Starting in the month of October, all  
articles or anything pertaining to the pub-  
lishing of the Free Will Baptist Gem must  
be in the office at 3100 Mt. Pleasant,  
St. Louis 11, Mo. by the 15th of each  
month in order to be placed in the next  
month's issue. The reason for this  
change is that we can get the Gem out by  
the first of each month instead of the  
middle or last of the month. Remember  
the 15th of the month. This will take  
effect beginning with the November issue.

The month of August has really been a  
busy month in the Lord's work. I attended  
seven yearly meetings in seven local as-  
sociations, and the Missouri State Asso-  
ciation which Pastor Rev. Mrs. Alice  
Dickey and the Kansas City First Free  
Will Baptist Church hosted; the Central  
Western Missouri Association early in  
August where I was privileged to bring  
the evening message on Thursday in  
which one soul was saved. The North  
Western Association convened with Union  
Third Fork, Free Will Baptist Church  
near St. Joseph, Mo. Five fine youth  
were saved following the sermon Friday  
morning. This association is small in  
number, never the less a real challenging  
field for our Free Will Baptist denomina-  
tion. Rev. John McKown is the pastor of

Union Third Fork Church.

Saturday, August 1, I attended the  
Ozark Yearly Meeting at Cross Road Free  
Will Baptist. This association isn't a  
member of Missouri State Association,  
however the Cross Road Church recently  
built a new building at the same site of  
the original church. They reported souls  
saved during the past year and kindly in-  
vited me to bring one of the gospel mes-  
sages during this session. Pastor Otho  
Boyd and Merle's Chapel Church enter-  
tained Indian Creek Association August  
5-6 with a real good harmonous business  
session, spiced with good spiritual  
preaching services between sessions.

Niangua Yearly Meeting met with Baily  
Chapel Church near Plad, Mo. August  
6-7. Delegates were present from each  
of their six local churches. Time was  
given for our Missouri Promotional Pro-  
gram.

Rev. Gene Rogers and the Mt. Grove  
Church hosted the First Mission Associa-  
tion August 6-7. This is the second  
largest association in Missouri State  
Association. They too had a real good  
session and lots of gospel singing and  
preaching. Time was also granted for our

State Promotional Work. The South East  
Missouri Yearly Meeting, composed of  
three district meetings, met August 8-9  
with the Fredericktown Church. Reports  
from each church indicate we are moving  
forward here in this section and souls  
being saved. Most of our churches in this  
section maintain a full time pastor and full  
time services.

Grant Avenue Free Will Baptist Church  
of First Mission Association and Pastor  
O. T. Dixon royally entertained the fifty-  
first session of Missouri State Associa-  
tion August 17 thru 21. This was one  
of the best meetings in every respect that  
I have ever attended. You ought to have  
been there to listen to some of the best  
gospel singing and preaching on the face  
of the earth delivered by our own Free  
Will Baptist ministers and singers. Many  
of the suggested goals for our work were  
reached last year plus the extra given to  
help entertain the National Association  
held in Kansas City, Missouri.

I visited revivals now in progress in  
which each have experienced new con-  
verts: West Plains, Evangelist Rev.  
Shield from Indiana, Pastor Davie Combs;  
Gardner, Pastor and Evangelist Edward  
Ruble; Liberty Free Will Baptist near  
Lebanon, Pastor Elvin Sawyer, Evange-  
list Cliff Bowman.

August 29th the Laclede Co. Quarter-  
ly Meeting convened with Jefferson City  
First Church in their new location, 411  
Ashley St., Jefferson City, Mo.

I was glad to give Pastor Sawyer who  
has been on the sick list the past week  
a helping hand and bring the Sunday  
morning message at Liberty Church.

Text: Joshua 3:4 - "For ye have not passed this way heretofore."

