Rev. T. F Lewis

He was a faithful and inspirational minister in our association and the quarterly meeting for many years. It was always a tremendous blessing to all who were privileged to know and work with him. The Lord called him home this year, 2010, at the age of 91. He has passed the torch on to others who will carry on for the Lord and he will rest from his labors.

Proceedings of WNAC August 14, 2010

The Union District Women Active for Christ met Saturday, August 14, 2010, at the Oaks in Greeneville.

The meeting was called to order by Mitzi Satterfield, president, with greetings, prayer, and scripture reading from Philippians 2:15 and I Thessalonians 5: 25. Registration, finance, and resolution committees were appointed. The secretary and treasurer report were given and approved as read. We had 15 ladies in attendance.

As of August 10, there is \$1,104.82 in the treasury.

A nominating committee was appointed for election of officers in 2011. The members present agreed to continue meeting on Saturday following the Union Association meeting in August of each year. We discussed ways to encourage more ladies to attend the yearly meeting.

The resolution committee submitted the following:
Be it resolved:

1. We recommend that each individual Women Active for Christ group give as they are able for the 2012 National Convention.
2. We encourage all Free Will Baptist women to build membership in the WNAC and to work to revitalize Women Active for Christ in the local church.
3. We resolve to stand against those who seek to distort the truth of God's Word.
4. We resolve that we as women of faith pray for the upcoming governor's election.
5. We resolve that in order to develop more consistency that we elect officers to serve 2 year terms.
6. We recommend that our local WAC's help support the new National Project "Shine 75". Their goal is to raise \$75,000 to be divided among the Hispanic educational ministries:
 - a. The Seminary of the Cross
 - b. The Altamira Bible Institute
 - c. The Gwen Hendrix Hispanic Bible Institute

Amanda Kilgore gave the report on Family Ministries in the absence of her husband, Dr. James Kilgore, Executive Director of FWB Family Ministries. She stated there have been 112 saved, 85 rededications, and 102 babies born so far this year.

Amanda stated the alcohol and drug abuse program is doing well.

Amanda also gave a report on the activities of the Tennessee State WAC since she serves as president of that group. The retreat will be held in 2012. State officers will meet at the Tennessee State FWB meeting in November at the Main Stay Suites, in Pigeon Forge. The ladies will also provide a tea during the meeting to meet and promote the activities of the state WAC.

Martha Stone reports on Harvest Child Care Ministries in Virginia. She stated they now have four children homes. One of them is located in Mexico. She reports specifically about the Mexico children's home. Thirty two children live full time at the school. Right now, the greatest need is school supplies which cost approximately \$150.00 per child per year. She request that we pray about that need.

Mitzi Satterfield reported on the work of Berea Ministries. She recently traveled to Mexico to speak to the National Women meeting. She reported on the zeal and joy the ladies have for the work of the Lord. She also reported on the churches in Mexico and the 5 churches in Costa Rica.

Marion Reese reported on the ministry she shares with her husband, David Reese. Brother Reese is pastor of Limestone FWB church. In addition to pastoring, they are part of a ministry to provide encouragement and support to new churches. They are able to use their talents to preach, teach, and provide music in these churches.

After some discussion, it was voted to send \$600.00 to TWAC for hosting the National meeting in Memphis in 2012. The motion was made, seconded, and carried to give our speaker Martha Stone an honorarium of \$10.00. It was voted to send the morning offering to Clayton Hampton, state missionary, in Clarksville, TN, for the building fund for their new church.

The business session adjourned for the worship service held in the sanctuary. Worship songs were led by Marion Reese. She and her husband delighted us with a special duet before the speaker was introduced. The offering was \$100.32. Mitzi Satterfield introduced the worship speaker, Martha Stone. She shared her personal testimony as a young girl who grew up in a church that did not emphasize salvation. She warned us to never assume that the person sitting next to us on a church bench is truly a Christian. We must ask. She told us that no one ever asked her if she had given her heart to the Lord, even though she was active in all church activities. She was 29 years old before she was saved in a Free Will Baptist church. The Lord's presence was felt mightily during the service.

