## Show Me Missions

**T**alk to any Show-Me missionary and they will tell you that the Show-Me plan works.

Not only do they enjoy the satisfaction of knowing that the folks back in the states are regularly supporting their accounts, but they know that givers are pray-ers too. They enjoy not having to spend months and even years away from the field raising funds. But the main reason to support the Show-Me Plan is not to make the missionaries feel good. It is to please God. He is the one who gave the command to go into all the world and preach the gospel to every creature.

Our missionaries did not go to their field of service because they thought it would be a good thing to do. They are there because God told them to go. And if He told *them* to go, He has told *us* to give.

God never tells us to do anything without providing us with what it will take to get the job done. When He called any of our missionaries to the field, He did so knowing that their faith would be in Him for their provision. He immediately provided all the funds they need to evangelize the fields to which he called them.

It's great to know that the funds have already been provided! Where are they, you may ask? Well, right there in our pockets. God is just waiting to see if we are going to do what He has told us to do. If we sit on God's money that He gave us to give for missions, and some one is not reached for Christ, then we are responsible for their absence in heaven. I certainly hope you enjoyed what ever you spent the money on. If God said give it and you kept it and spent it, you have just declared that you know more about what is needed than God does.

God has not only given us the wonderful opportunity to spread the gospel through our gifts, He has also

placed the tremendous responsibility on us to spread the gospel through our gifts. The opportunity and the responsibility are inseparable. Neither is optional.

He gives you breath and health to work and earn, not so that you may consume it upon your lusts, but so that you may fulfil your very purpose for living. If the only reason God saved us was to get us to heaven some day, He could have saved himself a lot of trouble if he had just killed us at the altar and taken us on right then. Instead He has us here for a very specific purpose.

Our main reason for existence is to let every person we can possibly reach know about His great love and forgiveness so they can go to heaven too. If we are not doing that, there is not much reason for our existence.

This year we received \$341,313.80 for our Show-Me Plan. That is down from last year. That means that we have fallen even farther short of our budget than we did last year. We needed \$450,000.00.

Did God fail us? Did he fail the missionaries he called to the field? No, God does not fail. He provided. We sat on it.

God said go and we have stayed. He said give and we have kept. He said tell and we have fallen silent. When He asks why, what will we say?

Our goal for 2006 is for everyone to give something. I know that all are not equally capable of giving. But all are capable of giving something. Just do this. Ask God what He wants you to give this year to Missions. Then, trust that if He tells you to give it, he will make it possible. Oh, and be honest about this. Do what God says, not what your own desires tell you. They will lead you astray. God never will!

## The Pinkertons

Today is 2, February, '06. We have been "home" for over a month now. Thank you all for helping to make it possible. The flights back were long, but trouble free. Passing through customs was a breeze....."Oh, we know you, you've been here a long time. Welcome back!"

Pastor and Madame Samuel, Dr and Madame Gabriel just missed us at the airport so they came to the house for hugs, prayers, a promised meal of pounded enyams the next day and a huge bouquet of fresh cut flowers! That was Thursday night. Friday night we were at Third church for prayer meeting.

3rd church Pastor Samuel, wife Nina and children: Victoire, Jude & Jokebed.

Saturday night we were at church again for New Year's Eve services. It was such a blessed time of sharing how God had provided, protected and blessed during the year 2005 and requesting his guidance for His projects and plans for us as individuals and a church group for 2006.

Each of the following three Sundays found us in the three FWB Churches in Abidjan. We are thrilled to report that each church is experiencing growth, but not without the normal problems of a growing group of people. Thank you for calling the three pastors by name as you pray. 1<sup>st</sup> Church, Pastor Silas. 2<sup>nd</sup> Church, Pastor Assaibian (a-say-ben). 3<sup>rd</sup> Church, Pastor Samuel. The three churches located in three different parts of this mega-city of over 4 million people have a combined regular Sunday attendance of around 280! Praise God!

1st church Pastor Silas, wife Francoise & children Love, Kouassi and Benjamin...