Now after the death of Moses, the servant of God, it came to pass that the Lord spoke unto Joshua, the son of Nun, Moses minister saying: "Arise and go over this Jordan, thou, and all this people, unto the land which I do give to them, even to the children of Israel." Joshua was a man of courage and efficient leadership and the Lord promised to be with him. He said: "I will not fail thee nor forsake thee." Hebrews 13:8: "Jesus Christ the same yesterday and today and forever." God's promise never fails. The good Lord was with the children of Israel, so He will be with us as we face our journey through life. We don't know what is ahead of us as Christians, neither did the children of Israel know, but they were willing to follow the word of God. So, if we will follow the words of God and ask ourselves: "What would Jesus do?" We too will receive the same promise. They knew the past and we know the past but God said in Philippians 3:13-14: "forgetting these things which are behind and reaching forth to these things which are before. I press toward the mark for the prize of the high calling of God in Christ Jesus." The children of Israel forgot the past of the journey in the wilderness, they looked in great faith to the land of Canaan and obeyed Joshua's command. All they knew about their new land was what Joshua had told them of God's promise. God's promise is the same today; He promised to be with us unto the end, if we will obey His command. There is great joy to the Christian on life's journey here, for as Romans 8:28 says: "We know that all things work together for good to them that love God."

The Lord will do wonders for all who are sanctified in His name and have faith, hope and charity, which is love, on this journey of life.

We need more faith to launch out and rely on the power of God. So let us have more faith and hear the words of the Lord September, 1964

your God; for faith is the ultimate victory for all who trust in the Lord.

Hope is a strong rock of our foundation. Hope, blessed hope which looks beyond and takes us through the storms of this life. It will abide with us until we reach our journey's end, where we can eat of the tree of life in the midst of the Paradise of God.

Then there is love, the greatest of all. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish but have everlasting life." God is love. If we have this love in our heart we have peace with ourselves, peace with God, and peace with our fellowmen. Then we shall have victory every day and until the end of time

when the Lord shall come. The children of Israel won the victory when they crossed over Jordan into the promised land. We need God's love each step of the way, as John 14:1-3 says: "Let not your heart be troubled; ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so I would have told you, and if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there ye may be also." This is indeed a great promise. Jesus said: "I am the way the truth and the life," and no one can gain the victory without love.

God expects us to work for Him; He has given us greater works than the children of Israel. John 14:12-14 says: "Verily, verily I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do. If ye shall ask anything in my name, I will do it." It isn't our will in this life that brings joy but the Will of our Father. As Matthew 7:21 says: "not everyone that saith unto me, Lord, Lord shall enter into the Kingdom of heaven; but he that doeth the will of my Father which is in heaven." So let us not be slack in hearing and doing God's will. "It is better to obey than sacrifice," for we have not passed this way heretofore.

# TRUTHS

## FOR

# YOUNG

# PEOPLE

By Ken Riggs

Young people of today are making the headlines. Articles are being written almost every day about them. Most of the articles point up the restlessness and insecurity that prevails among them. They are persuaded to join demonstrations and riot groups. Some, I believe, do join such groups out of ignorance. They have been told that there is a good cause and therefore they eagerly join. Others join simply because "the crowd is doing it." I believe the young people of today honestly desire to help make our country a better place; but I also believe that riots and demonstrations will not make our country such. The only thing that will make our country a better place is a demonstration of a person in society who has been transformed by and through the working of the Holy Spirit. This is the basis for any improvement upon a world, a society, and an individual. Along with a new-birth experience there are four other truths that young people should keep in mind if they want to make an improvement in their society.

**I. THE IDEAL OF A CLEAN LIFE -** Psalm 119:9 - "Wherewithal shall a young man cleanse his way? by taking heed thereto according to thy word."

This is the need of the hour - young people vow to live a clean, pure life. A recent article by a Lutheran Minister stated that 80% of the young people of his denomination had premarital relationship. It has become a custom in some parts of the United States to have sex parties where all boundaries and limitations are lifted. Sex in itself is not sinful, but rather it is ordained of God. But it is dangerous, and sinful, for anyone to misuse the privilege that God has ordained for those, and only those who are married.