Berea Ministries Report

Forty years ago Reverend Howard Munsey acted upon a burden for the lost souls in the country of Mexico; he established Berea Ministries, a non-profit mission organization for the purpose of winning the lost and establishing churches in this country that became dear to his heart. As I contemplate the beginning of this ministry, I realize that brother Munsey must have recognized the obstacles he would face, for instance; injecting the gospel into a nation that has a long history of paganism and Catholicism, overcoming language and cultural barriers, and the challenge of reaching people scattered throughout a vast country filled with jungles, mountains, and desserts. Although many challenges lay ahead, he stepped out on faith to begin this work. As I look at this ministry today, I see a work that is very much alive and growing. I see many souls being won to Christ, established churches growing and reaching out to the lost, and I see new missions being started.

in communities throughout Mexico. God has truly blessed this work, and He has used faithful brethren and churches from the United States who have supported this work, and I thank you for your faithfulness.

As I contemplate the future of Berea Ministries, I am concerned because of the economic situation and the impending persecution that our churches here in the United States will surely be facing, but I am reminded that we serve the God who created all, and we are commissioned by Christ in Mark 16:15 to; "Go ye into all the world and preach the gospel to every creature", He told us He would send a comforter, and He will never leave or forsake us. I know God is faithful to keep His promise and for that reason I am excited to see what God is going to do through His faithful Servants.

Berea Ministries Inc.

Fred Dotson

Mission Support Representative

Greetings from the Board of Retirement, National Association of FWB

Thank you for the opportunity to bring greetings and thank those of you who have entrusted us with your retirement funds.

Our primary interest and focus has always been people, people who serve us, and meeting their retirement needs. Over the years our Board and Staff has never lost sight of that objective. Over the years we have ministered to almost 2,500 participants.

We exist to serve those who serve us. Our goal is to see every eligible Free Will Baptist enrolled in the Plan.

There are three factors involved in funding retirement: money contributed earnings rate and time. The more you have of any one of these three, the less you need of the others. Since Christian workers seldom receive large salaries

And earnings rates are very difficult to predict, the time factor is generally easiest to control. Starting early, therefore, is very important.

Let me encourage you today, if you don't have a plan for retirement, start planning now. Let the Board of retirement help you start your personal retirement "action plan".

With thousands of investment options available you might ask "why should I use this plan?"

Our lifetime average earning (40 years) is 7.63%.

In our plan you can reduce your taxable income.

Retired ordained participants may exclude up to 100% of their benefit as housing.

We can now accept contributions in the form of rollovers.

Our plan is portable. It is your account, not the churches, and not ours.

We are socially responsible investors. We do not invest in any company whose main source of revenue comes from the sale of alcohol, tobacco, gambling, or pornography.

Free Will Baptist have a great plan. Our goal is to see every Free Will Baptist pastor and lay employee reach retirement and have adequate resources to retire.

Let our office help you develop a strategy for retirement planning so that when you reach that point in life, your needs will be met.

Tennessee State FWB Association Promotional Office

I am approaching the four year mile marker as promotional director of the Tennessee State Association. I greatly enjoy the work and the privilege to work with pastors and churches in the Union Association and throughout Tennessee.

The challenge of promoting all of our ministries both state and national and at the same time trying to encourage Tennessee to move the state office to full-time status during a recession is a bigger job than I anticipated. I do believe we are making progress, but it is much slower than I had hoped for. On the positive side, if we stay on track the final three months of our fiscal year, I look for a 15% increase in the Unified Plan for 2009-2010.

We are facing a critical year for the state office, financially. Reserves will be fully depleted within a year if we do not increase contributions fairly significantly this year. We are only about \$20,000 short, annually, of what is needed to sustain the office. (It would take a \$50,000 increase in unified giving to reach this or \$20,000 designated.) If you think about it, that is not a lot of money for over 200 churches, but sadly, only 60 churches give anything to support the office. Please pray about giving a regular gift to the state office.

