev. Howard Munsey, of Cookeville, Tennessee.

MODERATOR'S MESSAGE

Greetings in the lovely name of Christ.

The ninety first session of the Union Association of Free Will Baptists have convened to carry on its business for the Lord. We meet at a time when lowering clouds of judgement and despair hang over the world, when darkness covers the earth and gross darkness the people. A low moral state of the world in general, presents the church with a challenge unprecedented in its history to get the message of salvation out to the ends of the earth with earnestness and speed.

About the time this association was formed, a new spirit of concern moved on the Christian world, and under the impulse of the Holy Ghost, men like William Carey, Adoniram Judson, David Livingstone and others who were moved with compassion for lost men went out to conquer dark continents for God. The example of these men, who dared to trust God, awakened the sleeping church resulting in the great revivals of religion that swept the Protestant world. However in recent years, with increasing material prosperity, the first enthusiasm and burning zeal of a crusading church has died away, until now, our church members, self satisfied and smug, sit back, indifferent to the command of Christ and the needs of a world in darkness.

It is the prime business of this association to meet this challenge, to inspire our ministers and delegates to go back to our churches and awaken the people to the fact that millions of sin enslaved people, for whom Christ died, have never once heard the message of redeeming grace. Brethren, when you debate the issues that come before us, will you ask yourself this question? "What has this got to do with those other sheep, which are not of this fold," for whom Christ died?

Respectfully submitted,

Rev. Howard Munsey, Moderator

The report of the Committee on Committees was read by Rev. Dewey Bernard and adopted.

REPORT OF GENERAL BOARD

The General Board met at regular session on May 18, 1964, and adopted the following items:

1. The Program for the 1964 Association
2. A letter concerning the work of the Sextons in Chattanooga. (A copy of this letter was sent to each church asking for immediate help.)

Rev. Harley Brown, Sec.

REPORT OF COMMITTEE ON CHRISTIAN LITERATURE

We, your committee on Christian Literature, realize the great impact for good that Christian literature can have on all of our lives, and especially in molding the lives of our children. To a great extent our thoughts are influenced by what we read and "As a man thinketh, so is he." Therefore, we recommend the following:

1. "God First," being our theme this year, we heartily recommend putting God first in our literature by emphasizing the study of God's word, supplemented by many Biblical helps. We encourage more time spent in the study and memorization of the Word in our homes and churches.

2. We recommend that our pastors make an effort to have our monthly Free Will Baptist publication, "Contact"; our missionary publications, "Heart Beat" and "Mission Grams," coming into every home in their charge.

3. We recommend our newly published "Free Will Baptist Hymn Book" to our churches. We believe it will be a great help in their worship services. These hymn books can be purchased at the Free Will Baptist Book Store.

4. Since our denomination is writing and publishing more and more material for use in our Sunday School and youth organizations, we recommend that all our churches make use of this material. A new magazine, called "T N T" is now available for use in our Sunday School and Leagues.

5. Since so many magazines of various caliber are flooding our markets today, we urge parents to give prayerful consideration to the type of literature that their children are reading, and see that a good supply of wholesome literature is available to them.

6. We urge that our pastors be doers of these recommendations, and not hearers only.

Alice Woolsey, Chm.

Rev. Martin Oxendine

Rev. Elmer Carter

REPORT OF HOME MISSIONS BOARD

We have examined the report of Rev. Donald Sexton and recommend his report to the Association as information. The worship services in Chattanooga are being held in an upstairs room over a drug store. Because of the location, people are not responding very well. Several attempts have been made to purchase property which is extremely expensive in Chattanooga. Efforts are being made now to purchase a building that was once used as a church. It is felt that this will help in getting more people interested, so your prayers and support are needed.

We recommend that the \$100.00 per month be continued for the support of the work in Chattanooga. Since we now have only \$432.36 in the Treasury, and since this project alone will be \$1200.00, we ask each church to send \$1.00 per month to the Home Missions Treasurer, Rev. Dewey Bernard.

We have another request for assistance at this time—a work in Morristown. Since we do not have funds now, further consideration will be given.

The report of the Home Missions Treasurer is given as information:

REPORT OF THE CAMP BOARD

The Camp Board met at the Camp Grounds in April 1964. This was the last meeting of the year.

We discussed finishing the Sanctuary floor that was to have been completed this year.

Rev. Ray Neas and Rev. J. J. Kelly were appointed to get estimates of the cost. The lowest estimate was \$1,000.00. The amount in the treasury was only \$600.00, therefore the project was delayed until after the Associational Meeting in August.

in Samaria, and unto the uttermost parts of the earth."