Living a pure, clean life involves more than resisting to commit a grave sin. It also involves decency in dress. Here again the standards of America are being

lowered. We are now saying it is alright to swim, and even attend formal gatherings half-dressed. Young lady, you are not living a clean, pure life when you prance around over your community dressed like a native in some far country who has never heard of civilization. A young lady who exposes her body to the public should realize that she is inviting trouble, not ignoring it. Notice that the Psalmist answered his own question. "How shall a young man cleanse his ways?" He then answers, "By taking heed according to thy word." What does the Bible say about being clean and pure? The Bible states that we are to be examples of the believers in purity.

Young people, even though you don't realize it now, those of your same age will admire you if you will stand up for convictions, and I'll admit the hard part is living up to them. You know from personal experience that you admire that person who does not follow the crowd. Live a clean life.

**II. THE CERTAINTY OF JUDGMENT -** Ec. 11:9

So many times when we hear a sermon about the judgment of God, we say to ourselves, "That's for mother and dad, not me." But is that true? In the Book of Ecclesiastes we are told that the young person will be in judgment, too. In Ec. 12:14 we read: "For God shall bring every work into judgment, with every secret thing, whether it be good or whether it be evil." God knows all the secret things that we do. He knows when we slipped off and smoked that cigarette when dad told us not to; he knows when we steal that little item when "the coast was clear." You, as a young person, will be judged and sentenced for your sins, unless you ask Jesus Christ to stand in your place, and the only way He will stand in your place is to live in your heart.

**III. THE POWER OF PERSONAL INFLUENCE**

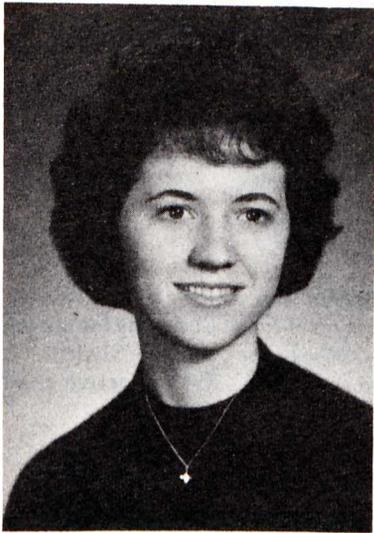

Personal influence is a powerful weapon. This is why a lot of teenagers get into trouble. The power of the crowd and the desire to be accepted draw them. This is why it is so important to get with the "right crowd." I am convinced that some boys start smoking just because a famous athlete does or some other celebrity. It's only natural to be wanted and popular, but don't substitute popularity for moral convictions. Have you ever thought what would happen if all the Christians would do as much to influence sinners as sinners do to influence Christians? In just a few years we could again have a Christian America. Sure, it's rough to influence others to accept Christ, but they want you to do it. They won't tell you that, but they do. You are what you are today because of the influence of somebody else. If this be true, doesn't it logically follow that I should be careful whom I let influence me? You know how to influence. How did you get that girl to accept a date with you? How did you get that boy to ask you? This is the power of personal influence.

**IV. MORAL STRENGTH IS MIGHTIER THAN PHYSICAL**

The strongest man in the world is not someone with a brilliant physique and protruding muscles. The strongest man is that man whose morals and convictions are centered in Christ. That man has the literal power and potential to turn the world upside down. Paul says to "be strong in the Lord and in the power of His might." Look at David. He was a little chap fixing to fight a nine foot giant. But what happened? He was strong in the Lord and defeated Goliath. You can defeat those giant mountains of sin and temptation in your life by being strong in the Lord. Just remember, any fish can flow down stream, but it takes someone with a strong back and determination, which the Lord gives, to go up stream and battle against the currents.

## My Testimony

### MY TESTIMONY

I feel the Lord has led me to go to Bible College because as a Christian it is my duty to learn more about God, fellowship with Christians and learn to lead the unsaved to Christ. II Timothy 2:15 tells me to study God's word and apply it to my life. By going to Bible College I will have more of an opportunity to do this. The Bible stresses many times the need of Christian fellowship. In Nashville I will get the foundation and training for my life from the Christian atmosphere. When one speaks of leading an unsaved to Christ I think of Christ's command in Acts 1:8 to teach and witness to the unsaved.

These reasons and the leading of the Lord are the reasons I am going to Free Will Baptist Bible College in Nashville.

