Berkeley Couple Celebrates 60th Wedding Anniversary

Mr. and Mrs. George Wilson, long-time members of the First Free Will Baptist Church of Berkeley, celebrated their 60th wedding anniversary November 22, 1984. The church shared in this occasion with a time of fellowship and refreshments after the evening service, November 18. Both Brother and Sister Wilson expressed their love for the Lord and their thankfulness for being able to serve Him together these 60 years.

Overland Free Will Baptist Church Honors Pastor Of 30 Years

The first Sunday of March was chosen to honor the pastor, Reverend Harry Asher, for 30 years of loyal service to our wonderful Lord and to the church.

Everyone attending was given a pencil with the inscription, "Our Pastor is Special." Several testimonies were given representing the different age groups of our church.

Brother and Sister Asher were then presented with a beautiful plaque, and when it appeared all the honors had been bestowed, they were surprised with a beautiful grandfather clock.

It takes a special man
to keep a dream alive
and in spite of heartaches,
let hope survive.
When the going gets rough
And he fails to meet his goal;
To stand tough,
But remain sweet in his soul.

It takes a special wife
to walk beside her man
And when hope goes up in smoke,
just do the best she can;
to keep her faith in God
and transform his fears to a smile
and make life seem worthwhile.

We salute you, Brother and Sister Harry A. Asher.

Dedication Service at Union Grove

The Union Grove Free Will Baptist Church, located near Norwood, Missouri, held its Dedication Service for the new church building on Sunday, June 2, 1985.

The new auditorium will have a seating capacity of 250. The educational space will accommodate the same number of people. The new church furniture includes, pews, tables, chairs for the classrooms, and a completely furnished kitchen.

The Dedicatory Message was delivered by a former pastor, Reverend Gene Terry. The building program was initiated while Brother Terry was serving as pastor. The special music was presented by the wife of the pastor, Bernetta Williams and the children. Also, a gospel singing group called the Redeemed presented special music.

The pastor, Reverend John Williams, recognized the ones who had helped with the program and expressed heartfelt and very deep appreciation for their labor of love. He stated, "We can see, as we look at this building, what God can do through people who love Him. This beautiful building has become a reality because of the concern of God's people." He asked for testimonies and several people gave testimonies that were expressive of their thanks to the Lord for what He had done for them. Ministers and deacons were asked to come forward for the Prayer of Dedication. Reverend Billy Hicks and Reverend Danny Douglas led the congregation in this prayer.

The pastor and his family, Reverend and Mrs. John Williams and children, began serving the Union Grove Church the first Sunday in September, 1982. He stated, "It has been enjoyable serving this church. The Lord has blessed with His increase and we are so thankful. We look forward to continued blessings from the Lord as we work together for Him. We are especially thankful for His grace and leadership in helping us complete this building program. We trust that it shall always be used for His glory.

The Union Grove Free Will Baptist Church was organized in 1929.

Seventy-Seven Graduated in Free Will Baptist Bible College 42nd Commencement

Free Will Baptist Bible College awarded degrees to 77 graduates of five degree programs in commencement exercises held on campus May 16, 1985. Families, friends, and students filled the college's Activities Building to honor the graduates. This was the Bible College's forty-second Commencement.

The graduates came from 18 states and three foreign countries. Those from Missouri are listed below: Bachelor of Arts, Susan Keesling, Mtn. Grove; Craig Mills, Columbus; Rebekah Nicholson, St. Louis; Bachelor of Science, Rhonda Harrington; Cynthia Fry Kinnick, Mtn. Grove.

Editor's Note: Congratulations!

The Board of Trustees met on campus May 13-15 and approved the purchase of computers for the Business Education Department and the establishment of a President's Council. The President's Council will meet with the president annually for the purpose of enhancing the effectiveness and ministry of the college. This Council will give a broader base of input from the people. Membership will be open to individuals whose annual gifts to the college are \$1,000 or more.

Bowling for Missions

Reverend Ken Dodson, pastor of the Monett Free Will Baptist Church, writes: "This past year, the church began a church bowling league. The league was rather unique in that it was called, 'Bowling for Missions.' Each team was named after a foreign nation or a city where we have either a foreign or home missions work. Over 40 people participated in the league with a total of \$834.00 given to missions."

