West Virginia State Association of Free Will Baptist
Held at: The Bradley Free Will Baptist Church • June 8-9, 2007
Bradley, WV - Fayette Conference

THEME: God's People Under Construction

Personal from the Clerk:

I would like to dedicate this 62nd edition of the West Virginia Association of Free Will Baptist minute book to the men and women who in the beginning in 1946 brought this State Association into being, and have kept it going. There are too many to name, but their families know who they were and are.

I began attending this State Association in June of 1968 and I thank God I have not missed a Friday or Saturday since that time.

I was elected as your Clerk in June of 1970 and in June of 2008 I will have served 38 years. My time as Clerk will come to an end at this meeting, and due to illness in the family I will not accept if nominated.

I have enjoyed my time as your Clerk and look forward each year to being at the State Meeting. I know there is someone to fill my vacancy and I Wish them God's Blessing.

EXECUTIVE BOARD

The Executive Board met October 21, 2006 at the State Office Building located at 14 E. Lynn Street, Hurricane, WV to act on business concerning the State Association.

Rev. Daniel Kelly gave report of State Association Trustee Board. He said the Trustee Board has set up an account with the state treasurer, and the account as of this date has the amount of \$2000.00. He spoke of things that were needed for the office building, such as, a new door in the office that can be locked, couch, chairs, conference table and cleaning supplies. The insurance on the building including liability has been paid for a year, at the cost of \$607.00. They are looking to buy a sign for the state office building to put outside. The State Office would probably need a budget of \$4000.00 next year. We welcome any donations to the State Office Building fund, from individuals, churches and conferences. The property is tax exempt.

The Trustee Board of the state association is asking permission to add a 30' x 50' metal building to property. Labor and some materials have been donated, estimated at this time \$40,000.00. Plans are to build a loading dock, conference room, committee meeting room. Rev. Allen Whitt mentioned that we needed a Architect for approval of a building. M&S was made to receive report, with amendment, that the Trustee Board get all information together, total cost of building before any work is started. Carried.

M&S was made to give the Trustee Board permission to get total cost of building including Architect. Carried.

BUSINESS OF THE EXECUTIVE BOARD

Item No. 1 That we combine the following accounts into one account, the Promotional Director, Messenger, Bookstore and State Office and that the account be named, the Executive Office account. M&S carried. 5 for 4 against 1 abstained.

Item No. 2 That we offer a one time gift of \$3500.00 to furnish the new State Office Building and the funds come out of the contingent account, but if any money comes in for the office building it be used first. M&S. Carried.

Item No. 3 That we adopt a budget of \$2400.00 for operating expenses for state office building for November 2006 until June 2007. No second. Failed.

Item No. 4 That we adopt the title of Executive Director instead of Promotional Director. M&S Discussed and failed.

Item No. 5 That we give a new job description to the Executive Director. Failed because Item No. 4 failed to create new title.

EXECUTIVE BOARD REPORT

Continued...

February 24, 2007

The Executive Board met again February 24, 2007 at the Bradley Freewill Baptist church, Bradley, WV. Reports were given by the following listed below.

State Treasurer - Rev. Roger Tolliver

Rev. Rickie Holstein - Missions financial report

Rev. Rex Cox - Missions. The Mission Board is working to try and get someone for the Teays Valley mission work.

Dr. James Cox - Promotional Director. The Promotional Director offered the following proposals.

Proposal #1 The following statement will be added to the position description under other duties on page 4 of the 2006 minutes of the state association: The Promotional Director will be responsible for editing, printing and distributing "The Messenger". Ideally the state paper will be distributed at least three times per year and four if possible. He will work with the publication board to ensure that the paper is appropriately written and distributed. M&S. Carried.

Proposal #2 Since Jon and Cindy McNey have voluntarily edited and done the state paper for several years, it is suggested that the State Association in its 2007 meeting present them with a plaque in recognition of their outstanding service to the West Virginia State Association of Free Will Baptist. M&S. Carried.