I am grateful to the Excecive Committee and to the various boards who coordinate the work of Tennessee Free Will Baptist. Our committees and boards are all running smoothly and doing a good job. I am grateful for those who serve. Our annual seniors retreat has proven to be a blessing to seniors from all over the state. We look forward to another great retreat March 14 16, 2011.

God has blessed Family Ministries in Greeneville, TN and brought Dr. Kilgore through some very dark days. He is now cancer free but still needs your prayers for a complete recovery.

Clarence Lewis is now on the staff full-time and will be a great help to the ministry.

We had dozens of great young people from Tennessee who competed in Oklahoma City at the National Youth Conference. Many brought home the prize. They're all winners in my book! The CE Board of Tn. Has an excellent retreat planned (called Meltdown) for our teens in Pigeon Forge immediately preceding the state association on November 5-7. Our state meeting will be held in Pigeon Forge November 8 – 10 this year.

Our Home Missionaries are making progress. Clayton Hampton is about to begin building on a great piece of property in Clarksville, TN and Tim Osborne has a good nucleus of about 50 people attending on a regular basis in Oakland. There are still many good sized cities all over Tennessee that need a Free Will Baptist church. Pray for our Tn Home Mission Board as they pray about the next project.

The Go10 Walk for the world came through Tennessee from June 8-23 stopping for a cookout and a very impressive service at the college on Saturday June 19. Dwight Mitchell, Randy Riggs and a host of day coordinators and volunteers made this a tremendously successful event for International Missions.

We will celebrate our 75th. Anniversary as a state association in 2012. I look forward to Tennessee hosting the 2012 national convention in Memphis; however, contributions to host the convention are coming in very slowly. As of the end of June, we had \$13,570.61 contribution. We need \$40,000. Fifty churches have given at this point; that means 160 churches have given nothing. Please help us with this soon.

Please pray for me as I try to lead the state office. I remain optimistic that God wants to do great things through Tennessee Free Will Baptists. Thank you for all you do. Glenn Poston

Barnabas Connection Report

When I take the time to stop and think how blessed I am to have the opportunity and privilege to greet all the Ministers and people of the Union Association I do rejoice. I recognize it as a true blessing of God. Part of Biblical encouragement is exhorting one another to be faithful in the things

of God. How much and how often do we need to see the great and good hand of God behind our daily supply of shelter, food, clothing and health. And even above all these are our spiritual blessings "in Christ Jesus". This may have been what David meant when he said, "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men!" (Ps. 107:8)

Please pray for the ministry of the Barnabas Connection that we could be used of God to be an encouragement. My heart especially goes out to our Home and International Missionaries. They have left home and family and friends to go out to other cities and countries to win the lost and establish Free Will Baptist Congregations. May we stand faithful with them in prayer and giving to meet all their own personal needs and the needs of their infant ministries and churches. The burdens are heavy enough without having to deal with insufficient funds to minister in the places God has called them.

Our Bible and Book Ministry continues to reach out to young preachers, teachers, and lay persons as well as 'mission-trip groups. What a great blessing it is to give a new believer a Bible or a Study Bible and commentaries to a young preacher. If you have new or like-new Bibles or Study Bibles (or other reference books) you're not using please let us pass them on for you. Growth in E-mail Ministry is at a snail-mail pace. The Card Ministry continues strong through the efforts of Bob and Jane Tigner and I appreciate them so much. Please remember the Ministry.

On a personal note: When you read this I will have finished 43 of 52 weekly IVIG treatments at the JCMC Out-Patient Cancer Center ordered through Mayo Clinic. I'm also on an oral medication that causes the same effect. The oral med has stopped being increased as long as the white blood count, platelets and others are lower than the doctor wants. I have seen changes: I can now move my thumbs (not so in 19 years) and have some feeling in my palms and the top of my arms. The number of times the pain is so severe has decreased some but not the severity. Bobbie and I are weary but not defeated. We are dependent but not let down. We love you,

Rodney

REPORT SECTION

2010 MINUTES OF THE GENERAL BOARD

The General Board of the union association FWB was called to order by Moderator Chris Castle at 3 P.M. on January 12, 2010, to conduct any and all business that may come before the board. We met at Oak Grove FWB church in Greeneville, TN. Brother Castle took prayer request and Brother Chris Dotson led in prayer. The moderator read from Eccl. 4:12 and Cor. 1:10 for his devotion. Members present were Chris Castle, Tim Roach, Rodger Castle, and Dr. Jeff Davis as proxy for Jim Cox, Jeff Blake, Larry Arrowood, Edward Maynard, Carl Callahan, Brian Capps, and Dr. Chris Dotson.

