Promotional Director State Association Report — by Rev. I have been trying to encourage each quarterly meeting to support each phase of our denomination, yet there is a great need due to the value of the dollar in foreign countries. There is a need in Home Mission also. This is the first year of the Bible Institute in our state. Found it to be one of the needs of our state which is important. There has been a wonderful response to this cause. It is something all our Churches should take advantage of. It will strengthen our denomination in doctrine. I have assisted in organizing two quarterly meetings, and have opened one of our churches which was closed and made it into a mission, the Meadowbrook Free Will Baptist Mission. Also have started a mission in Nitro. I have received approximately \$800.00,

paid out all of this in expenses and gifts. I have traveled 13,000 miles, held six revivals, met three times with the Institute, two times with the Executive Board. Visited with our college in Nashville and also in Oklahoma. We have several of our church members attending there. We preached to the student body and faculty. I would like to thank each and everyone for their prayers and finance towards the promotional work this year. I desire your prayers.