Proposal #3 Since Dr. James Benjamin Cox has purchased and donated to the State Association of Free Will Baptist a parcel of ground a building which now serves as our state office, it is suggested that Dr. and Mrs. Cox be presented with a plaque recognizing their gift and that another plaque be prominently displayed in the state office building informing our people of this generous gift.

Amend to read that the plaque will be presented after the following portion is eliminated from deed.

This conveyance is subject to the covenant that if the property hereby conveyed shall cease to be used by, or on behalf of, or for the benefit of, Free Will Baptist in the state of West Virginia, then the property shall revert unto the party of the first part of his heirs. M&S to table. Carried.

Proposal #4 It is proposed that a plaque honoring those deceased ministers who have served as officers in our state association for long periods of time be hung in our state office. Further it is suggested that a committee be selected or appointed to develop the criteria for names to be placed on the plaque along with the office they held and the year they went to be with the Lord. It is suggested that Rev. Carl Vallance, Rev. Billy Samms, and Rev. John Henson be among the first considered. M&S. Carried.

Committee elected - Dr. James Cox, Rev. Luther Morgan, and the Historical Committee, Rev. Russell Wright, Rev. Kenny Samms, and Rev. Rickie Holstein.

PROMOTIONAL DIRECTOR'S REPORT
JUNE 2007

SEMINARS

The Promotional Director spoke to the ministers from the Logan Conference at the Kistler Church in Man on March 10. He did doing a workshop on "Leadership and Innovation."

On March 24 there was special seminar for ministers at the Teays Valley Mission. Rev. Tim Campbell and Dr. James Cox did a workshop/seminar on Leadership and the West Virginia Free Will Baptist. The focus was on guiding our state's activities into the future. Rev. Tim Campbell is the Promotional Director for Free Will Baptist in the state of Arkansas. Tim formally was a pastor and Alumni Director at Free Will Baptist Bible College. Brother Ivan Asbury hosted the meeting. We had wonderful fellowship and the group seemed to have a consensus regarding our state finances. However, much follow-up work needs to be done and future planning sessions are being contemplated.

The Promotional Director is available to do planning and leadership seminars for churches or groups in our state.

RECRUITING CHURCHES

The Promotional Director visited with the Cazi Church of the Boone Conference to see if that church and others, some of whom have left the Boone Conference, were interested in coming into the state association.

The church had changed pastors since the Promotional Director had been contacted and there seemed to be no interest. However, plans are to contact some of the other churches in that area to discuss the matter with them.

CONFERENCES

The Promotional Director has attended many conferences in the past six months. Most recently, he attended the Trinity Conference, the Brotherhood Conference, and the Kanawha Conference. In May he attended the Huff Creek Conference, the Mingo #1 Conference, and the Beckley Conference.

MISSIONS

The Promotional Director has provided lodging several times and has scheduled meetings for Rev. Bill Adkisson as he promotes missions and an orphanage in Mexico. Bill works for Berea Ministries and travels from his home in Missouri for services in West Virginia and Kentucky. Bill says that Ray Taylor and Jim Cox have saved him thousands of dollars by opening up our homes for him and his wife. Several West Virginia churches are supporting Berea Ministries.

PROMOTIONAL DIRECTOR'S REPORT

YOUTH

The Promotional Director and his wife assisted with the Arts and Music Festival at Heritage FWB in the Eastern Panhandle. They stayed over and he preached twice on Sunday, once at the Victory Church and again at the Victory Church for a joint service for Victory and Heritage.

The Arts and Music Festival was a great success, although Jim and Linda Hutchinson were sorely missed. Jim was having heart surgery at the Cleveland Clinic. Kelly Bowman did a wonderful job of directing and supervising the event. The host church was great and the kids were fantastic.

CHURCHES

The Promotional Director has enjoyed preaching in many of our churches in the past few months. He tries to get around to as many different churches as possible and always tries to honor every invitation to speak. He has preached many times at the Springdale Church where he is a member and has also preached many times at the Teays Valley Mission. However, he has spoken to scores of churches throughout the state and in neighboring states this past year.