Carl Callahan gave the clerks report stating that the association corporation papers were up to date with the state of Tennessee. The minutes had been printed and cost \$1.00 each. We had 300 copies printed. Each church can have one representative per 20 memberships and that each church clerk should list the names on the annual church report along with names of those who have passed away this past year. Also the names, addresses, and telephone number of all ministers and deacons. Clerk has been requested to compile two lists of names; one of ministers who have not reported and another of the ones who have not attended the annual meeting in the past two years.

Doctor Chris Dotson gave the minister's conference report and inquired of the members who had not attended or reported in the past two years if they were not in trouble according to the constitution and by-laws. He reminded us that David Gibbs 111 was coming for the seminars for the Minister's Conference and that some expense for travel would be involved. There is the issue that was tabled at the last meeting of Robert's Rules of order and the good sense of the moderator.

Brother Larry Arrowood gave the Ordaining council report. The council met for reorganization August 15, 2009. Lynn Neas was elected chairman, Larry Arrowood as secretary, Dr. Jeff Davis as vice chairman and Larry Arrowood to preach the ordaining message on Friday night in the 2010 annual meeting.

Brother Brian Capps gave the treasurer's report. For the past two years we have spent more than we have taken in.

The treasury shows a balance of \$15,076.31 at the beginning of this year which started in August 15, 2009. The total in treasury as of October 31, 2009 was \$12,304.60. We have had an income of \$4,312.13. We have had an expense of \$4,355.64. In the treasury as of January 12, 2010 was a balance of \$12,355.13.

MS that the annual church fee be increased from \$130.00 per year to \$150.00 per year.

MSC to amend the motion by adding the following words," and the budget for the 2010 annual meeting not to exceed \$2,800.00. Also that all honorariums be cut by 10% across the board."

The amended motion carried.

MSC that the treasurer research the different banks bearing interest accounts and if he could find a bank that yielded more interest, that he have the authority to change banks for the depositor of the Union Association FWB monies.

Brother Edward Maynard read a letter from the past moderator addressed to the Tennessee senators and house members concerning a resolution past at last annual meeting. The letter was signed by present moderator, president of Minister's Conference and clerk of association.

A camp report was sent to meeting stating the dates of the camps as follows: senior camp will be June 6-10, 2010, and junior camp will be June 13-17, 2010. The theme will be missions.

Dr. Chris Dotson gave a report of the work of Berea Missions, stating that the project of sponsoring Mexico pastors only collected \$350.00 and they were looking at other sources for sponsorships.

MSC that the theme for 2010 annual meeting be, "A Steward should be found Faithful," taken from I Cor. 4:2.

MSC for moderator to use the following names to fill in the preaching times; Jason Castle and William Winters, with Kevin Rose to be the alternate speaker.

Union Camp Report

We had Camp the first two full weeks of June, and what a great time we had this year. The first week was senior week and we had 80 campers.

The second week was junior week and we had 96 campers. In

the two weeks we had 44 first time campers and in the two weeks the LORD saved 20 young people and there was 27 young people rededicated their lives to Christ.

By Tuesday night of both weeks when the services was in the music part of the service, the kids started going to the alter and this went on for over 45 minutes. Wednesday night this went on for over one hour. I believe I seen true revival for the first time in my Christian life.

We give the Glory to the LORD for all that we seen him do, and for that that we didn't see that he did for us.

