#### Church Mortgage Disappears at Cabool

Reverend Lester Davis, pastor of the Cabool Free Will Baptist Church gives this information. When the church treasurer went to the bank to make a payment on the mortgage she was told that the account had been paid in full. This made the congregation of the church very grateful but a little curious as to who was the anonymous benefactor.

On January 10, 1975 the church had taken out a fifteen-year \$44,000.00 loan to construct the present two-story brick church building at the corner of Summit and Hickory. Several members of the congregation had signed personal notes to secure the loan. When Brother Davis assumed the pastorate in 1978 the loan had been paid down to approximately \$35,000.00.

As the regular monthly payments were being made it was discovered that extra payments were being made by some unknown person, sometimes as much as \$3,000 at one time. The balance of the loan in mid-March stood at approximately \$14,000.00. When Mrs. Pauline White, the church treasurer went to the bank to make a regular payment she received the surprising news that the entire amount had been paid by an anonymous donor. When the announcement was made to the congregation the following Sunday, the people were "quite shocked" stated Brother Davis. The church decided to hold a Mortgage Burning Service, an event that some of the church members felt would not come in their lifetime.

The pastor stated, "I would like to express thanks to the people for what they have done." This summed up the feelings of the congregation.

Miss Sasser was graduated with magna cum laude honors and Mr. Felts was graduated with cum laude honors.

#### Awards Banquet and Graduation at Olivet

The Olivet Christian Academy held its Commencement Exercise and Awards Banquet on Thursday, May 20, 1982, at the Olivet Free Will Baptist Church in Marshall, Missouri.

It was a historic event in that OCA graduated its first graduate from the 12th grade. He was Hershel Wendell Hayes.

The principal of the academy, Reverend Steve Hale, presented awards to several students and also to members of the faculty.

Reverend Clarence Burton, promotional secretary of the Missouri State Association, gave the commencement address to approximately three hundred people that were gathered for the occasion.

The pastor, Reverend Cliff Bowman, commended the students and faculty for a wonderful year. He presented a gift from the students to Reverend Steve Hale and recognized the faithful service Brother Hale had rendered to the school and the church. The Home Mission Board and the Moberly Mission called Brother Hale to serve as pastor of the new work in Moberly, Missouri.

The ladies of the church and academy provided a beautiful banquet preceding the commencement exercises.

#### 50th Anniversary at Monett

Mrs. Miriam Whitaker, publicity chairman for the anniversary activities writes, The First Free Will Baptist Church of Monett, Missouri observed and celebrated its 50th Anniversary on Sunday, April 18, 1982. The day began with 194 in Sunday school attendance and 241 attending the morning worship. During the noon hour a bountiful turkey and ham dinner was served to approximately 200 persons.

During the afternoon service there was congregational singing, choir specials, a solo by Sherry Gray, and singing by a quartet composed of Joe and Donny Davis, Joyce Phillips, and Lewis Greenway. Mayor Harrell of Monett spoke concerning the accomplishments of a sincere and determined group of persons. He recalled that the church began in 1932 in a small building in the downtown area. As the church grew, property was purchased and a sanctuary was constructed in 1955 on Central and Sycamore. In 1960 a parsonage was built near the church.

After much growth a new and larger sanctuary was built, joining the present building, in 1972.

Only three charter members were able to attend the Anniversary Service. They were Fannie Weston and Marie Atwell, present members, and Margurite Metcalf Swaffer who lives in Independence, Missouri. The charter members gave brief testimonies. Three former pastors brought congratulations and gave brief messages. They were Reverends W. K. Weston, Bob Francis, and Tommy Day.

The church foyer walls were lined with pictures of the past and the many events that occurred during the fifty year history of the church. The tables in the Fellowship Hall and the interior of the sanctuary were adorned with gold mums.

The main theme of the day and the thoughts of those who spoke brought honor and glory to God. It is only because of His love and guidance this church has grown and prospered in the work of the Lord.

Reverend Stanley Jones is serving as pastor of the church.