Editor's note: Sounds good to me.

Dedication at Richwoods

On Sunday, April 21, 1985, the Richwoods Free Will Baptist Church held a Dedication Service for its new church building. The beautiful new building follows an A frame structural plan with glass paneling on the front and rear. The auditorium will accommodate over 200, with a full choir loft, a spacious foyer and a balcony. Also included on the auditorium level is a pastor's study and nursery. The lower level houses classrooms and kitchen facilities.

Reverend James Parker, pastor, stated, "This has not been an easy task but it has been a worthwhile one. The people of the Richwoods Church have looked forward to this event for a long time. They have worked, they have prayed, and they have given of their money and time to see this building built for the Lord. May the Lord bless everyone who has helped make this possible."

Reverend Clarence Burton, state executive secretary, delivered the dedicatory message. He stated, "Isn't it wonderful to see a dream come true? This beautiful building surely reflects a labor of love, a work of faith, and a patience of hope from a faithful pastor and a faithful congregation. May this building be used to glorify God, win souls to Jesus, and strengthen every Christian who worships with this body of believers." He used as his subject "The Church."

Sister Sophia Ackerson gave a very interesting history of the Richwoods Church. The church stands as a living monument of the grace and goodness of God," she said. "The people of the community were not receptive to the gospel nor the labor of the church in its beginning. But through perseverance and prayer a work was begun."

In concluding the dedication service, the pastor called the trustees, and then the membership of the church. The keys were presented to the chairman of the Trustee Board, Brother Junior Lewis. Reverend Charley Miller, pastor of the DeSoto Free Will Baptist Church, led in the prayer of dedication.

First Church, Flat River Increases Cooperative to 15 Percent

In their June business meeting, the First Free Will Baptist Church, Flat River, Missouri, increased their *cooperative giving* from 12 percent to 15 percent. The church also voted to designate 1 percent for the proposed *New State Office Building*.

Editor's Note: Amen! This 1 percent will not hurt the regular cooperative giving inasmuch as it is above the 10 percent.

Homecoming Day at First Church, Flat River

On Sunday, May 26, 1985, the First Free Will Baptist Church, Flat River, Missouri, celebrated a Homecoming Service. Mrs. Pearl Hutchings writes that the church was organized in 1880 under the leadership of three ministers, Reverends Jerry Wood, John Wood, and J. H. Gully. The first building was located on West Main. In 1918 under the leadership of Reverend T. J. Mann and the church board, the property was traded for property in the Norwine section. On March 20, 1918 the first service was held in the new location. Mrs. Alberta Henderson Davis, one of the eight members that met for the first service, is active in the work of the church today. She recalls many significant events which have happened since the First Free Will Baptist Church met for that first service near its present location.

Pastor Ron Edgil follows a long and distinctive list of former pastors who have served the church. He states, "It is my aim and ambition to faithfully serve the Lord through my labor to the church and community. As the Word of God is preached, I trust that it shall be received and applied as the Word, and that it shall produce a spirit of evangelism in the church and community. Those faithful and dedicated people who organized this church more than 100 years ago are more than a memorial; their convictions, concerns, and desires have been transmitted to the generation of our day and are reflected through the life and ministry of this church."

Homecoming at Berkeley

A wonderful day filled with God's blessings was enjoyed by past and present members of the First Free Will Baptist Church, Berkeley, Missouri. This was Homecoming Day, April 28, 1985.

Pastor Jerry Fields welcomed 300 people to the Morning Worship Service where the presence of the Lord was felt in a very special way. Reverend Clarence Burton, former pastor, delivered the morning message. He recalled God's blessings on the ministry of the church, then he challenged each one to look ahead and continue to work and labor with great fervor and anticipation. The work and labor of the Lord never becomes stagnant; it is always a joy to follow the leadership of the Lord.

Approximately 100 more people joined the congregation for dinner in the Fellowship Hall and for the services in the afternoon.

A mass choir consisting of present and former members of the Berkeley Choir filled the choir loft and sang during the afternoon service, led by two former directors, Howard Dobkins and Jim Mullen. A devotional message was given by Geraldine Plummer and a testimony service was led by Calvin Plummer. Several former members contributed to the special singing.