## The Choice We Must Make

In Deuteronomy the 30th chapter and 19th verse we read that God said to the children of Israel, "I call heaven and earth to record this day against you that I have set before you life and death, blessing and cursing; therefore choose life that both thou and thy seed may live."

The great events in our lives today are made by choosing. We choose the school we attend, where we live, how we are going to make our living, the one with which we share our life, and we are also made to make the choice of life and death. This doesn't mean that we can physically say we can live or die, because God only has that power. Spiritually we have the choice of living in light and having God rule our lives or being sinners and living in darkness.

Joshua made his choice of life when he said to the children of Israel, "Choose you this day who you will serve, but as for me and my house we will serve the Lord." (Joshua 24:15). The great trouble with God's people in Joshua's time was that they made the wrong choice, as many people do today. They were more interested in other things than God's love.

Today each one of us is either choosing life in Christ or death in worldliness; Jesus says He is the way to life and that there is no other way. (John chapter 14.) Jesus says the easy, aimless life is the way to destruction, but that the way to life is difficult and by choice. (Matthew 7:13-14.) Jesus tells us that it is impossible to serve two masters, for we will love one and hate the other. In these troubled times God is saying to you and I, the youth of today and the leaders of tomorrow, that we must make a choice. To have the victory over the rising problems of the world we must be sure that that choice is the right one.

Let us look to God for his will and guidance over our lives so we can have that victory. It is ours if we will claim it.

### SPONSORED THE PURCHASE OF AN ORGAN

Grant Avenue Free Will Baptist Auxiliary held a very impressive installation service for the new officers at the last meeting. The theme, "At Calvary", was conducted by Delma Branson. The Lord has blessed our auxiliary the past year. We have had several new members enlisted. We have supported missions and directed several benevolent activities. We also sponsored the purchase of an organ which is a great blessing to the services of our church.

We are planning and looking forward to a large crowd attending the State Association here at Grant Ave. in August.

### ACTIVE FOR THE LORD

Dear Mrs. Davis,

I am enclosing a report of our Y. P. A. that you may use in the Gem.

The Verdella Y. P. A. was organized in July, 1962 with eleven members. At the present we have 17 members; four of these are from the Hannon Free Will Baptist Church and four from the Oskaloosa Free Will Baptist Church. One member comes from a church in Liberal and the remaining eight are from Verdella.

In the past year they have done the following: The girls worked in two sessions of Bible School; visited the older members of our church; had a float in the Lamar and Liberal fairs; sponsored a youth revival; sent New Testaments for Home Missions; sent \$5.00 to each of the following: Rev. Waid Car Fund; Bible College in Tennessee; Youth Camp, and Childrens Home in Tennessee.

They have each selected a missionary family to write.

In July of this year new officers were installed at our regular meeting. Also on August 23 the youth of the Verdella Church had charge of the services for the day.

A fall youth revival is planned and are looking for a good year ahead for the Verdella Y. P. A. Rev. David Pryor of Monnett is the pastor and Mrs. Roger Phillips of Liberal is the sponsor.

There was a very good turnout of parents. The real blessing came afterwards when three little girls were saved that had attended Bible School.

We were all glad when Sis. Alice Dodson answered her call to attend the Free Will Baptist Bible College.

## PRESSURE COOKER FOR PROVISION CLOSET

The Thayer Free Will Baptist Womans Auxiliary held their monthly meeting on August 11 with seventeen members present. The president, Sister Helen Underwood, opened the meeting and scripture reading was II Timothy 2:2. We sang "What a Friend," and Sister Clara Allen led in prayer.

The roll call was answered with a bible verse pertaining to teaching, as our lesson was "Able to Teach Others." Then the officers reports were given.

The Auxiliary is buying a pressure pan to be put in the Missionary Provision Closet in Nashville, Tenn.

We enjoyed a very interesting program. Following the program we were dismissed in prayer by Sister Ruby Brewer.

# REPORTS from the STATE MEETING

We, the Temperance Committee, submit the following recommendations:

1. We recommend the following scripture for your prayerful study: II Cor. 6: 17, "Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you." I Thess. 5:22, "Abstain from all appearance of evil." I Cor. 10: 31, "whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." James 4:17, "Therefore to him that knoweth to do good, and doeth it not, to him it is sin."

