The Executive Committee is separate from the Executive Board, and has no voting authority on the Executive Board. Report of Executive Committee – Rev. Earl White.

The Executive Committee met August 9<sup>th</sup>, 2007, at the State Office Building.

At this meeting the Executive Committee voted to take \$3000.00 out of the General Fund and transferring to the State Paper. Rev. Earl White, Chairman of the Executive Committee, contacted 17 of the Executive Board members he could reach. All 17 voted yes to transfer the funds.

At the August meeting, the Executive Committee recommended to maintain the Bookstore.

At the January 2008 meeting of the Executive Committee, they voted after a lengthy discussion for

Jim Cox to sell what materials he had on hand and not buy anymore for stock and to refer all churches

and Ministers wanting materials to contact Randall House Publications. This item of business was presented to the Executive Board at the March 1<sup>st</sup>, 2008 meeting, and the Executive Board accepted the recommendation of the Executive Committee to close the Bookstore.

Proposed Budget of :

State Paper		Office Budget	
Printing	\$6,800	Utilities	\$1,600
Mailing & Handling	\$1,600	Phone	\$ 400
Postage	\$2,400	Sudden Link	\$ 700
Printing Supplies	\$ 400	Insurance	\$ 650
Misc.	\$ 800	Taxes	\$ 925
		Misc.	\$ 300
Total	\$12,000	Total	\$4,575

M&S was made by the Executive Board to accept the State Paper and Office Budget. Carried.

Promotional Director's budget to include salary and travel expenses.

Salary	\$ 4,000
Retirement	\$ 8,400
Housing	\$10,400
National Association	\$ 400
Travel	\$ 2,400
Leadership Conference	\$ 150
Total	\$25,750

M&S by the Executive Board to accept the Promotional Directors budget. Carried.

The grand total for all three budgets (State Paper, State Office, and Promotional Director) is \$39,925.

At the January 2008 Executive Committee, M&S was made to recommend Dr. James Cox as Promotional Director for the coming year. The Executive Committee voted two to rehire him when contract expires and three voted not to rehire when his contract expires. One abstained. Dr. Cox said he would stay as Promotional Director until the March 1<sup>st</sup>, 2008 Executive Board meeting. This item was presented to the Executive Board and with a vote of eight to four, the Executive Board voted to rehire him when his contract expires.

There was an item of business brought to the floor about the State Office property having a lean on it. After discussion M&S was made to turn this item of business over to the Trustee Board and have them check into it and report back to the Executive Board at the June 2008 meeting.

Brother Jon McNay said he was resigning from the Website program, but would go ahead and pay the \$18.00 for the next two years, and it cost him about \$35.00 per month for the website.

Discussion was held about the money in the Sunday School Account, but no action was taken at this time.

The Executive Committee is trying to follow the guidelines set forth by the State Association to meet every two months.

The Executive Board met again June 7<sup>th</sup>, 2008 at the McCorkle Free Will Baptist Church to hear the reports of all boards and Committees and to examine the conference letters.

Reporting at this meeting were 14 of 20 Executive Board members.

M&S was made to set aside the date of the scheduled State Meeting, it was supposed to be on the 6<sup>th</sup> and 7<sup>th</sup> of June 2008 and not June 13<sup>th</sup> and 14<sup>th</sup>, 2008. Carried and set aside.

A lengthy discussion was held on the Executive Board's decision not to rehire the State Promotional Director. The Executive Board voted March 1<sup>st</sup>, 2008, 8 to 4 to rehire the Promotional Director. The decision was questioned because there was not any wording by the Executive Board that said to rehire him. It was assumed that the negative vote by the Executive Board not to accept the Executive Committee decision that were saying yes to rehire him. After discussion was ended, Executive Board decision was final for today.

Minutes of last session of the Executive Board Meeting were read and because there were some questions on the minutes about proposed budget of Promotional Director a vote was taken and passed 9 to 4 to accept the minutes as read.