STATE OFFICE

The state office building has been a blessing for the Promotional Director. It gives him a place to work and a place to have meetings. Other committees and groups have found it to be a great place to meet, especially for groups of 15 or less. Being centrally located, it is the natural place for many of our people to use for their meetings and can be used by almost any of our groups when they need a meeting place. You are welcome to schedule meetings at the state office.

SIGN

An attractive stone frame has been built for our new sign. The sign should be in by the first week in June. Thanks to Rev. Doug Burdette, Kenny Samms and Luther Morgan for their work in erecting the stone. Also, a big thank you to those who donated the funds for the sign.

PROMOTIONAL DIRECTOR'S REPORT

MESSENGER

The Messenger has been produced twice this year and has been done from the state office. Diana Cox and Vicki Blackshire have been a great help to the Promotional Director in doing much of the work. The quality of the paper and the color has been upgraded and still we are saving on the cost. However, the paper is under funded. Although several individuals have responded to our plea for financial support, these are usually one-time gifts. These gifts are truly appreciated but we need some churches to step up and put the Messenger and the state office in the regular giving budget. If you enjoy the paper and believe in our goal of communicating and encouraging our people, please consider giving regularly. If you have news from our churches or conferences and want it in the paper please mail it to:

West Virginia FWB State Office
14 E. Lynn St.
Hurricane, WV 25526

COOPERATIVE GIVING

The Promotional Director is still encouraging all of our churches to give to Co-Op. This seems to be the fairest way to support all of our state work. The Co-Op percentages can be adjusted annually at our state association to meet changing needs. This, of course, requires a vote of the body to do. However, when most of our funds come in designated, we have no choice nor do we want to do anything but to expend funds as designated by the donor(s). Substantial giving to Co-Op will solve most of the financial problems that we incur. Please pray for God's leadership in this matter.

TESTIMONY

We have a great and wonderful God. We have loving people in West Virginia. Free Will Baptist have a definite role in the Kingdom work. I love going to churches where I meet dear friends from years ago. Recently, I preached the Mingo Conference at Micco. I was with people that I had known since pre-school years. I went to that church when I was seven years old. What a joy. I could hardly preach for crying. Let's always stick together and work together in harmony and love. I may sometimes offend some because I push so hard but I don't mean to. I hope everyone realizes how much I love the Lord and His Free Will Baptist people. Tomorrow is my birthday as I write this personal note. I will be sixty-five years old. For forty-nine of those years I have been a Free Will Baptist preacher. I hope I have not outlived my usefulness. I remain committed and convinced that the Lord's work must be carried on by faithful servants. God bless every one of you.

**AUDIT COMMITTEE REPORT TO
WEST VIRGINIA STATE ASSOCIATION
OF
FREE WILL BAPTIST
JUNE 8-9, 2007**

The Audit Committee met with Brother Rickie Holstein and Sister Dianna Gorrell on April 7, 2007 at the State Office Building. On a snowy day, with the help of God only one person on the committee could not make the meeting because of the bad weather. Another person could not make it because of sickness in his family.

We reviewed the financial records given to us by the Treasurers of the West Virginia State Association and Mission Board for the fiscal year January 1, 2006 to December 31, 2006. They included the cancelled checks, the invoices, the receipts, the bank statements, the computer generated accounts reports, and the balance sheets for the year.

To the best of our ability, we examined the documents provided carefully and completely. The financial records for both the State Association and the Mission Board were found to be in proper order.

The West Virginia Bookstore provided a detailed report to the committee. The profit summary, the detailed expense listings, and Randall House invoices were contained within the report. Everything was in proper order.

We would like to thank Brother Roger, Brother Rickie and Sister Dianna for their many hours of service. The assistance Brother Rickie provided, while we were reviewing these records was of a great help.

The committee recommends that during this state meeting a date be set by the Audit Committee to meet in the Spring of 2008. We would like to thank each and everyone of you for the privilege of serving on this committee.

MISSION BOARD *of the*

West Virginia State Association of Free Will Baptist

June 2, 2007

Annual Mission Board Report

Greetings to the WV State Association of FWB

Proverbs 29:18 says,

Where there is no vision the people will perish.