#### Record Attendance Set at Fredericktown Church

The First Free Will Baptist Church at Frederick-town, Missouri continues to enjoy the blessings of the Lord, writes Pastor John Turner. In a recent revival with evangelist Don Pegram the church saw six first time decisons, ten re-dedications, and twelve uniting with the church. Record attendance was set on May 16, with 263 in Sunday school.

Proceding the revival services, the evangelism teams of the church, consisting of fifteen soul-winners had led fourteen people to Christ in seven weeks. "We go forth praying and expecting God to save someone, and come back rejoicing!", states Pastor Turner.

#### Report from the Overland Church

Miriam Wilhite, church reporter writes, the dawning of the New Year seemed to whisper of good things to come as two wonderful couples followed the Lord in the ordinance of water baptism. The optimism was high as we began to see new people attend our services. Little did we suspect that God was preparing a special homecoming to glory for two of our most precious members: Sister Margaret Konnersman and Brother Lee Evans. One died while having open heart surgery and the other suffered a massive heart attack. We miss them, but we do not question the wisdom of our Heavenly Father.

The pastor, Reverend Asher, has taught a Teacher Training Course with thirteen persons receiving credit for perfect attendance. The course was a special blessing to the church and hopefully will produce much fruit for the church. Within the last two months a young man, a father, has been saved and two young men in their twenties accepted Christ as Savior.

Plans for the summer include a Vacation Bible School in June and a Teacher Training Course in August led by Reverend Harrold Harrison from the Sunday School and Church Training Department.

#### Historical Conference at Mt. Zion

Seven district associations were represented at the Historical Conference held at the Mt. Zion Church in Gower, Missouri. The message Friday evening was preached by Reverend Cliff Bowman and the message Saturday morning was preached by Reverend James Barker. (Reverend Cecil Campbell was unable to be there because of a death in the family.) The messages were informative, interesting, and challenging. It was interesting to hear the testimonies from the district association representatives and to hear the history given by a member of the Mt. Zion Church. During the meeting and after the dismissal it was good to hear people remark, "I am glad that I am a Free Will Baptist" and "I am glad that I am a part of the Missouri State Association."

This month is the first month of the 1982-83 Associational Year. It has been a wonderful month for which we are so grateful. I trust that this is a preview of the entire year. It can be and will be as we share in this unified effort to spread the gospel throughout the world. May the Lord continue to bless the faithfulness of His people.

This is the second month of the 1982-83 year. The Lord is blessing and I trust that we shall never take His blessings for granted. Because the month ended on a Monday holiday it does not reflect the total cooperative giving for the month of May. But it will be reflected in next month's giving. The State and National ministries are undergirded and supported through cooperative and designated giving. May the Lord continue to bless the faithfulness of the givers.

## Essentials of Evangelism

by Stanley Jones

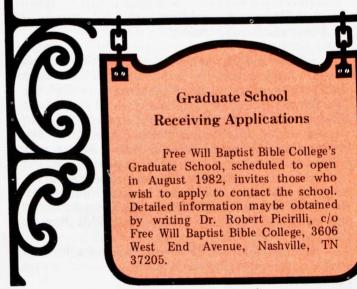

When a baseball club wins a game, the pitcher seems to receive all the recognition. While it may be fair to give the winning pitcher much of the credit, he would have a difficult time winning if it was not for the help from his teammates. In my opinion, winning a baseball game takes team effort.

Team effort is also necessary for a church to succeed at evangelism. No one individual in the church can take all the credit when a soul comes to Christ. Let me give you an example of what I mean.

Recently in the church where I pastor, a young man in his early twenties came to the altar during a Sunday night invitation. For those who didn't know otherwise, it might have appeared that the man's response was the result of the evening message. But, many of us in the service that night knew differently. The public decision of this man was the combined result of a Christian witness on the job, the witness of his landlady, the prayers of the church every Wednesday night, the witness of a layman and myself during the Thursday night visitation program, and the work of the Holy Spirit. In fact, his decision to follow Christ was made in the home. But as he knelt before the altar, everyone who had a part in bringing this soul to Christ rejoiced together.

