(2) Knowing the urgent needs for the sum of \$8,660.00 in order to secure the donation of \$4,330.00 from the town of Ayden, and that the present needs of the school demand an expenditure of about \$10,000 in

improvements, in order to meet the demands made upon the school. We heartily recommend that the Western Conference put forth the following efforts to raise \$3,000.00 within the next two years, said \$3,000 being an equal share as part we ought to raise. The said two years being the time required for the whole amount to be raised, in order that we secure the Ayden donation.

(3) First, that we raise all the cash we can during the sitting of the present session of this Conference, Second, that we ask for all the pledges we can get during this conference from individuals, ministers and delegates.

Third, That we ask ministers and delegates to pledge amounts for their churches during this Conference.

Fourth, that we request ministers and delegates when they return to their respective churches to present this matter as it is to their churches and make all reasonable efforts to secure cash and pledges. Pledges to be paid as fast as possible.

Fifth, that this Conference appoint one of its members, whose duty it shall be to receive all money raised for this purpose, to make an effort to have this matter properly brought before all our churches, and their membership, both by personal work and in visiting and corresponding, also to solicit cash donations and pledges from individuals and that he make a monthly statement through the "Baptist" of what is being accomplished.

(4) That we do not lose sight of the great educational value of our church organ THE FREE WILL BAPTIST that we, at this trying hour of its history, do all that we can to encourage it with our patronage and means, that it may continue to grow and be a great power in our development for good.