I want thank the lord for the men and women who have a vision for souls to be saved. A special thanks goes to our International Missionaries, Home Missionaries, and men of the State Mission Board. I also want thank churches and individuals who are faithful in their prayers and for any support that they have given our missionaries too.

The board continues to work and listed below is some of the ways:

1. The board members are visiting and reporting to conferences
2. The board has met eleven times and one telephone meeting to carry on business for the missionaries.
3. The board members are still trying to give Nicholas and Esperanez Hernandez the much needed exposure they need in the conferences and churches.
4. We have talked numerous times to Larry Powell, Director of Home Missions and Rick Bowling of Hispanic Ministry over the Hispanic Mission in the Eastern Panhandle and are pleased that this is moving along well.
5. We have communicated with our Missionaries by email and by phone over their monthly updates and to check on them for their prayers and needs.
6. The 2007 March for Mission Revival was great and we are looking forward to the 2008 March for Mission Revival. We set a goal of \$50,000 for the month of March and we got it. We raised over a total of \$63,000 dollars in our 2007 March for Missions Revival.
7. The Golf Tournament for this year is being discussed and checked into.
8. The Board is supporting the state office with \$75 dollars per month for the use of its office As we use it to meet in.

We are working with six missionaries and one mission church totaling seven works at this time: three international missionaries, three home missionaries and one mission church.

1. Alice Smith, Ivory Coast Africa
Alice is doing well and is in Ivory Coast, and is in Bondoukou. She is well and happy and is enjoying the goodness of the lord.
2. Jim and Vicki Sturgill, Brazil
Jim and Vicki are back in the field in Brazil and they really need our prayers and support. They gave there church a new face lift and they are working very hard in the service of the Lord.

Rev. Rickie Holstein (595-4246); Rev. Raybon Cook (682-6168); Rev. Earl White (235-5633); Rev. Andy Maynard (575-2323);

MISSION BOARD CONTINUED

3. Shirley Williams, Japan
Sister Shirley is in Japan doing well and teaching English. She lives in Tokorozawa, Japan just outside of Tokyo. She has less than one year left and has all of her funds risen.
4. Teays Valley Work
We are working towards finding a Missionary to take the work. Right now we have ministers that are filling in and they are currently meeting in a doctors office there.
5. Allen and Nancy Whitt, Danese
They are experiencing growth in the church at Danese and have a great vision of the work of God. The church is averaging over 100 on Sunday worship. They have opened a K-12 school and are presently working on the school building. They have a vision of breaking ground next year for a twenty four bed children's home in West Virginia and this will be the first in West Virginia that I know of. Thank God.
6. Nicholas and Esperanza Hernandez, Eastern Panhandle
They are working in the Eastern Panhandle and are traveling to churches in the conference raising support. Currently they are in the Ranson area and the reason is that this is where in the Hispanic people are. They are having bible study on Tuesday and Thursday. Rick Bowling is working with Nick. Continue to pray that things will continue to pick up in this area.
7. Glenville, WVA
The board is pleased to announce the seventh work to the state: a new work that has occurred in Glenville, WVA with Reverend Kenneth Cooper as the Associate Missionary. The church there is called the New Life FWB Church. They are meeting in the Best Western Motel as of the present time.

In closing, we thank God, the WV State Association, the conferences and the churches for their trust and confidence that they have placed on this board. I would also like to thank the board members for your vote of confidence as Chairman and for all of your faithfulness in this busy trying time that we live in. Pray for this board that the vision never dies.

HISTORICAL COMMITTEE

of the
West Virginia State Association of Free Will Baptist

June 2, 2007

The Historical Committee of the West Virginia State Association of Free Will Baptist is still seeking information about Free Will Baptist Churches in our State. To this point in time, only 14 Churches have responded and sent information to us. We need your help!

We know there are individuals in each church, and conference, that have historical information; however, we also know that most of them would prefer to keep it for its historical and sentimental value. We fill the same way... Please share it with others across the State. If you are not willing to give it to the Historical Committee, that's fine... just make us copies of what you have, or send it to us.. we will make copies, and send it back to you. That way others may share in the rich history of West Virginia Free Will Baptist in West Virginia.