Now, team work is being used to help this young convert to grow. He is involved in follow-up with the pastor and another layman, he is still remembered in prayer by the church, he still has the witness of fellow Christians, and he is being encouraged through the fellowship of the church's softball team.

I'm reminded of two verses in 1 Corinthians that seem to sum up this team effort in evangelism. "I have planted, Apollos watered; but God gave the increase. For we are labourers together with God: . . . " 1 Corinthians 3:6, 9a.

#### Dr. Ange Enters Field of Full Time Evangelism

Dr. Joseph Ange resigned his position at Free Will Baptist Bible College. His resignation became effective at the close of the school year, May 15, 1982. He served as the college Director of Religious Activities and Director of Christian Service and Campus Pastor.

He will be available for pastors' conferences and missionary conferences along with his evangelistic endeavor. He may be contacted at this address: 606 McDonald Court, Nashville, TN 37217 or phone 615-361-6226.

#### From Our Missionaries

The Lytles in Panama: Thanks to all the churches in Missouri that contribute to our account. We are thankful to be representing them in Panama. A young man 22 years of age was saved and baptized a relatively short time ago. Judy led a lady and her teenage sister to the Lord recently and they followed the Lord in water baptism. We think of you often and appreciate your fellowship in the Lord.

The Manesses in New Jersey: Please pray for our continued growth. In April we averaged 24 in morning worship, 18 in Sunday school and our

finances were up \$156.00.

Thanks to those that are giving regular monthly support and thanks to those who have purchased church bonds.

The Fulchers in Nashville: We have reason to rejoice. If our income is as good for May as it was for March and April we will have the needed finances to go forward with the Spanish American ministry. Let me encourage you to continue with us in this ministry. The opportunity is great. We must have continued financial support. With your praying and giving hopefully our account will stay out of the red. We really appreciate the good offerings we receive from the churches in Missouri.

#### **Brother Reeves Honored at** St. Francois Association

Brother A. E. Jenkerson, clerk of the St. Francois District Association, writes that on April 23, 1982 at the Friday evening session of the association, Brother Jim Stovall showed some slides of the history of the Missouri State Youth Camp. Reverend William Reeves helped with the narration. Immediately following the slide presentation Brother Reeves was given a surprise by presenting him a plaque from the association, recognizing his 26 years of service to the camp by serving as caretaker and superintendent. He served from 1946 to 1972. He is now a member of and working with the Desoto Free Will Baptist Church.

A wonderful time of fellowship and refreshments were enjoyed following the service.

#### A Note of Thanks from Waynesville

Mrs. Ida Stafford, member of the First Free Will Baptist Church in Waynesville, Missouri, writes this item of praise. I thank the Lord for blessing me with many new friends at the Free Will Baptist Church in Waynesville. I have a special, very special place in my heart for each one and it makes me very sad to think that soon I'll be leaving. Perhaps I will never see many of the ones that I love until we reach Heaven.

I pray the Lord will bless each one that serves Him and that everyone will grow stronger in their faith and determine that nothing will cause them to quit. I pray the Lord will bless the fine pastor, Brother John and his loving and caring wife. May they have good health and the patience to continue in the Lord's work and never become discouraged.

#### **Educational Building Dedicated** at Freeman Chapel

Sunday, June 6, was a special day at the Freeman Chapel Free Will Baptist Church. The church held a Dedication Service for the recently built educational addition. The addition included spacious classrooms, complete kitchen and dining facilities, the pastor's study, and a foyer. While doing this building the church installed new carpeting in the auditorium and carpeting in the Fellowship Hall.

At the beginning of the morning worship the pastor, Reverend Vernon Maggart presented a plaque to two people, Mr. Kerns and Mrs. Boyes, for their labor and encouragement that helped make possible the building of the educational unit. He also presented a surprise gift of \$1,000 from the church to Darren Verbick the church musician. He was selected to make a tour in Europe with a choral group of young people. He will serve as pianist for the group.

Reverend Clarence Burton, promotional secretary, delivered the dedicatory message. He mentioned four qualities that reflect a great church: compassion, compulsion, commitment, and consecration. These, he said, "were surely reflected in the ministry of the Freeman Chapel Free Will Baptist

Church.'