2. We recommend that our ministers be living examples and preach against the following evils:

1. Alcoholic beverages
2. Dancing
3. Use of tobacco
4. Card playing
5. Movies
6. Immodest dress
7. Indecent literature
8. Improper use of television
9. Failure to observe the Lord's Day as a day of worship.
10. And all things that would hinder a Christian testimony.

And furthermore we suggest that any minister or laymen who are in doubt concerning any of these items, pray for the leadership of the Lord, and the true convictions of the Holy Spirit.

3. It is our opinion that many of our young people who purchase records of rock and roll singers do not realize that they are being indoctrinated with atheistic and immoral tendencies. We give as example a recent article in Saturday Evening Post, which stated that the Beatles openly professed that they were anti-Christ and boasted of their vulgarity and profanity. We suggest that our young people screen the artist in all record purchases as to their character and content of the music.

James McAllister  
Harry R. Asher  
James Barker  
Frank Guinto  
Cletus Nichols

We, your Missions Committee recommend:

1. That each District Association appoint a person who will be responsible to work out various itineraries of the Home and Foreign Missions Boards. This per-September, 1964

son will work in cooperation with the Missouri Mission Board to coordinate the missionary services and eliminate conflict of services. We emphasize the need of sending the name of each appointee to the national officers.

2. That, whereas, these services are gladly offered, we urge each church to have at least one missionary service during the coming year. The services of our missionaries may be secured by contacting Rufus Coffey of Foreign Mission Board or Mark Vandervort of Home Mission Board, 3801 Richland Ave., Nashville 5, Tennessee.

3. We prayerfully and urgently recommend each church to give consistent monthly support to mission work. This may be implemented by church or individual pledges.

4. That we commend the State Home Mission Board by standing vote of thanks for their untiring efforts in organizing new churches this past church year.

## REPORT OF PUBLICATIONS AND LITERATURE COMMITTEE

1. Whereas the sale of literature is the only means of support for our Sunday School Department, we recommend that all our Sunday Schools use Free Will Baptist Sunday School Literature published by the National Sunday School Board.

2. We recommend that each pastor stress loyalty to true Free Will Baptist Literature in every phase of our work.

3. We recommend that our churches and people patronize our Missouri State Free Will Baptist Book Store, 3100 Mt. Pleasant, St. Louis, Missouri, to secure proper books that are true to the Bible and Free Will Baptist Doctrine. We further recommend that our Book Store make provisions whereby Bible School supplies, etc. may be purchased.

4. We recommend that each pastor send a list of his members names and addresses to the Foreign and Home Mission Boards in order to insure their receiving "Heartbeat" and Mission-grams."

5. We recommend that every church adopt the Church Family Plan for the Free Will Baptist Gem and Contact and that a

special effort be made by every church and pastor to have the Gem in every Free Will Baptist Home in Missouri.

6. We recommend that the Missouri State Association encourage the publication of Study Course books written by Free Will Baptist on such subjects as: Duties of Ushers, Church Clerk, Treasurer, Deacons, Trustees, etc., and for the new convert to faith in Christ.

7. We recommend that all yearly associations be encouraged to promote local church libraries to make better informed people.

By A. L. McFarland

Recently concluded at Springfield, Missouri was the fifty-first session of the Missouri State Association of Free Will Baptists. Highlighting the session was spiritual preaching, sound business and sweet fellowship.

Your State Sunday School and Church Training Service Board was in charge of the program on Monday night and through Tuesday noon. The Rev. Robert Shank, renowned author of the book "Life in the Son", challenged our hearts with a stirring message. Tuesday morning was a busy time with many and varied things on the program. The skit, "A Junior Boy for Sale", was impressive. True, the devil bids for our young folk today, the world displays its allurements to snare our boys and girls, so the Church needs to bid high to enlist them into the service of Christ.