## The West Virginia State Association of Free Will Baptist

The Audit Committee met with Brother Roger Tolliver and Brother Rickie Holstein at the Cornerstone FWB Church on April 19, 2008. We found both sets of financial records, those of the West Virginia State Association of the FWB and those of the West Virginia FWB Mission Board, to be in proper order.

We used the information provided to us for the fiscal year starting on January 1, 2007 and ending December 31, 2007. To the best of our ability, we carefully examined the following: computer printouts, invoices, cancelled checks, balance sheets, and receipts. Comparing them to the bank statements, we found them to balance.

Brother Tolliver and Brother Holstein do a great service for our State Association. They put in many hours keeping such good financial records. We would like to thank these two Brothers for the assistance they provided while reviewing the records. We would like to thank each and everyone of you for the privilege of serving on this committee.

May God bless our association,

Christian Education Board Annual Report  
June 13-14 2008**

The Christian Education Board would like to thank you for letting us serve you this year. Our main emphasis was the Bible, Music and Arts festival. This was held at the Charleston Civic Center. We had around 150 in attendance with 12 churches competing. The young people did an outstanding job this year. Our judges were volunteers from various churches along with the Free Will Baptist Bible College Students. A lot of preparation goes into this event-so thank you for all the hard work.

We had a Christian workers conference scheduled at the Charleston Civic Center but had to cancel due to things beyond our control. We are working on planning another one for this year. We will let you know as soon as we have the plans complete.

We are open to ideas. So if you would like to submit a suggestion we would like to hear it.

Again thank you for allowing us to serve you this year.

## HISTORICAL COMMITTEE

of the  
West Virginia State Association of Free Will Baptist

March 1, 2008

The Historical Committee of the West Virginia State Association of Free Will Baptist is still seeking information about Free Will Baptist Churches in our State. WE NEED YOU HELP!

Currently we have copies of most issues of the W.V. State Paper, thanks to Jon McNay and the Publication Board. However, at this point in time, only 15 Churches have responded and sent information to us, about their church.

We know there are individuals in each church, and conference, that have historical information; however, we also know that most of them would prefer to keep it for its historical and sentimental value. We fill the same way... Please share it with others across the State. If you are not willing to give it to the Historical Committee, that's fine... just make us copies of what you have, or send it to us.. we will make copies, and send it back to you. That way others may share in the rich history of West Virginia Free Will Baptist in West Virginia.

West Virginia Free Will Baptist history can be traced by to the late 1500s to the early 1600s. It is the intent of this committee to capture both recent and past history on any form of media (letters, books, pictures, cassettes, CDs) in the attempt to preserve our West Virginia Free Will Baptist heritage. The committee is looking for State Conference History (when formed, members, churches, etc.), Church history (when formed, ministers, deacons, members, etc.), History on past and present Ministers (when ordained, where they pastored, etc.), State Missionaries (a history of their call and their service in the field).

Annual Mission Board Report

Greetings to the WV State Association of FWB

**Proverbs 29:18 says,**

**Where there is no vision the people will perish.**

I want thank the lord for the men and women who have a vision for souls to be saved. A special thanks goes to our International Missionaries, Home Missionaries, and men of the State Mission Board. I also want thank churches and individuals who are faithful in their prayers and for any support that they have given our missionaries too.

The board continues to work and listed below is some of the ways:

1. The board members are visiting and reporting to conferences
2. The board has met eleven times to carry on business for the missionaries.
3. The board members are trying to get Josue and Christina Rivera exposure into conferences and churches in the state of West Virginia. If anyone has an opening or can use them, please feel free to contact them.
4. We have talked numerous times to Larry Powell, Director of Home Missions and Rick Bowling of Hispanic Ministry over the Hispanic Mission in the Eastern Panhandle and are pleased that this is moving along well.
5. We have communicated with our Missionaries by email and by phone over their monthly updates and to check on them for their prayers and needs.
6. The 2008 March for Mission Revival was great and we are looking forward to the 2009 March for Mission Revival. We set a goal of \$50,000 for the month of March but did not quite reach it. We raised to date a total of \$44,000 dollars.
7. The Golf Tournament for this year was the largest ever with ninety-six total golfers.
8. The Board is supporting the state office with \$75 dollars per month for the use of its office As we use it to meet in.