Linda Walls, church reporter, continues with the report that the Berkeley Free Will Baptist Church dates back to January 29, 1939, when a few people gathered together and began worshipping in a community hall. The organization took place March 5, 1939, with 13 charter members. Charter members Virginia Stone and Mildred Dobkins were present for the Homecoming Service. Former pastor Reverend Harvey Hill was unable to attend because of ill health. He telephoned his regrets and best wishes for the church.

The Pastor, Reverend Randy Bishop, writes:

If I could "SHOUT" on paper, I would.

On Sunday morning, May 5th, 1985, all previous attendance records were SHATTERED!!!! at the Hazel Creek Free Will Baptist Church.

Our theme for this BIG DAY was "ROUND-UP MIRACLE SUNDAY."

Promotion and planning began in March, 1984, as the pastor and Brother Bud Riley met for prayer, asking God's anointing over this endeavor. In February, 1985, they met again and set an impossible goal of "175" in attendance for that date. This was over twice the average attendance of the previous three months.

There were numerous other meetings and planning sessions with teachers, musicians, Sunday school workers, etc., and several cottage prayer groups. But as the big day drew closer, it seemed as though we might have misinterpreted the leading of God's Spirit. Unbelief seemed to be widespread, and there were only 75 present the Sunday before the Big Day.

But praise be to God who "is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." At the close of worship services that day, a "hope" had become a "MIRACLE OF GOD." The day began with a new Sunday school record of 155. It was continued with a new worship service record of 173. The day was topped by an overall attendance of 183.

But the real joy came at the close of the activities at an "Old-Fashioned" baptism which took place in the Chariton River as I baptized two young boys: Jason Chrisman and my son, Timothy.

The miracle continues and God's mercy never ends.

Teacher Recognition Day

Sunday school teachers comprise the greatest single force of volunteer workers in the church.

These dedicated servants of God give hours and hours of their time each week. They are engaged in prayer, Bible study, lesson preparation, visitation, card writing, telephoning, and lesson presentation.

These God-gifted persons in the church serve without remuneration and, in some instances, any kind of recognition or appreciation. Often they are taken for granted.

The Free Will Baptist Sunday School and Church Training Department suggests an Annual Teacher Recognition Day in order to encourage volunteer workers. Here is a suggested approach.

Each local church will be encouraged to select its own "Teacher of the Year" according to the criteria it chooses. This could be done at the end of each church year. We will prepare, print, and offer for purchase, an attractive certificate of award in recognition of this achievement.

In addition, we will offer a handsome plaque for those churches who want to show additional appreciation. The plaque could be presented to the nominee or displayed in the church foyer.

When ordering the plaque, the name for engraving should accompany the order.

Letter to the Editor

Dear Brother Burton:

The Lord is blessing at the Grace Church. The services have been well attended, the preaching is excellent, and we have felt the presence of the Holy Spirit in each service.

We appreciated having you with us for the Morning Worship. The message blessed our hearts. We pray for you and Sister Burton in your labor for the State Association. We appreciate the *Gem* and we are thankful that it has been our State Publication for a number of years. It is always a joy to read what other churches are doing in various parts of the state. Keep up the good work. We are praying for you.

Mil and I certainly enjoyed the State Association, and we are looking forward to attending the National Association in July. We pray the Lord will give us a great one.

God bless you,
Leamon Killian

Minute Meditation

by Gene Crewse

How shall not the ministration of the spirit be rather glorious? (2 Corinthians 3:8).

There is much talk on the political scene as to whose administration was best for our country. Some may say Roosevelt, Eisenhower, Truman, or any other president they preferred. In most cases the administration that benefited us most would be a matter of opinion.

In a spiritual sense, this verse implies that the administration of the spirit is bound to be a glorious and prosperous administration. If the administration of the law brought death and condemnation, but yet was so glorious that Moses' face shone in its very presence, how could an administration that brought life, liberty, and righteousness not be more glorious?

It has been said, "He must not only be resident spirit in our lives, but president spirit; not merely residing in us, but presiding over us." If we want liberty, He must be Lord of our lives because where the spirit of the Lord is there is liberty."

To know the glory of the Spirit's current administration in our lives, we must give the spirit complete control of our lives.

Things may look bleak and rather gloomy on the political scene, but in the spiritual realm we are living in the best administration yet; the glorious administration of the Spirit. In this administration there is life, liberty, and righteousness to those who will allow Him to rule over them.