We're glad to report an increase in participation in our State Sword Drill. This year we had eleven Juniors and Intermediates from across the state competing against each other. Let me say "thank you" to all of those who participated, and God bless you for your increased interest in "studying to shew yourselves approved unto God." Here are the names of those who participated, plus those who won the respective first, second and third places. From the First Free Will Baptist Church in Kirksville, winning the first place trophy, was Miss Joyce Thomas. Winning second place, a free trip to the youth camp, was Gary Matthews from the Beacon Church in Kansas City. Third place winner, taking home the Cambridge Bible was Randy McFarland from South Side Church in St. Louis. Dwight Carter from the Beacon Church in Kansas City placed fourth. The other contestants were Dennis Climer, First Church in Springfield; Tim Eaton from Joplin Church; Steve Ford from Joplin Church; Nancy

Horton from First Church in Kirksville; Delila Mason from First Church in Mountain Grove; Rickey Riley from Hazel Creek Church; and Carol Smith from First Church in Springfield.

Next year we hope to have a Junior, plus an Intermediate Sword Drill, with awards for both groups. Now would be the time for your Juniors and Intermediates to begin thinking about entering our 1965 State Sword Drills.

Our Board is happy to welcome our new Board member, Rev. Eddie Altis. We're happy, too, to have our name changed from the State Sunday School and League Board to the State Sunday School and Church Training Service Board. We're happy, too, to be charged with the implementation of our new National Youth Program here in our state. This is not only our burden, but also our happy desire, to see our long neglected youth considered as very, very important people. Just what type of program our State Board will promote is yet unknown. We feel however, that we will work closely with our National Church Training Service Board on this program.

We want to thank each church for your direct gifts to the Board through your reports. Many churches did not report, therefore our Sunday School and League statistics were not accurate. Next year when your Pastor and your Church Training Service Director receives a report, won't you please be expedient in getting it filled out and returned to us.

Our next scheduled Board meeting will be in St. Louis, Missouri at the South Side Church on November 14. If you have any questions, or suggestions, contact any member of our Board prior to this meeting. Our present Board members are as follows: James E. Raper, Chairman, Albert L. McFarland, Jesse Webb, Hubert Harral, Eddie Altis.

From Page 2

Also to be with Pastor Virgil Maness at Salem Church Sunday night and bring the message there. I request prayer for each of these churches and pastors.

Thanks again for another good year in Missouri, made possible by your cooperative efforts. Please write for your 1965 Book Store catalogue. Mail all correspondence and orders to 3100 Mt. Pleasant Street, St. Louis 63111 Missouri.

MEETING THE CHALLENGE  
IN THE LAND OF OLD MEXICO

August, 1964

Dear Friends:

Greetings once again in the lovely name of our Lord and Saviour Jesus Christ. May the Lord bless each of you in our prayer.

This month has been a very busy time for us. We finished all the D.V.B. Schools. All the churches report very good attendance and very good interest. As the time draws nearer for the Convention and the new school year we are having to work extra hard to finish the buildings.

Many of you have asked if we plan to move out to the new property this year. The answer is YES. We are painting the buildings now. We lack ceilings and some of the buildings lack finished flooring, but we will use them the way they are this year. The convention which convenes September 4-6 will be held at the new property. Then on September 8 the new school term begins.

The buildings we have are: Two offices, a girls dorm that will house 18 girls, a boys dorm that will house 22 boys, a

large kitchen and dining hall, the Goshen building that will house two of the teachers, and two rooms for classrooms. We also have the chapel building, this was on the property when we bought it. The other classes will be held wherever we can find place. We truly thank, first of all God, then you, who have so wonderfully responded to the building project. If you have not yet responded, there is still plenty of time. Many more buildings are needed, also bathrooms, sidewalks. May God bless you as you pray and give to the cause of Christ.

We trust many of you will attend the Convention. We will have the dedication of the property at the convention. We are so proud of what God has done, we would like for you to share the joy with us. Now read the following very carefully. This is how to find our place: As you get into Monterrey, get on the Mexico City highway #85, follow the highway on out of the town as if going to Mexico City or Tampico; when you have driven about 8 miles start looking for a sign, you can't miss it. "Instituto de Oro, Bautista de Libre Albedrio", which means in English "Institute of God, Free Will Baptist". Turn left and follow signs, it is about one city block.

