ADDRESSES

Mrs. Katie Hemphill---"What the Sunday School means to our church." This was a very good address

with some wonderful helps.

Bro. Jim Eady---"How to make our Sunday School count." Here is some of his pointers---teachers, study your Bible, use the six point record system, all teachers come to the teachers meetings every week and be prepared to take care of your classes.

Sis. Geo. L. Dearing---"What our League can do for the church by promoting interest in Bible study, by getting more people interested in church, and helping to carry the church's burden."

Miss Juanita Jones---"How to put our League over the top." Every League member be a personal worker. Get someone else in League. Build your classes up with contests, and above all, study your Bible.

Rev. M. L. Sutton---"Why we should extend these two branches of this work." This message brought to our minds many ways of serving God and doing His will, and how doing these would build up our churches, Sunday Schools, and Leagues; showing how to promote Sunday Schools, Leagues, and build new churches throughout all the land.

BANNER

Presentations and rules by Rev. M. L. Sutton. At this time the president, Rev. J. C. Hodges delivered his charge to the convention body. The pastors and delegates gave a rising vote of thanks to New Hope and its wonderful hospitality and fine Christian homes. May God bless and keep them all.

COMMITTEE REPORTS

Sunday School Literature and Supplies

We, your committee recommend the use of Free Will Baptist literature and League supplies in every

Sunday School and League not using the Bible. We are Free Will Baptist and urge all branches to use Free Will Baptist supplies as far as possible. These supplies can be bought at Ayden, N. C. from the Free Will Baptist Press. We recommend and believe in using our own literature in preference to any other. We also recommend and urge this convention body to adopt the six point record system as follows:

Attendance - - - - -	20	points
On time - - - - -	10	"
Prepared lesson - - - - -	30	"
Offering - - - - -	10	"
Bibles brought - - - - -	10	"
Staying for church - - - - -	20	"
Total - - - - -	100	"

We notice from the reports of all churches, Sunday Schools, and Leagues using this system that their offerings run as high as three to four times as much as the ones not using this system. Also, it helps to build up the church attendance. These supplies can be bought reasonable and will pay for themselves many times over. The Fort Worth church will gladly send any information and supply you at lowest prices with envelopes, class reports, general secretary reports, superintendent reports. These report blanks can be used for either Sunday School or League reports. Address either Rev. M. L. Sutton, Box 211 Sylvania Sta., Ft. Worth, Texas, or J. C. Turrentine, Box 4266, Ft. Worth, Texas, church clerk of First Free Will Baptist Ch.