We started the year with seven mission works. Currently we are working with five mission works.

1. Alice Smith, Ivory Coast Africa

Alice has been doing well in Ivory Coast, and in Bondoukou but she is home now. This year they celebrated their fiftieth year of Free Will Baptist in Ivory Coast Africa and all went well. She is well and happy and is enjoying the goodness of the lord.

Rev. Rickie Holstein (595-4246); Rev. Raybon Cook (682-6168); Rev. Earl White (235-5633); Rev. Andy Maynard (575-2323);  
Rev. H.B. (Bert) Hall (343-2599); Rev. Rev Cox (684-9458); John Poling (684-3433)

2. Jim and Vicki Sturgill, Brazil  
Jim and Vicki went back in the field in Brazil and they really need our prayers and support. They also celebrated their fiftieth year of Free Will Baptist in Brazil. Jim and Vicki are at stateside at the present time.
3. Shirley Williams, Japan  
Sister Shirley finished her two years in Japan and is currently in the states is hoping to go back to Japan as a full time missionary if approved. She lived in Tokorozawa, Japan just outside of Tokyo. If she is approved to go back to Japan on a full time basis, she will need our support and prayers.
4. Teays Valley Work  
We were working towards finding a Missionary to take the work but we could not find a missionary for that work. After laboring for a time, the Teays Valley people asked the mission board to let them organize and elect their own pastor. To my knowledge this has not happened as of today's date.
5. Allen and Nancy Whitt, Danese  
They are experiencing growth in the church at Danese and have a great vision of the work of God. The church is averaging over 100 on Sunday worship. They have opened a K-12 school and are presently working on the school building. They have a vision of breaking ground next year for a twenty four bed children's home in West Virginia and this will be the first in West Virginia that I know of. We have extended brother Allen's Contract for two more years.
6. Josue and Christina Rivera, Eastern Panhandle  
They are working in the Eastern Panhandle and are traveling to churches in the conference raising support. Currently they are in the Ranson area and the reason is that this is where in the Hispanic people are. They are having bible study on Tuesday and Thursday. Rick Bowling and the Eastern Panhandle people are working with Josue. Continue to pray that things will continue to pick up in this area. The name of the Hispanic Church is Rock of Salvation Free Will Baptist. They are averaging ten to twelve different people each service.
7. Kenneth and Shirley Cooper, Glenville, WVA  
The board is pleased to announce this new work to the state: Reverend Kenneth Cooper as the Associate Missionary and the work in Glenville is now one year old. The church there is called the New Life FWB Church. They are meeting in our newly remodeled, one room school just outside of Glenville. We thank the lord for the help on the building from the people in the state of West Virginia and a group of people that came from Tennessee and worked on the church.

In closing, we thank God, the WV State Association, the conferences and the churches for their trust and confidence that they have placed on this board. I would also like to thank the board members for your vote of confidence as Chairman and for all of your faithfulness in this busy trying time that we live in. Pray for this board that the vision never dies.

## West Virginia Free Will Baptists Promotional Director's Annual Report June 2008

### Conference/Church Visitation

Conference visits continue to be a larger part of what the Promotional Director does. He has visited more than twenty conferences (some two or three times.) I have visited many of our churches as evidenced in my reports to the Executive Committee and in the Messenger. The Promotional Director has also had the privilege to speak several times in out-of-state meetings including a homecoming in Murfreesboro, Tennessee and a Couple's Retreat in Berlin, Ohio. Rev. Kenneth Frisbee, founder and long-time pastor of the Akron FWB Church has been inviting the Promotional Director to speak at his couple's Retreat in Amish Country for the last three years. This year it worked for the Promotional Director to attend and he had a great time. He did not realize what a big event it was. The entire hotel was booked by Free Will Baptists. The Promotional Director preached both Friday and on Saturday. There were singers from four different states including the Ledbetter family from Wichita, Kansas. Everyone had a wonderful time. Rev. Carl Cooper attended with the Promotional Director.