Some from our own Association have been obedient to this Great Commission. The Cronks in India and the Ellisons in Brazil are some of these.

We recommend that the pastors and their flocks re-dedicate and consecrate their lives to the obedience of this command, not only to pray and give, but to be willing to go, which is our reasonable service.

We also recommend that each pastor make an "all-out" effort to keep missions and the needs of the world before his people at all times.

We recommend that the churches institute a regular program to teach and promote missions.

Respectfully submitted,
Rev. E. J. Young, Chm.
Rev. Jerry Fields
Mrs. Nelle Woolsey

REPORT OF COMMITTEE ON TEMPERANCE

We, your Committee on Temperance, recommend that our people be encouraged to fully consecrate their lives to the service of the Lord Jesus Christ. We feel that this is the best defense against intemperance. No person totally committed to Christ can be indifferent to the evils of alcohol, obscene literature, indecent dress, or unholy conformity to any type of worldiness. Therefore, may we allow the love of God to be shed abroad in our hearts by the Holy Ghost, and not be conformed to this world, but be transformed by the renewing of our minds, that we may prove what is the perfect and acceptable will of God.

Rev. Lloyd Light, Chm.
Rev. Wiley Vaughn
Rev. Bobby Green

REPORT OF COMMITTEE ON APPRECIATION

We sincerely express our deep appreciation as follows:

1. To the General Board of the Union Association for a very carefully and prayerfully planned program for this session of the Association.
2. To the great men of God who visualized and brought into being this great work for God.
3. To all who labored to make the Sunday School Convention a success.
4. To the Woman's Auxiliary Convention for the worthy contribution which they made by their wonderful program to the success of this Association.

5. To the Youth Camp Director, teachers, counsellors, and evangelists who made possible two wonderful weeks for our young people.
6. To the presiding officers, the speakers, and the musicians for the spiritual impact of this great session.
7. To the cooks and their assistants who planned and served wholesome meals to the entire group.
8. To Almighty God, the Lord Jesus Christ, and the Great Holy Spirit who made possible our salvation from sin and enable us to rejoice with joy unspeakable and full of glory.

REPORT OF COMMITTEE ON CHRISTIAN EDUCATION

The Committee on Christian Education recommends that your families be urged to begin training our youth from infancy. Family devotions with sound instruction concerning worldliness, dress, and other problems of today would help curb juvenile delinquency. We encourage mothers to spend more time training their children instead of placing too much emphasis on the material things of life.

We recommend that our churches and pastors encourage our youth to seek their education in our Free Will Baptist College in Nashville, Tenn.

Our churches need more teachers who will put God first in their lives and teach by example of faithfulness to all services, temperance in all things, and diligence in studying the WORD. We recommend Study Courses for our teachers to aid them in preparation.

Jerry Presley, Chairman
T. M. Pate
Fred Dover

REPORT OF RESOLUTIONS COMMITTEE

Resolution 1:

Be it resolved that a committee be established to issue a monthly mimeographed promotional publication to be sent to each church and minister. This committee is to consist of the Promotional Secretary as chairman, two members nominated and elected by the Association, and an editor elected by the committee as ex-officio member. The expense is to be paid by the Association. This pamphlet is to promote our work at the Associational level.

Resolution 2:

Whereas, with the ever increasing flow of apostacy, unbelief, and spiritual indifference in the channels of religion; and

Whereas, a great part of the racial hatred and violence of our nation

is led and encouraged by religious bodies and professed ministers of the Gospel:

Be it resolved that we, the members of the Union Association of Free Will Baptists, make ourselves known to be opposed to these satanic evils and forces.

Be it further resolved that we endeavor to encourage our people to earnestly contend for the faith which was once delivered unto the saints, and in potent service to and for our Lord await His coming from Heaven.

MINISTERS' CONFERENCE

The Ninety-first Annual Session of the Ministers' Conference of the Union Free Will Baptist Association was called to order Tuesday evening, August 11, 1964, by the Vice President, Rev. Bobby Olterman.

The reports of the Licensing Councils of the Central and Eastern Quarterly Meetings were read and received.

REPORT OF THE CENTRAL QUARTERLY MEETING

We, the Council, granted license to Richard Holt and Arch McLean, November 8, 1963. We recommend Robert Jeffers to the Ordaining Council to see if his status is equivalent to our Ordination, and if so that he be received into our Conference.