Folks at 2nd Church

Thank you for giving to the Third Church Building/ Parsonage Fund. The 2 Feb, '06 report showed a total of \$97,000.00. **THANK YOU SO VERY MUCH.** Four lots have been purchased. Due to the ongoing turmoil, protest and lack of Government official cooperation, we are still waiting for the paperwork to be completed. Until it is done, we are at a standstill.\* However, other options are being considered. We hope to send great news soon! Please remember that in Africa *soon* can be tomorrow, next week or next month....we wait in the Lord knowing this is His work. *We appreciate so much your praying and giving and caring.*

Politics, economy, tribal troubles, physical and also spiritually, this country is in deep trouble. Rumors of war continue; some group is always unhappy; threats of crime increase....it sounds like the end of times! Maybe it is? It just pushes us to be more active about our Fathers Work: redeeming the time-the days are evil!

We have often heard gunfire yet have not known fear. We try to be sensible, always rejoicing that our lives are in God's loving care. We depend on your faithful prayers and thank you for your loyal support to us and the dear Believers in this troubled country.

*\* We have been given so many vain promises concerning land that now Pastor Samuel doesn't believe what people say until they've the paperwork to prove*

*it. Bravo! Carol told him he was almost qualified to be a SHOW-ME MISSOURIAN!*

## The Turnboughs

Dear Friends in Missouri,

Thank you so much for having us in your churches, your homes, and in your hearts these past six months, as well as these past 25 years. Because of the Show-Me Plan, Missouri FWBs gave 44% of

our budget in 2005. That is wonderful! Our prayer is that the Lord will continue to bless you so that the State of Missouri can reach the goal of fully underwriting 50% of our ministry in the country of Spain. We have completed the halfway point in our Stateside Assignment, and have moved from Missouri to Tennessee. Please make note of our new address below.

We look forward to 2006 with thanksgiving and anticipation, on a personal level as well as in our ministry in the USA and in Spain. Our most important prayer request at this time is the work of solidifying our present support base and raising new support during the next six months in the USA. We must obtain \$1,500 in new or additional monthly support and \$20,000 in cash before we can return to our place of service in Spain in July. Please pray with us about this.

Our daughter Melissa successfully completed her bachelor's degree in nursing in December! Many of you prayed for her, and we thank the Lord for this milestone in her life. The really big news is that while studying nursing, Melissa met the man of her life, Dr. Mason

Mandy, and they plan to marry July 30! Mason graduated from the U.S. Air Force Academy with a double major, then graduated from the University of Alabama as a medical doctor, and is presently working as a surgical resident at Beth Israel Hospital in Manhattan, New York. The most important thing Mason and Melissa have in common, and the matter for which we as parents are most thankful, is the fact that they both love the Lord and want to serve him. They also share a passion to glorify God in their lives by serving people in the medical field. They hope to volunteer in underserved regions of North America and then eventually in the Middle East and North Africa. Please pray for our family as we prepare for this important event.

Anthony/Lea Edgmon and Tim/Kristi Johnson have begun a new church plant. Alpedrete is one of those 7,450 pueblos in Spain without a single Evangelical witness! Just as what happened in Villalba in 1984, God has used FWBIM workers to begin the very first Protestant church in this town. May we have many more workers to target other towns in Spain! Please pray for God's work in this town that borders Villalba and our field strategy to plant 3-5 churches in this area of Madrid.

We pray that 2006 will be the year when the Nehemiah Project becomes a reality! That is, after 14 years, construction on the building for the Villalba Church will begin. The church has received one of the two permits it needs to build and is waiting for its own architect to complete the plans to get the second one. Please continue to pray for the Villalba Church -for the spiritual leaders, for continued outreach and growth, for God's clear work in and through this strategically important local body of believers in the country of Spain.

For God's glory,

## M-Team France

The M-Team - Shane and Joy Davison, Micah and Becky Derby, Darren and Dana Portell, and Sean and Jill Warren - will be returning stateside in June 2006.

A strategic decision was made to have the team return home after language school and before the start of their next phase of ministry. The basis for this decision was the trend toward declining financial support for the team as a whole. Their return will allow the team to raise support sufficient to underwrite their whole term and avoid interrupting their ministry as it gains its initial momentum. For more information, please contact Clint Morgan or Steve Lytle. To help underwrite their ministry, you may give online or send a donation to:

FWBIM, P.O. Box 5002, Antioch, TN 37011

## Report from Rangeview

Here are some pictures of our new location and our first service! Today was a great day with much accomplished and the amazing support of our volunteers! This truly has become a team effort and we finally have the pieces in place to grow substantially!