### State Leadership Conference

We had a State Leadership conference for the second year. It was very successful in terms of motivation and the presentations that were made. Rev. Richard Atwood was the keynote speaker and spoke about the "Changing Landscape of Leadership." He is from the Home Missions Department in Nashville. Rev. Carl Lilly and Rev. Ivan Asbury also made presentations and were very well received. This was a very informative and enjoyable event. The attendance almost doubled this year.

### State Office

Since the trustees have voted to return the State Office building to the donor, I am moving the state office to my home. I have to do some remodeling work in order to accommodate the office, but once finished there will be room for meetings as well as a place for the office work.

### Pastor's Appreciation Breakfast

The Pastor's Appreciation Breakfast has been a great hit with our men and their wives. The McCorkle Church has agreed to provide the breakfast this year and Rev. Rocky Chaffin will be our speaker.

### Filling Pulpits

The Promotional Director has been trying to help churches without pastors by filling the pulpit when requested. He spent about several months helping the Valley View Free Will Baptist Church while they were without a pastor. He also fills in for preachers who are ill or have to be gone from their churches. He can usually be reached at 562-6808 or 767-8314.

### Promotional Work

The Promotional Director has introduced a plan to make October the State Offering Month. This has been adopted and implemented last year. It was mildly successful, but the feeling is that if we continue to promote this, it will become a major success. In light of that the Promotional Director is proposing that we elect a five-person committee to serve as a Co-Op Committee to work with the Promotional Director in raising the awareness of our Co-Op Plan and the State Offering Month. The Promotional Director already has some materials created to promote this plan.

### National Association Steering Committee

The Promotional Director has met several times with personnel from the National Office as a member of the state steering committee. He has had 28 dozen t-shirts made up for the booth.

### Other Committees and Boards

Finally, it is the desire of the Promotional Director to work with every board and committee that he possibly can. Therefore, if notified of meetings the Director will attempt to meet with every group he can.

### Bookstore

The Executive Committee has requested that the Promotional Director discontinue the bookstore and dispose of the items in stock.

### Missions

The Promotional Director continues to emphasize missions. He helped with the Teays Valley Mission until it closed. He attended a couple of the March For Missions Revivals and recently visited the Glenville Mission and spoke for them. He actively supported the World Missions Project by attending some of their meetings. He set up one of the meetings for the International Missions Director in Teays Valley. He personally took coin folders to some churches and was given checks for the World Missions Offering by some churches. He has attended several meetings with the state mission board.

#### Other Meetings

The Director has attended both the National Association in July and the Leadership Conference in Nashville this past December.

Thank you for all the prayerful support that you have given to the Promotional Director.

### **Publication Board**

The Publication Board met on Tuesday, May 27, 2008 at the State Office. Marvin Holly, Chairman, James Cox and Diana Cox were present. Bro. Marvin indicated that he could not reach Rev. Carl Lilly by telephone for the meeting.

Various issues were discussed. The Publication Board voted to buy a new laptop when the funds become available. Diana Cox indicated that the personal laptop she was using is not sufficient to run the InDesign program needed for The Messenger.

No other items of business were discussed. The meeting was dismissed in prayer.

Dear Brothers and Sisters,

If asked, I wonder how many of you actually know the purpose of WV FWB Women Active for Christ? If you don't know, it is the missions arm of the church! WAC groups exist so women can fulfill their place in the Great Commission.

I was deeply moved when I read this statement by Missionary to China, Oswald J Smith: "No one has the right to hear the Gospel twice, while there remains someone who has not heard it once." I doubt if many of us are moved to search for statistics to show us just how fortunate we are to be believers. In Central Asia, the evangelical believer base is less than .001%. In many places in Africa, the same is true. One African nation is proud to claim they are 100% Muslim! God help us to reach the world for Christ!