Please don't worry about a place to stay, we live just next to the school, we have lots of room and the school has plenty of room. We feel sure that you will enjoy the good fellowship the 3 days. The theme for the convention will be "Be Thou Faithful". Now if you plan to come and feel like you will need help in finding the place just let us know and we will meet you in town. The church address is: Amecameca 250 Colonia Buenos Aires. Just get any taxi driver to take you to this address or you can send us a letter ahead of time and we will make arrangements with you personally to meet you somewhere. We do not live in Monterrey any more, you will not find us at the former address you have. So please do not come thinking you will find us there. If you need to send a telegram, send it to the above church address or to our mailing address, Arturo Villalobos, Apartado 2094 Monterrey, N.L. Mexico.

Time goes by so quickly, our Danny will begin school this year. As I see the children growing so quickly it makes me to realize that time is going by faster than one thinks. We have been on the field almost 6 years. Many things have happened, many things have changed, many lives have also been changed. But I also realize that time is running out. I think as I ask myself the question many times, "How much more time do we have?", I see village after village without the gospel witness, never having heard, it isn't possible that we can go to all towns and villages, the only answer is to train our people here to take the message, but they must be trained. This takes time. Some times we get anxious to send someone out, because the people beg to have someone to teach them the Bible, before they are fully prepared, but we have learned it is better to wait until they have the preparation they need even if it does take longer. We want you to pray with us concerning the new school year. We are stepping into something we haven't experienced before. We are having a 9 month term because 5 months just isn't sufficient. We are asking YOU to share this request with us. God knows our need, both physically, and financially. He will provide surely.

By the way. Not a one has as yet taken the support of a student this year. Will you pray and remind your Leagues, Woman's Auxiliary, Young people's service, and church. \$35.00 will take care of one student for the 9 months.

We will see you at the convention!

# MISSION

# FIELD

August, 1964

Dear Friends:

We are enduring the dryest summer on record for the Washington, D. C. area. The "summer slump", as it is called, did not by-pass this church. Isn't it tragic indeed, that thousands of souls must die and go to hell just because so many Christians think that the "summer slump" is inevitable!

In the midst of this, we have had a portion of revival. Our speaker was Rev. Gordon Sebastian from Hookerton, North Carolina; (we would highly recommend him as a lover of souls with a compassionate message). There were many rededications - only time will tell the real depth of revival this church is experiencing.

During the past month two were saved in the home and three new members were added to the church.

Thank you for your prayers and support. Pray for our enlarged ministry in this huge metropolitan area.

# FREE WILL BAPTIST BIBLE COLLEGE

Free Will Baptist Bible College once more opens its doors to a record number of students in the beginning of its 23rd year as young people from across the nation come to Nashville to train for Christian ministries.

According to Dean Charles Thigpen, registration for the record number will begin Tuesday, September 8. Classes will begin on the 10th.

Other records are being broken as the Bible College continues its consistent expansion. In July, the College presented the largest gift budget in history to the National Association. Free Will Baptists approved the 1964-65 gifts from state quotas of \$125,000, an increase of approximately 50 per cent over the previous year.

The state quota for Missouri is set at \$6,500 for 1964-65. State quotas are listed below.

One new faculty member will begin her teaching duties at Free Will Baptist Bible College in September. Miss Lydia Radu will be teaching speech and English. A native of Ohio, Miss Radu received her B. S. and M. A. degrees from Bob Jones University. With a major in speech education and a minor in English, she taught three years at Lakeview High School in Courtland, Ohio, and did graduate work in public speaking and interpretation at Kent University, Kent, Ohio.

With the expected increased enrollment, the Bible College is faced with critical decisions both for the spiritual and academic welfare of every student. Facilities must be modified to accommodate each person; decisions concerning the curriculum which would best benefit the students must be made. The College is dependent on Free Will Baptists to support this vital educational program with finance and with prayer.

The Bible College will be represented by Public Relations Director, Rev. Paul Ketteman, at the Missouri State Association meeting August 16-23.