Our new song leader, Rob, is on stage with several of our longtime musicians. We are blessed to have him with us. He has a missions background (his father was a missionary pastor to Latin America) and he also has Arminian roots in his theology so he blends wonderfully with our philosophy of ministry! You can also see the crowd in the gym and a few shots of the overall setting taken from the back of the gym we are meeting in.

Hope this gives you a glimmer of the bright future YOUR mission work has in Denver. We are on the move and excited for what the Lord has for us in the New Year!

## Hopewell Dedicates New Building

The folks at Hopewell Free Will Baptist Church had a wonderful day recently as they dedicated their new church building. After several good musical numbers, Pastor Tony Butcher recounted some of the history of the church and issued a challenge for the future. A slide show of past events and people followed.

The church is located at 2334 State Highway 73 in Tunas, Missouri. Pastors present at the service were, Rev. Milan and Mrs. Ruble, Rev. Robert and Betty Long, Rev. Tony and Kay Butcher, and Rev. Nathan and Mrs. Ruble and State Executive Director Gary Fry.

Pictured are William A. Bishop and Paul Quinten Bishop, deacons of the Hopewell Freewill Baptist Church in Tunas. They were presented with plaques on November 20th at the church dedication services for the work their company, Bishop and Bishop Construction did on building the new church building.

*(Pastor Butcher has recently resigned the church and will be followed in the pulpit by Rev. Nathan Ruble.)*

## Crossroads FWB Youth Travel to Colorado

The youth group at Crossroads FWB Church in Wentzville traveled to North Glenn, CO in July of 2005. They spent 4 days with the Cheathams and all of the fine people of the Rangeview Community FWB mission work there. They raised approximately \$6000.00 to fund the 8 day trip, plus raised \$1400.00 for the work there. We had a great time, we canvassed the area with doorknockers in 105 degree weather, participated in the worship service on Sunday, then on Monday we painted and cleaned at the church. The Cheathams were great hosts! We left there to go to Colorado Springs for some r & r.

This year the group is already planning a missions trip to include Tennessee and North Carolina.

The teens were accompanied by Pastor Wes Rider, Peggy Rider and Jullie Gullede. This is a fantastic group of young people eager to do God's work. We are really proud of all of their accomplishments.

## Mt. Pisgah Dedicates New Kitchen

A new 28 x 30-ft. kitchen facility was dedicated January 29th at Mt. Pisgah Free Will Baptist Church of Cabool. The new addition nearly doubles the size of the kitchen/fellowship hall area (now at 1,928 sq. ft.).

Pastor David Carroll pointed out that the dedication service signified three things: First that the work is completed. Second it reminds us of the gratitude we have to God for supplying strength and resources. Finally and most important—it is the Lord's building.

David Carroll, Neil Hamilton and Sonny Grantham led the construction project. Paul Wade was also involved in the early planning. This group of men drew up plans and went to the church body for approval at various stages of planning. Ideas were solicited from the church membership and many were incorporated into the construction and arrangement. The men of the church did most

Left to right: Gerald Chronister, Jack Hill, Don Carroll, Ralph Miller, Jim McMillian, Brigg Pierson, Harry Richardson, Jim Wake, Steve Hill (above the heads), Ron Walls, Neil Hamilton, Sonny Grantham, Rod Smith, Pastor David Carroll, Larry Taff, Garry Brandt and Danny Cannon.

of the work on Saturdays and evenings. Local contractors did the concrete work, vinyl floor, shingling of the roof, counter tops and some of the drywall finishing.

According to Pastor David, there were two construction challenges. Tying in the rooflines and the fact that the addition brought the church building to the edge of its property on the east.

Beth Hamilton, Modene Smith and Becky Taff served as a decorating committee making decisions about

colors and the choosing of appliances.

The old kitchen and fellowship hall will now undergo some remodeling to better tie into the new addition. The old kitchen cabinets, paneling and carpeting will be removed. Sheet rock and paint will replace the paneling and new carpeting will be installed. The additional space is welcomed not only for times of fellowship but also for the large Adult I Sunday School Class that meets there each Sunday morning.