We may not have the largest state group in the USA but we have a wonderful group of women who are doing all they can to spread the name of Christ throughout the world.

Because of economic conditions, our fall retreat was moved from Camp Virgil Tate to a local church. The 2007 retreat was held at Prince of Peace FWB Church. There were over 170 ladies in attendance and if you'd ask any of them, I believe you'd find the change was a success. Our theme was "I Can Only Imagine." Sis. Kyla Rowland was our speaker for the meeting. We were treated to a trio of young ladies from the Prince of Peace church who used sign language to communicate the theme song. We also enjoyed a Spoken Word service followed by a Cross Service where we actually nailed our burdens and concerns to a large wooden cross. While there, we received an offering of \$600 that was divided between The Sturgills and the Booths.

Our Spring Luncheon was held at the Central FWB Church in April. The ladies of the church provided us with an entertaining but thought provoking skit, music by the Payton Sisters and a wonderful lunch. Sis. Lisa Jordan was our special speaker. Sis. Lisa works for JOY Radio in South Shore, KY and is a wonderful singer and speaker. She likened all the events surrounding her marriage years ago to the Salvation experience and how we become a part of the Bride of Christ. It was a wonderful day with 64 ladies in attendance.

We held our Annual Convention at the Bethel FWB Church on May 17<sup>th</sup>. We explored "Fit for Survival." Sis. Loraine Tolliver spoke on "Strong Armor for Weak Sheep" and Sis. Jody Sullivan spoke on "Battle Fatigue." Sis. Marjorie Workman, National Executive Secretary for WNAC, came to our meeting to thank the ladies for all their work in preparing for the National Association this summer. We announced that our contribution toward the

WNAC expenses is a record \$15,000. We voted on dates, times and projects for the coming year:

**Spring Luncheon** – It will be held at the Cornerstone FWB Church on April 9, 2009. Registration will begin at 9:30 a.m. with the meeting beginning at 10:00 a.m. Our mission project will be announced at the Fall Retreat.

**Annual Convention** – The Prince of Peace FWB Church will be hosting this meeting on May 16<sup>th</sup>, 2009. Registration will begin at 9:30 a.m. with the meeting beginning at 10:00 a.m. Our mission project for this meeting will be to bring gifts for the WNAC Provision Closet in Antioch, TN. Missionaries can go through this room and select needed items when going on the field. Needed items are towels, blankets, sheets, bed spreads, cookware, pots and pans, silverware, appliances such as toasters, blenders, etc. A list of the most needed items is usually on their web site and in the "Together With God" magazine.

**Fall Retreat** – The ladies at the Sophia FWB Church will host this special time of fellowship. The 2009 retreat will be held on September 9–10<sup>th</sup>. The project for this meeting is an offering for the Hannah Project. We would like to ask each local WAC group to send an offering of \$100.

Our ladies will be busy at the National Convention in July. We will be participating in a Tea on Monday afternoon. There will be dramatic portrayals of pioneer FWB missionaries. Tuesday will begin with our annual business session and a time of honoring our WNAC Executive Secretary Marjorie Workman on her retirement. Our state will provide musicians and a trio to sing during the Tuesday Morning Missionary Worship Service. At noon, WV ladies will be hosting a luncheon. We will have a hostess at every table (40) and she will share information with those at her table on a country that has a minimal evangelical believer population. She will join with those at her table in prayer for the coming year for the believers and that God will open doors for evangelism in that country. If we don't pray that God will open doors there, who will pray? Please remember our ladies during this time as they do their best to represent West Virginia.

Working so the World Will Know,

Jody Sullivan  
WV WAC President

## President's Welcome

Our goal, as a college is to provide our students with a unique opportunity to prepare to serve God in the field to which He calls them, whether in full-time church ministry, education, or the marketplace.