FREE WILL BAPTIST HOME  
FOR CHILDREN

Route 9, Greeneville, Tennessee

August, 1964

Dear Friend:

God has really blessed the work of Free Will Baptist Home for Children in a wondrous way, especially during the past two years. Our friends have been so generous with their financial support and

prayers. We know this is God's way of supplying the needs of the Home.

You perhaps remember the large indebtedness which has been reduced considerably. At the same time many improvements have been made on all the buildings. Yet there still remains an indebtedness of less than \$10,000, most of which is the balance on our newest cottage. We are asking you to help us reach our "free from debt" goal by the end of this month.

Pray about the matter. Do your part and ask others to help also. Please do

not disregard this appeal because it is very important. We feel confident that the Lord will provide the money we need to pay off all the Home's indebtedness because we are doing what is mentioned in Jeremiah 33:3.

Make your contribution today and feel good about having a vital part in this great work. May the Lord bless you always.

Yours for the Cause of Christ,

Ray C. Turnage  
Superintendent

EVERY CHURCH FAMILY PLAN  
OUR GOAL: 2,000 SUBSCRIPTIONS  
100 CHURCHES

The Every Church Family Plan is the best plan ever used by Free Will Baptists to keep their membership informed. It is currently being used by the Gem and our national magazine Contact. The plan is simple. The church clerk makes out a list of the names and addresses of all the families in the church. (Be sure each home is represented on the list.) This is sent to the Gem editor and he adds the names to the mailing list of the Gem. As the Gems are sent out the editor bills the church for the amount of copies sent out to their members. Names may be added or dropped at any time. The plan remains in effect until the church requests that it be discontinued. It does not expire. By using this plan every family in every church that subscribes to the plan will be informed of denominational activities. This is the best plan for your church. Why not use it? # MASTERS MEN

The delegates to The National Association of Free Will Baptists, meeting during July in Kansas City, approved the creation of a National Laymen's Board. The board, composed of seven members elected to terms ranging from one through seven years, replaced the Laymen's Commission and is charged with directing and coordinating the activities of local chapters of The Master's Men.

The seven members of the new board are E. A. Mallard of North Carolina, president; Kimble Crossley of Mississippi, vice-president; Hubert L. Harral of Missouri, secretary; Herbert Peppers of Tennessee, recording secretary; Howard Gwartney of Oklahoma, membership chairman; Glenn Harlinger of Iowa, activities chairman; and T. C. Mitchell of Florida, chorister. The Rev. Robert C. Hill of Richmond, Virginia, was elected executive secretary of the board.

The National Laymen's Board will direct various projects through the local Master's Men chapters, promote and encourage the participation of laymen in church and denominational affairs, seek to engage the active support of every layman for his pastor, and sponsor both a National Laymen's Congress and the annual Laymen's Breakfast during the meeting of the National Association.

The 140 Free Will Baptist churches in Missouri number approximately 3,500 laymen - men who belong to the Master's

but only 22 churches have a Master's Men chapter (and only 9 of these have paid their 1964 dues). What could three

and a half thousand devout laymen do for the cause of Christ in this state, if they were organized and united in a common

purpose?

If your church does not have a local chapter, only two simple steps are necessary. First, speak to your pastor and gain his support and advice. Second, write for the "Handbook for Master's Men," available from The Master's Men, 3801 Richland Avenue, Nashville, Tennessee. They sell for 20¢ each, six for \$1.00. (Each member of the local chapter should have a copy.) The handbook will give complete requirements for organizing, including a suggested program for the first meeting and duties of the chapter officers.

Once you have organized a chapter and mailed the \$1.50 annual contribution for each member to the national office, you will receive a charter, membership-identification cards, and a free subscription to the quarterly magazine, *Attack*. The magazine contains devotional thoughts, pictures, news, and suggested programs and projects for your monthly meetings.

If your church would desire some assistance in organizing a local chapter, or if you would like the men of your church to learn more about the organization, you may contact either Francis Elliot, the Missouri representative to the National Laymen's Congress, or Hubert L. Harral, member of the board, by writing to the First Free Will Baptist Church, Mtn. Grove, Missouri.