West Virginia Free Will Baptist history can be traced by to the late 1500s to the early 1600s. It is the intent of this committee to capture both recent and past history on any form of media (letters, books, pictures, cassettes, CDs) in the attempt to preserve our West Virginia Free Will Baptist heritage. The committee is looking for State Conference History (when formed, members, churches, etc.), Church history (when formed, ministers, deacons, members, etc.), History on past and present Ministers (when ordained, where they pastored, etc.), State Missionaries (a history of their call and their service in the field).

If you have any information, and would like to share it contact:

Ps 119:111 "Thy testimonies have I taken as an heritage for ever: for they are the rejoicing of my heart."

WV Women Active for Christ

Many times we read a book, finish it and toss it aside. It never affects us. There is no change in us; it is merely entertaining.

As President of the WV Women Active for Christ, I am responsible for leading our WV women into a deeper knowledge of missions and our missionaries. While attending the National Association in 2004, Randall House was publicizing a new book they had printed entitled, "Through the Eyes of God" by John Marshall. I picked up a copy and took it home. One Sunday night, I began reading the book. About 2:00 a.m., the Lord woke me up. He wanted to speak to my heart about missions. I picked up the book and continued to read...until I had finished the book. Since then, I have given that copy away, and bought another. I read it again and gave it away. I now have purchased two more copies and will probably give them away to someone who needs to read it.

Boiling the message down - our purpose on earth is to win others to Christ. Some are called to cause others to love Christ in their own neighborhoods; others are called to go to different areas of their own state or another state in their own country. Others are called to lands far away. But the purpose is the same no matter where you are. "Since at least three-fourths of the world's population is lost, how can we have any priority higher than advancing the kingdom?" (Through The Eyes of God, John Marshall)

We all have a mission field around us. Do you see yours? There are areas of the world that are white unto harvest. Should we not support those who give their lives to go share Christ with their world?

As a state organization, we offer three meetings a year for the women to become more aware of the world around us. We have a local area, a national and an international mission project each year.

At our Spring Luncheon in early April, we collected approximately \$600 for Burlington Family Services. They care for physically, mentally and sexually abused children that have been removed from the home. Praise God! We also collected probably that much in towels, washcloths, blankets, quilts and sheet sets for the Homeless Shelter of Beckley. I was quickly reminded that each person receiving these items is someone's father, mother, sister or brother. We prayed that as they used those items, that they would be reminded that someone, somewhere loved them and was praying for them. We listened to a video of Lynette Morgan speaking of battering down the walls of the strongholds of Satan that our missionaries combat through prayer. We must continually barrage those walls with our prayers so the Light of the Word can enter. We must also pray for protection and effectiveness in the lives of our missionaries. Sister Vicky Priestly then challenged us to "Launch Out into the Deep" in our prayer lives. We had 50 ladies meeting at the Herndon FWB Church that day. We thank God for the wonderful day in the Lord.

Just a few weeks ago, we met again for our Annual Convention. We were challenged to be Ambassadors for Christ. Inspire, a group of four young ladies from the Cornerstone church, blessed our hearts with their singing. They certainly lived up to their name! We had seven ladies, also from the Cornerstone church, in different seasons of life share how they witnessed for Christ. How inspiring to know that God can use you to witness in doctors offices, at the grocery store, at the office - or just anywhere. We also saw a clip from the latest edition of Impulse (FWB IM Video Magazine) about Alice Smith and the Anderson's health ministry.

WOMENS AUXILIARY CONTINUED

We held our business meeting in the afternoon. The meeting locations and projects were presented by the business committee and unanimously adopted. The nominating committee recommended and the body accepted that all officers with the exception of a retreat coordinator be re-elected.

We are anxiously awaiting our fall retreat! This will be our first retreat to be held at a church. It will be held on September 7 & 8th at the Prince of Peace FWB Church in Huntington, WV. We will turn our thoughts heavenward at this meeting. The theme will be *I Can Only Imagine* and our guest speaker will be Sis. Kyla Rowland of Morristown, TN. Our mission project will be to have a money tree for Jim and Vicki Sturgill. Special music will be by Sis. Patty Ross and Soul Purpose. There will be a power point presentation of the Joy Team's trip to Kazakhstan in January 2007.