Big thanks to Rex, Shari, and all the workers of the Oaks for their hard work. To all those that come to work the two weeks we would like to say, "Thank You." To two of my best friends Roger and Norlane that I wouldn't want to do this without them. Best Regards, Tim Carson

Report of Michael Oliver, FWBBC

My name is Michael Oliver. I am the Men's Resident Director and I also work in the office of Institutional Advancement at the college. I bring greetings on behalf of President Pinson, and let me just say thank you for allowing me the opportunity to give this report.

We appreciate all the Union Association does for Free Will Baptist Bible College. Thank you for all the students you send to FWBBC from the Union Association. I must say, it's a tremendous blessing for me as the Men's Resident Director to get to know them, pray with them, talk with them and help them with many of their needs. It is an honor to have responsibility. Thank you for Dr. Kilgore's son, Jamie.

Let me also thank you for all the prayers and financial support provided by individuals and the churches in the Union Association. The truth is, without your support, we couldn't continue to operate the way we do.

Realizing that it's difficult for some people to sell out and move to Nashville, we offer on-line courses that enable students to earn an associate's degree in Christian Ministry without leaving their home. We also continue to offer a variety of scholarships including the FWB Minister's scholarship for those enrolling in the associate program.

One of the questions I get asked often is," when is the college moving?" Well, we own 66 acres in Gallatin, Tennessee that will become the new home of FWBBC. At this time, we continue to negotiate with prospective buyers for the West End Avenue campus. Please continue praying for God to lead as we negotiate with these prospective buyers.

Let me close with this. For the past 2 years FWBBC has been named as one of the top 100 baccalaureate colleges in the south by U.S. News and World Report. Students benefit from an atmosphere designed to help them grow spiritual, and they receive top quality academic training.

The faculty and staff at FWBBC are top notch. Continue to pray for the approximate 300 students this fall, and especially pray for the 60 new students we were expecting as well as all the faculty and staff. And let me say thank you again for the support from the Union Association.

But let me add, that we're not only concerned for those in vocational ministry, we're also concerned about those who are led into the fields of education, business, and psychology. Therefore we also offer degrees in these fields, in order to equip students to serve God effectively as laymen in the church and wherever He places them in His world. At FWBBC, we continue to remain faithful to our charge given more than 67 years ago: to equip men and women for vocational ministry in the church. We have the highest number of students in vocational ministry training in 24 years.

Northern Quarterly Meeting Moderator's Greetings

Greetings from the Northern Quarterly Meeting of the Union Free Will Baptist Association. The Northern QM consists of 20 churches. We have one church without a pastor, Eastern Star FWB church. We have thirty-seven (37) ordained ministers and three (3) licensed ministers. We had our Jubilee Meeting in Oct, 2009 and had a great spirit filled service. Each of the meetings have been a blessing, great preaching, fellowship and singing and we have the best cooks in the state of Tennessee. The attendance of our Quarterly Meeting has been very good averaging over 100 per meeting.

Our Quarterly united together to help with a Brother Pastor's building fund and we were able to report raising around \$3,000.00

We had twenty two baptisms (22), sixty one (61) conversions, and a total of five hundred sixty eight (568) sermons preached. Thank God for the souls being touched through the work of our churches.

Our meetings for the coming year will be: October 23, 2010 will be our Jubilee meeting at Pyburn FWB church, January 22, 2011 at Van Hill FWB church, April 23, 2011 at Wayland FWB church, and July 23, 2011 at Bethesda FWB church. We are looking forward to God's blessings for next year. Respectfully Submitted, Edward Maynard, Moderator.

Report of Union FWB Association Treasurer's Books

The Moderator and the clerk of the Union Free Will Baptist Association took a good look at the books of the treasurer and found everything to be in order as he says it is. The treasurer laid out for inspection all of the checks that had been written in the past year, all of the deposits he had made, and all of the monies that he had dispersed. There was one item where the person asks if we had paid for the services they had rendered to the Union FWB Association, and we found the check had been written, but never had been cashed. The treasurer put a stop payment on the check and issued another check to take care of the bill. We looked at all the reports to the association and the reports to the QM and find everything in order. We the committee of treasury audit humbly and respectfully submit the forgoing report.