Since 1942 Free Will Baptist Bible College has been helping students find their place in God's world. I was one of those many students whose lives were changed by attending FWBBC. Now, president of FWBBC, I am proud to be a part of this college and its mission "to educate leaders to serve Christ, His Church, and His world through Biblical thought and life."

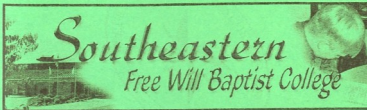

If you are a prospective student, God may be calling you to ministry in a local church or in a cross-cultural mission setting. Or He may be calling you to live out your faith in a secular career. Or perhaps you have yet to discover what He is calling you to do. Our mission is to prepare you for that calling, for a life of service in the field in which God wants to place you, whatever that field may be.

Give us a chance to familiarize you with the programs of study at Free Will Baptist Bible College. You can be sure that at FWBBC you will receive an excellent education from a dedicated faculty.

We are here to serve you.

25<sup>th</sup> Year of Ministry

## Church Money Management

Becky, Treasurer at First Free Will Baptist Church, was dissatisfied with the earnings her church receives on the church savings account. She looked at moving some of the savings to a CD but doesn't like the idea of locking up funds in case they are needed for an emergency. Plus, her local bank's money market and CD rates aren't that impressive.

She feels that, like the good steward of Matthew 25, she has an obligation to be wise with church funds. The rates banks offer on savings and money market accounts are often less than the inflation rate which means the church loses purchasing power by placing their funds in these accounts. This is like the foolish steward who buried his talent.

Becky understands that higher returns can also bring risk the church does not want to take with their excess funds. She wants to find a place to put the church funds in order to receive a reasonable rate of return without taking on risk.

Becky called Free Will Baptist Foundation and discovered they offer Money Management trusts for organizations and churches. The funds are conservatively invested in United States government agency bonds and long-term CDs. The rate is variable but through the years has exceeded the inflation rate by 2-3%.

The church can place any amount they wish with the Foundation and withdraw up to \$50,000 on seven days notice. Becky liked the concept of Money Management trusts and First Free Will decided this was the place for their savings.

# Berea Ministries

## *Our Purpose*

We have purposed to...

- win the lost, educate and train them in the basics of discipleship.
- establish and build churches for their fellowship and growth.
- operate with financial integrity, disbursing all contributions for the purposes for which they have been given. Training nationals to win their own people to Christ has been Berea Ministries' primary focus from the beginning. We propose to fortify our ministers by providing training and assisting with salary supplements, building materials, supplies and equipment. Our goal is to aid our pastors to plant churches which will then multiply themselves and extend the witness of our Lord.

## *Our Promise*

As a committee, our promise to you is that your gifts and freewill offerings will be used exactly as you designate them. We pledge to be candid with you and report the facts from the field, both good and bad. We stand for personal accountability among our national pastors, missionaries, and support staff. We promise to fervently promote godly living, personal soul winning and doctrinal purity by all who are employed by or associated with the ministry. We will do our best to be frugal with the funds entrusted to us and manage them with integrity for the best and most efficient results. Our solemn policy is that you will be considered a participant and fellow laborer in this work at all times and under all circumstances, sharing eternally in its joys and rewards. Your comments, both favorable and unfavorable, will always be welcome. Every question and inquiry will be answered respectfully and as promptly as possible.

Dear Fellow Laborer:

You work so hard everyday by pouring yourself into others. It is easy to neglect pouring something into yourself such as preparing for your future. When thinking of the joys of retirement, it seems so far away. When measuring it in dollars to draw from later on, however, it seems alarmingly close.

Waiting to begin your investing is a decision many have regretted later in life. It is important to start retirement planning as early as possible because of the power of compounding interest. The sooner you start, the more time you give this power to work for you. Money invested, over a period of time with compound interest, will grow to an astonishing amount. Start now, begin with what you can do and work to build up to the contributions you would like to be making, but start now.