The registration fee is only \$5.00 per person to cover expenses of the meeting. Each group needs to make motel reservations as quickly as possible because of a WVU/MU game that will be held that same Saturday in Huntington. We are anticipating a large group in attendance. The church will be providing a light supper during a break on Friday evening, donuts for those who would like a light breakfast on Saturday morning and a nice lunch after the retreat closes on Saturday. If you've never attended a retreat before, make the 2007 retreat your first.

And how about our 2008 Fund? We currently have nearly \$14,000 in our savings account. We plan to be the first state ever that will provide all the funding needed so that there will not be an offering taken during the WNAC meeting.

Here are the planned meetings for 2008.

Spring Luncheon - Central FWB Church, Huntington - April 12, 2008

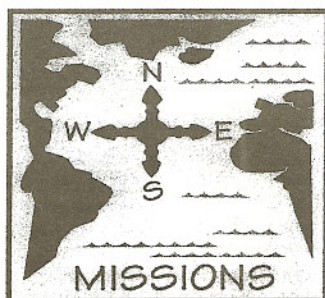

Mission Project: Each auxiliary is asked to bring \$100 - this is the last 2008 offering!

Annual Convention - Bethel FWB Church- MacArthur, WV - May 17, 2008

Mission Project: Each auxiliary is asked to bring \$100 to help with the Hernandez Family and the Hispanic ministry in the eastern panhandle.

Retreat - Cornerstone FWB Church - Crab Orchard, WV - Sept 5-6, 2008

Mission Project: Each auxiliary is asked to bring \$100 for the WNAC Foreign Student Scholarship Fund. (This pays tuition for national students to attend seminary studies in their native land.)

A personal note from Dianna:

This is my last report to you as the WV Bookstore manager. With a heavy heart I have resigned my position with the State Association. As God opens new opportunities for ministry, I want you to know that each of you have touched my heart and I will miss servicing your Sunday School needs. I am confident that will receive great service and attention in the future. I will be contacting each church with more information concerning their future orders. Thank you.

With great sincerity...

Living by Grace,

Letter from the President

Thank you for your interest in Free Will Baptist Bible College. Our goal as a college is to provide our students with a unique opportunity to prepare to serve God in the field to which He calls them, whether in full-time church ministry, education, or the marketplace.

God may be calling you to minister in a local church or in a cross-cultural mission setting. Or He may be calling you to live out your faith in a secular career. Or perhaps you have yet to discover what He is calling you to do. Our mission is to prepare you for that calling, for a life of service in the field in which God wants to place you, whatever that field may be.

We are here to serve you. May God bless you.

Some would gather money
 Along the path of life.
 Some would gather roses
 And rest from worldly strife,
 But I would gather children
 From among the thorns of sin;
 I would seek a golden curl
 And a freckled, toothless grin.

For money cannot enter
 In that land of endless day,
 And the roses that are gathered
 Soon will wilt along the way.
 But, oh, the laughing children,
 As I cross the Sunset Sea
 And the gates swing wide to heaven,
 I can take them in with me.

Key To Success - A Relationship with Jesus Christ

Relationship

From September, 2006 through January, 2007, we have celebrated as 11 young people accepted Jesus Christ as their Savior, one rededicated his life, and one followed our Lord in Christian baptism. We praise God for these decisions!

The Oaks

Retreat Center

A recent tour group had this to say about **The Oaks Retreat Center**: "I have seen a lot of places, and they have nothing on this place. These buildings are beautiful, the cabins are the best, the lodge rooms are very nice - better than hotel rooms, and the setting is awesome."

What better way to spend a day, a week or a whole summer than in a Christian atmosphere surrounded by the beauty of God's nature?

Flexible camp schedule available for youth, adults, seniors, couples and families. Visit oaksretreat.com for information, dates and prices.