There are those who are still trying to live in the previous administration of the letter, but because of Christ, we may know a better more glorious administration of the Spirit.

Dear Friends:

Many years ago a song was written entitled, "Where no one stands alone." How true this is today if you have given your heart to Jesus. The song says, "Once I stood alone with my head bowed low in the darkness as black as could be," but we know Jesus is the light of the world.

Many people think of Africa as a dark country, but the people in Africa have souls like you and me. They need to hear the gospel. Romans 10:14, 15, "How then shall they call on him in whom they have not believed? and how shall they believe in whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent?" God has called. Dave and Sharon Filkins have answered. *YES, LORD, SEND US.*

Dave and Sharon have been approved by our Foreign Missions Board and will soon be department for Albertville, France, to study French before going to the Ivory Coast. One of their needs is to have a care when they arrive in the Ivory Coast.

Our church has a project underway to raise \$15,000 for this purpose. This will save time that they have to spend here in the states to raise their support.

Will you prayerfully consider this project? If you would like to help, please send your Green stamps, Top Value, or other kinds to our church. If you want to send a check, please make it payable to our church with a notation on the check "FILKINS CAR ACCOUNT" attn: Bill J. Campbell.

We are preparing a list of all contributors whether they be a church, Sunday school class, or an individual. These names will be enclosed in plastic and placed in the trunk of the car to travel as a silent prayer partner with Dave and Sharon.

Won't you join us today in this endeavor? Please pray for our church as we undertake this project.

Yours in Christ,
Friends at First Church

Essentials of Evangelism

by Stanley Jones

"Now it came to pass that a group existed who called themselves fishermen. And lo, there were many fish in the waters all around. In fact, the whole area was surrounded by streams and lakes filled with fish. And the fish were hungry.

"Week after week, month after month, and year after year, these who called themselves fishermen met in meetings and talked about their call to be about fishing.

"Continually, they searched for new and better methods of fishing and for new and better definitions of fishing. They sponsored costly nationwide and worldwide congresses to discuss fishing and to promote fishing and hear about all the ways of fishing, such as the new fishing equipment, fish calls, and whether any new bait was discovered.

"These fishermen built large, beautiful buildings, called 'Fishing Headquarters.' The plea was that everyone should be a fisherman and every fisherman should fish. One thing they didn't do, however; they didn't fish.

"All the fishermen seemed to agree that what is needed is a board which could challenge fishermen to be faithful in fishing. The board was formed by those who had the great vision and courage to speak about fishing, to define fishing, and to promote the idea of fishing in far-away streams and lakes where many other fish of different colors lived.

"Large, elaborate, and expensive training centers were built whose purpose was to teach fishermen how to fish. Those who

taught had doctorates in fishology. But the teachers did not fish. They only taught fishing.

"Some spent much study and travel to learn the history of fishing and to see far-away places where the founding fathers did great fishing in the centuries past. They lauded the faithful fishermen of years before who handed down the idea of fishing.

"Many who felt the call to be fishermen responded. They were commissioned and sent to fish. And they went off to foreign lands . . . to teach fishing.

"Now it's true that many of the fishermen sacrificed and put up with all kinds of difficulties. Some lived near the water and bore the smell of dead fish every day. They received the ridicule of some who made fun of their fishermen's clubs. They anguished over those who were not committed enough to attend the weekly meetings to talk about fishing. After all, were they not following the Master who said, 'Follow me, and I will make you fishers of men?'

"Imagine how hurt some were when one day a person suggested that those who don't catch fish were really not fishermen, no matter how much they claimed to be. Yet it did sound correct. Is a person a fisherman if year after year he or she never catches a fish? Is one following if he or she isn't fishing?"

Report on the Missouri State Association—1985

The psalmist said, "I was glad when they said unto me, Let us go into the house of the Lord." This was the feeling of delegates and visitors alike, as the Missouri State Association met at the First Free Will Baptist Church in Farmington, Missouri, May 28-31, 1985.

The spontaneous remarks concerning the meeting were like this; "It was the best one," "The Lord surely blessed," "Isn't it great to be a part of this part of the Lord's work?" and "My life has been challenged and my soul blessed." These remarks and many others reflect the feelings of those who had the privilege of attending the State Association this year.