A youth choral group called "The Special Delivery" presented several special songs to a full auditorium. The church provided a bountiful and delicious dinner following the dedication service.

Report

On

State

Association

by Clarence Burton

Was it the preaching? the singing? the fellowship? that made the Missouri State Association so great! To take any part out would be like taking an important ingredient out of a properly mixed cake—something would be missing. Every part of the association was in its proper proportion and mixed beautifully. It has been said before but it bears repeating—it seems that each year it gets better. Truly the Lord does bless in an unusual way each

year.

The theme "Building God's Church" was well developed by the preachers. It stirred the "get-upand-go" and made one want to go back and build a church for the Lord. Many, no doubt, felt as one preacher gave his testimony at the close of the Wednesday evening service, "If I don't build a church where I'm pastoring I think I'll die!" That's desire; that's motivation, and I believe by the grace of God this pastor will build a church. May this be the desire of every pastor and layman. The singing was beautiful. The special singing, the congregational singing, the music director, and the musicians were blessed and used of God to bless in every service. The devotional messages complemented the theme and prepared the delegates for the business sessions. The ones that presided handled the services under the sweet leadership of the Holy Spirit.

A hearty thanks to those who were on the program and to the pastor and members of the Grace Church. The sixty-ninth session of the Missouri State Association will be long remembered as a great one

that was blessed of God.

This year was Reverend Dale Skiles last term as moderator. The by-law states that the moderator can only serve three successive terms. Brother Skiles has served efficiently and effectively as moderator of the Missouri State Association. He has done a tremendous job. Under his leadership the items of business were treated fairly, discussions were open within the structure of the guidelines (a bit of humor was injected when needed), and the association moved as smoothly as a peaceful stream of water. A great big thanks to Brother Skiles from all of us for a job well done. Reverend Millard Sasser the assistant moderator was elected to serve as moderator. Brother Sasser has the ability and leadership to serve well in this

capacity. We are anticipating continuous growth as we labor under his guidance. Let us remember him in our prayers. I surely want to mention the fine work done by Brother Nathan Ruble as clerk and Brother Richard Robinson as assistant clerk. These men gave up their positions by choice. Reverend Ruble was elected to serve as assistant moderator and Reverend Robinson felt that he was involved in enough activities at present. Brother Joe Braddy was elected to serve as clerk and Brother J. L. Tilson was elected to serve as assistant clerk. These men will serve well in these positions.

I am looking forward to a wonderful year. We adopted a budget of \$205,000.00 for cooperative giving. This may seem unreachable but by the help of the Lord and through the faithfulness of concerned pastors and churches we can do it. I trust that we will. I am also praying for growth in our Sunday schools and churches. Let's set some goals in this area. Then, work and pray and trust God for the increase.

The Lord has blessed with a wonderful state work. He has given us youth and maturity, unity and harmony. By His grace let's make the 1982-83 year

one of the best.

### Points for Pastors

by Jim McAllister

What kills a church? In the last issue I posed the question "Is church growth a choice?" I ask that same question again and add "Is it a command?" There you have the issue. Is church growth a choice or a command?

In 1980 we had a Conference on Evangelism here in our church. I entitled it, "Growth, God's Mandate To The Church." We had a large banner put up in the church and left there for a year. In our Pastor's School we have emphasized that point. I've noticed other pastors putting up similar banners. But putting up a banner doesn't make the difference. The church must become convinced that growth is God's mandate to the church. The pastor can never convince the church of this fact until he is convinced himself.

You see there is a very important factor here. If growth *is* God's mandate to the church then nongrowth is sin. It is a sin for the pastor and for the

laymen.

Now I personally believe every church can grow. Some will grow more than others but all can grow some. Naturally, sin factors are involved. If laziness, hatred, lack of unity, and lack of desire are present then growth will be stopped and the process of death will result.

Your church can grow. No matter where it's located. No matter its size, it can show some growth. Members represent souls—eternal souls. These are souls that will live forever. I've heard preachers say that they didn't want their church to grow large. My answer to that is "Who made them judge over who goes to Heaven or Hell?"