I am proud to be the general director of the one department that will give so much back to you as a reward for your labor. For over 37 years we have served many talented and knowledgeable investors. Our plan is designed to meet the particular needs of Free Will Baptist pastors and lay employees. We realize there are many and various kinds of pension and insurance plans available today, but we provide services and benefits that others cannot touch.

One major benefit is the ability to withdraw the money at retirement as designated housing allowance. That benefit alone has huge tax saving benefits that the secular funds cannot offer you. Combine this with the myriad of other benefits, the competitive rates of return we pay, our socially responsible investment policy that complies with our church covenant, and you have a plan that you can trust.

As you read through this kit, I believe most of your questions will be answered. If you have further questions, the staff and I are available to assist and advise you based upon your goals. You will see why our other clients are so loyal to our plan. We welcome the opportunity to talk with you.

Serving you now and later,

Ray Lewis  
General Director  
Board of Retirement & Insurance

## TAKE FULL ADVANTAGE WITH OUR PLAN

### 403(b) approved plan

Our 403(b) plan is approved by the IRS for all employees of Free Will Baptist Churches or Church Organizations.

### Tax deferred contributions

Take advantage of tax deferred contributions to the Plan. Tax deferred contributions are not to be included in gross "reportable" income for tax purposes. Since the tax deferred contributions and interest are tax deferred, they will only be subject to taxes when the money in your account is distributed to you.

### Flexible contributions

One can begin with as little as \$10 monthly. Generally, the maximum contribution allowable is 100% of taxable ministerial income or \$46,000, whichever is less. However, special "catch-up" provisions are available to certain participants. For an explanation of the catch-up provisions, please request Publication 571 from your nearest IRS office, or contact the Board of Retirement.

### Personal and employer contributions

Participants may contribute personal "after-tax" funds. These contributions must be made by personal check or automatic bank draft from the participant's personal checking account. Contributions can also be made by Salary Reduction or by direct contributions from the employer, i.e. the church or church-related entity. The employer (church/church agency) is permitted to contribute to the participant's retirement account as an added compensation benefit without such being taxable to the participant. All church checks must be payable to the Board of Retirement. NO PERSONAL CHECKS CAN BE ACCEPTED FOR SALARY REDUCTION OR EMPLOYER CONTRIBUTIONS.

### Other funds that may be available

Participants may find other funds available to them through State Association plans, (Check with your state leaders) and with the Randall House Rewards Program where a percentage of your Sunday School curriculum order is deposited into your account.

Illustration above growth potential is based upon monthly deposits at the percentage indicated per annum, compounded semi-annually, on the account balance at the ending of the month and from date subsequent deposits are made.

Past results are not a guarantee of future performance.

The Free Will Baptist Board of Retirement does not guarantee a specific rate of return on participants' contributions, only that contributions are invested at fair market rate. However, the Board has maintained an average of 8.62% annual return to our participants for the past thirty-eight (38) years.

# Children's Life

Free Will Baptist Home for Children • Turbeville, South Carolina

Spring 2008

## From the Directors Desk

As director of the Children's Home, I am amazed at how God works in our lives and in the lives of our children, in providing for us here in Turbeville. We know he is an all caring God but he just keeps proving how wonderful he is everyday. When I look at all the people that take the time to send us donations, it makes me want to say Thank you Lord. He always knows what we need. As you know we do not receive any monies from the government, DSS, or foster care, our income comes from donations of churches, individuals, and businesses. It is through the love and giving of all of you that helps us to operate. The first few months of the year our donations came in really slow and were down, but God has given us what we needed to meet our expenses. I want to Thank you for what you do to help us meet the needs of our children through your generous giving. If you have never given to the home we'd like to ask you to consider helping us, we feel our children are worth it. God bless all of you.

The following is a report of news, updates and future events taking place at the children's home.