I think everyone appreciates the geographical location of Lebanon and its convenience in hosting the Association. But there is an atmosphere that is felt in a church building which is missed in a community auditorium. This worshipful spirit was felt at the Farmington Church.

Reverend Jim McAllister and the church and school staff had everything ready for the Association. To be sure, the accommodations are very adequate. Many fine remarks were made concerning the efficiency.

The music and singing under the direction of John Smith and those assisting him added so much to the spirit of the services. The preaching by the speakers: Dr. Robert Picirilli, Reverend Gary Fry, Reverend Bud Arnold, Reverend Jim Williams, and Reverend Dennis Bowman challenged the people with the theme "The Church—Its Mission." The preachers who delivered the devotional messages, Reverend Dave Pinkston, Reverend Jim Crawford, and Reverend Steve Reeves blessed and prepared the hearts of the congregation for each session. The services were directed well by those presiding: Reverend Dan Felts, Reverend Ken Dodson, and Reverend Nathan Ruble.

The moderator's gavel was passed this year from Reverend Millard Sasser to Reverend Nathan Ruble. Brother Sasser held this position for three years with dignity and fairness. Again this year the business sessions were handled fairly and with Christian understanding. These are noteworthy items of business: The Missouri State Association voted to: (1) commit itself to raise \$100,000 over a three-year period in response to the Foreign

Mission Department's Advance Celebration Program; (2) adopt a budget of approximately \$700,000 (This includes the Bookstore and designated. The cooperative budget is \$248,000.); (3) sell present Retirement Village Property and purchase property that has a Licensed Boarding Home that is operative.

As we move forward into this year, we can move with confidence under the leadership of the new moderator, Reverend Nathan Ruble and those working with him: Reverend Joe Braddy, assistant moderator; Reverend Greg McAllister, clerk; and Reverend Cody Freeman, assistant clerk. Brother Ruble has served well as assistant moderator for the past three years, and he is well acquainted with the state work.

I am thankful for the past but I look forward to the future. The Lord is blessing for which we are thankful. We know that without Him we cannot do anything that is worthwhile. We have His promise that He will help us, and with this help we can do all things. We will not fail!

Following the National Association Convention (and you will read this the latter part of July) we want to pick up where we left off (waiting for the National Convention) with a strong thrust toward evangelism. We are praying for this to happen: 1,000 souls to be won to Christ next year, an increase of 1,000 in Sunday school attendance, and an increase of 1,000 in church membership. Let's begin working and praying in this direction *Now!* But the emphasis, to work with the National Association will begin in 1986. Let's pray, work, pray and work, and I believe the Lord will give the increase!

Again, thanks to the host pastor, Brother McAllister and those who worked with him from the Farmington Church and the Saint Francois District Association. The Lord gave us a great State Association.

I must say this—Thanks so much, so very much to the Executive Committee, the General Board, and to all the wonderful people of the Missouri State Association for the beautiful plaque in recognition of the ten years of service as Executive Secretary and the nice gifts. Vivian and I appreciate them from the depths of our hearts. We love you for this.

Points for Pastors

—by James McAllister—

We have started something that might be of interest to some pastors and churches.

We have a rotating deacon and trustee board. By that, I mean two go off our deacon board each year; and they cannot succeed themselves for one year. We have six men on the board, but 16 deacons. The other ten men are in the deacon pool. Before anyone says that is unbiblical, give book, chapter, and verse. Oh, by the way, it has worked perfectly for us for several years now. The men stay fresh, interested, and don't get bored with board work. We have nine trustees, and three go off each year and cannot replace themselves.

The six deacon board members, and the nine trustee board members make up the general board which meets monthly. They have a chairman who serves one year and then is replaced. The

pastor is only an ex-officio member of each of these boards. The areas of business each of these boards conduct are outlined by the church.

The deacon board handles the spiritual, inter-member, and pastoral-staff matters. The trustees take care of all physical church plant matters, and the general board handles matters that should come before the church body. All church members are permitted to attend general board meetings, voice their opinion, but cannot vote. These items are then brought before the body for approval.

All of this is to briefly familiarize you with the make-up of our official boards and how they function. In the next article I will tell you about the new thing we've started here at Farmington.