Key To Success - Love

Love

One of our case managers recently had a conversation with a parent of one of "her" boys. The parent stated she was impressed with the house parents and went on to say how they had talked to her and given her a tour of the cottage where her son was staying. This mother is a Christian lady who was at the end of her rope because of her son's troubled past. Family Ministries stepped up to help, and the mother expressed her thanks that her son is in a loving home and prays he will get the help he might not receive from other facilities.

Key To Success - Education

Education

The Hope Center continues to serve more clients than ever. The demands have become so great that we have had to change some of our policies to try to be able to help as many people as possible. At the moment we are in desperate need of diapers sizes 3, 4, 5 and 6. Our parenting classes and "Mommy Store" are a huge success, and many young women are learning valuable information to enable them to become great mothers. We are working hard to empower our clients with the education and abilities they need to be successful. We will soon be adding a class on budgeting and financial responsibility.

Thank you to the churches and organizations who have allowed us to share our ministry and all those who have donated much-needed items. We are available to speak to your ladies group, youth group, church family or civic organization. For more information, please call The Hope Center toll-free at 1-866-319-HOPE (4673).

Dear Fellow Laborer:

You work so hard everyday by pouring yourself into others. It is easy to neglect pouring something into yourself such as preparing for your future. When thinking of the joys of retirement, it seems so far away. When measuring it in dollars to draw from later on, however, it seems alarmingly close.

Waiting to begin your investing is a decision many have regretted later in life. It is important to start retirement planning as early as possible because of the power of compounding interest. The sooner you start, the more time you give this power to work for you. Money invested, over a period of time with compound interest, will grow to an astonishing amount. Start now, begin with what you can do and work to build up to the contributions you would like to be making, but start now.

I am proud to be the general director of the one department that will give so much back to you as a reward for your labor. For over 37 years we have served many talented and knowledgeable investors. Our plan is designed to meet the particular needs of Free Will Baptist pastors and lay employees. We realize there are many and various kinds of pension and insurance plans available today, but we provide services and benefits that others cannot touch.

One major benefit is the ability to withdraw the money at retirement as designated housing allowance. That benefit alone has huge tax saving benefits that the secular funds cannot offer you. Combine this with the myriad of other benefits, the competitive rates of return we pay, our socially responsible investment policy that complies with our church covenant, and you have a plan that you can trust.

As you read through this kit, I believe most of your questions will be answered. If you have further questions, the staff and I are available to assist and advise you based upon your goals. You will see why our other clients are so loyal to our plan. We welcome the opportunity to talk with you.

Serving you now and later,

**Worldwide
Ministries**

Randall House values the relationships we have with our Free Will Baptist state associations and it makes various decisions difficult. One of the toughest decisions is whom we are ministering to and where the effort is placed on strengthening relationships. Our mission statement and denominational guidance is that we are to minister to the local church and seek to strengthen them with emphasis placed on Sunday School and other tools that strengthen the relationship with Christ.

Our relationship with states that operate either literature centers or bookstores sometimes prevents us from ministering to the churches directly. The arrangement that Randall House Publications has now with our bookstores exists primarily because of the need for the revenue to the state. When these arrangements were started, the states actively pursued representation of our denomination's publishing house to help the local churches, Randall House, and provide revenue for state ministries. This was a great beginning but over the years, it evolved to a point that two of the three were not getting the same benefit they once were. I had a very wise boss who once told me that for a deal to be a good one, everyone had to feel and receive benefits from it. That being said, the local church is our first responsibility and needs someone who understands the principles of Christian Education and the products ability to help the need of the families in the church. This representation ideally comes from someone actively communicating with our pastors, teachers and Sunday School directors.

We are going to begin servicing all the churches in West Virginia effective next quarter, the Fall Quarter of 2007. We removed the same type of arrangement from Florida four years ago, and from other bookstores through the years. Recognizing that this affects a revenue stream for the state, I know that you wish the very best for the local churches in your state and that they should get first priority.

Our board is aware of this decision and they recognize the importance of all relationships but likewise feel that the local church should come first over any other ministry. Please feel free to call me, if I am traveling, please ask Calisse to let me know you called and when she reaches me, I will return your call immediately. I will also be coming to your state meeting in June should you have any further questions on this decision.

Thank you,

Ron Hunter, Jr.