- We have 16 children at the present time
- One of our young men plays foot ball for EC High School, one of our young men plays in the band, and won some of the local competitions this past year, four of our children made honor roll, one made student of the month, one young lady just returned from her 5th grade Washington trip, one of our boys just returned from his 8th grade trip to New York, two of our older boys sing on the praise team at Horse Branch FWB, and Robbie is still enrolled at FWBCC and is working towards a degree in Music ministry and teaching in that area as well.

• Financially we are down in our donations coming in for the last few months, of course the first few months of the year are usually slow months, and we ask you to please help us pray this will pick up in the months ahead.

• Our Fox Hunt was a great success—it profited approx \$30,000.

• Special Dates still to come

• Gold City Concert—June 7th at 7:00 PM at Patriot Hall in Sumter. The tickets for this concert can be purchased at the children's Home. We are selling ads at the present time, if you are interested in buying an ad, please call the home and they will be happy to give you the prices. This is one of our main fund raisers during the year to help with our expenses. Tickets on sale now at the home.

• Golf Tournament—September 13th at Wyboo

• Children's Home Day—November 1st at 9:00 AM

• How can You help?

• Pray for children, Staff, Board members, especially Bro. Bennie Turner and Bro. Larry Collins.

• Send cards and letters to our kids.

• Volunteer, by sponsoring a child, bringing your church or youth group to the home for a day or weekend.

• Financially—add us to your budget, SS classes, as a church family, or personally.

We appreciate all of you for being there for us and giving your support to the Children's Home. We are praying for all of you. If I can come and share about the home please call me at 843-260-5065.

In His Service,

Roy Roach

## the Mortgage Campaign

Newl Dotson, M.A., Executive Director

\$1,765,840 sounds like an enormous amount of money. In terms of debt, it sounds like an unthinkable, unreachable, colossal mountain. But God is rich beyond measure—He owns the cattle on a thousand hills—“He is bigger than any mountain—seen or unseen.” He is the Creator of the universe and the elements of the world are at His disposal.

When He calls us to do a job, He is faithful to assure we have the resources to do that job. In 1992 when He called a

be \$694,507. Can you imagine what good this money would do if we could invest it back in this ministry rather than pay it to the bank?

Harvest has been my life's work. It has been the focus of my family, church, and friends for the past fifteen years. Harvest has defined who I am. For many of you, our extended family, it has been the fruit of your labors and sacrifices too. It is my heart's desire to see Harvest's ministry perpetuated long after my years on earth are past. As times grow worse and our economy begins to falter, the need for this ministry will grow even more. We who love this ministry must take action now to assure its existence for years to come!

The Lord has laid a burden on my heart. Harvest needs to be debt-free! I am asking the Lord to let this be our year of Jubilee and eliminate our debt by the end of December, 2008. God has impressed me to search out 1000 friends of the ministry—churches, auxiliaries, businesses, civic groups, and individuals to

*For the past fifteen years, Harvest has strived to serve every child the Lord has sent. Our goal is to never say “no” to any child in need.*

few motivated people to begin Harvest Child Care Ministries—no one knew how it would be accomplished. Yet, He provided. For the past fifteen years, Harvest has strived to serve every child the Lord has sent. Our goal is to never say “no” to any child in need. As we have worked to accomplish that goal, Harvest has grown in just a few years, from one cottage to a campus of homes for children. This growth came with a high price tag.

\$1,765,840 is the price tag of our current indebtedness. What a mountain! In addition, if these mortgages are carried for the originally projected ten years, the interest cost alone will

help eliminate this debt. If 1000 friends will commit a sacrificial gift of \$1,800 dollars the debt will be gone! Your monthly gift of \$150 for the next year will assure that Harvest is financially secure for years to come.

In Joshua 14:12, Caleb prayed to the Lord, “Give me this mountain.” I am asking you to please pray with me that the Lord will help conquer this mountain of debt. Then put legs on your prayers! Please join me by returning your gift today in the enclosed postage-paid envelope. Send your one-time donation or your monthly gift designated “Burn the Mortgage.”

Thank you in advance for your support. God bless you.
